BITS and PIECES

ASSHOLE OF THE MONTH

In a perfect world, once a woman has become so old that she is soured in her snatch and curdled in her face, and no man will ever want to fuck her again, that woman would realize that she is without use and would remove herself from the planet. In such an ideal universe, Lucianne Goldberg would cease to exist, and some other shit-leaking cunt would be HUSTLER's Asshole of the Month for November 1998.

November's Asshole (pronounced *Loosey-Ann*) claims to be the brains behind Linda Tripp's decision to tape Monica Lewinsky's babbling infatuation with President Bill Clinton.

Lucianne Goldberg is a 63-year-old sack of pus with a face like a beached flounder suffering from booze bloat. Lucianne's voice sounds like the wet, know-it-all wheeze of a cock-huffing faggot with throat cancer. Her hairstyle looks as if she were following the coiffure advice of Linda Tripp, before Tripp's makeover.

Lucianne has been ugly for a long, long time. Many, many years ago, Goldberg worked for presidents Kennedy and Johnson. "When you're tall, thin, blond and have big boobs, you can have any job you want," says Lucianne of her early success. But when that blush of youthful fuckability fades, a hag scrapes for any dirty dollar that comes her way.

In 1972, having switched affiliations to the Republican fringe, Goldberg was paid \$1,000 per week, plus \$11,932.35 in travel expenses, to infiltrate George McGovern's Presidential campaign as a spy for the camp of Richard Nixon. "I was

practically stealing," recalls Goldberg in rare candor, "because all I had were dirty jokes and gossip... who was sleeping with who."

Goldberg honed her skill at mixing fact, fiction and sexual titillation by ghostwriting Maureen Dean's sexy potboiler *Washington Wives* and penning a novel of her own about "high-class" prostitutes.

Sex, particularly sex that other people are having, can be tracked as a recurring theme in Goldberg's career. She gushes: "I love dish."

Her most fattening dish to date? The taped gossip that a chubby White House intern sucked Clinton's cock.

Lucianne Goldberg's reactions to the Lewinsky sex tapes have been as questionable as Linda Tripp's

motives in making the tapes in the first place. "What I'm glad about," crowed old Goldberg as the tapes hit the news, "is [Clinton's] getting caught. At something. If it took this to get him, fine."

"I don't want to sound like a Clinton basher," Lucianne says in another breath. Months later, she adds, "No, I do not have an agenda in getting the President."

Goldberg's sincerity is as suspect as her hair color. Acting as a literary agent, Lucianne has sought publishers for a book by the Arkansas state troopers who said they procured women for then-Governor Clinton. Goldberg also tried to market a fictionalized account of an alleged sexual relationship with the President

by Dolly Kyle Browning, a high-school classmate of Clinton's. These publishing endeavors may not prove an agenda, but they are consistent with intentions to damage the President.

According to *Newsweek*, Goldberg had Linda Tripp suggest that Monica Lewinsky send her letters to the President through Speed Service of Washington. Speed Service is run by Goldberg's nephew. Presumably, Goldberg wanted documented records of Lewinsky's notes to Clinton, furthering her nonagenda.

"I'm in this because I'm being helpful to a friend," says Goldberg. "We had no choice but to do this [tape and release]. I'm very, very proud of Linda Tripp."

And very, very protective: If the President's lawyers had attacked her credibility the way they did Tripp's, Lucianne said, "I'd be on the lawn of the White House with a deer rifle."

Goldberg's real agenda is the sour resentment a curdled cunt flings at people whose genitals still function. "I'm an old-fashioned girl," says Lucianne, "and extramarital sex, that bothers me."

This revelation, from a woman who has flaunted her mastery of sexual innuendo and gossip for three decades running, is the most shocking revelation of all, so shocking as to defy believability.

"Truth trumps spin," honks Lucianne. "The truth will come out, and this awful mess is going to be over." The truth is out now: The awful mess is leaking from Lucianne Goldberg, like an awful mess leaks from any loose, old Asshole.

Charles Spencer: "Champagne Charlie," as he is dubbed in his native England, is the brother of seatbelt-safety poster girl Diana of Wales. Spencer was an obscure, lilt-ing fop in this country until his sister's transformation from empty figurehead to cash-cow martyr. "Champagne," who has in the past accepted money to supply the British press with photos of his fam-

FARTS IN THE WIND

ily, publicly blamed the morbid media for his sister's death at the hands of a drunken driver. Spencer is turning Princess Diana's childhood estate into a theme park of lucrative grief, charging 150,000 tourists \$15 a pop to mourn and buy souvenirs. "Champagne" has labeled rival Diana funds "tacky," which earns him the label Asshole.

Kaiser Permanente: The largest not-for-profit HMO in the U.S. has decided not to cover payment for Viagra, the drug that has put fresh sap into the dead roots of impotent men. Kaiser claims that Viagra costs would be too high. The decision opens other HMOs to deny Viagra to pricks that need it and opens Kaiser Permanente to the charge of Asshole.

Celebrity Beaver Hunt

Is Geena Davis Beyond Beaver Hunt?

Geena Davis doesn't like to do nude scenes, but why? By the looks of these wayward snapshots, her sand-dollar nipples and over-40 pooper are holding up quite nicely. Geena's foray into the pages of HUSTLER should be an example to anyone who thinks our magazine's promise of \$250 and a chance for a \$5,000 photo-feature might be beneath them.

PORN *From the* PAST

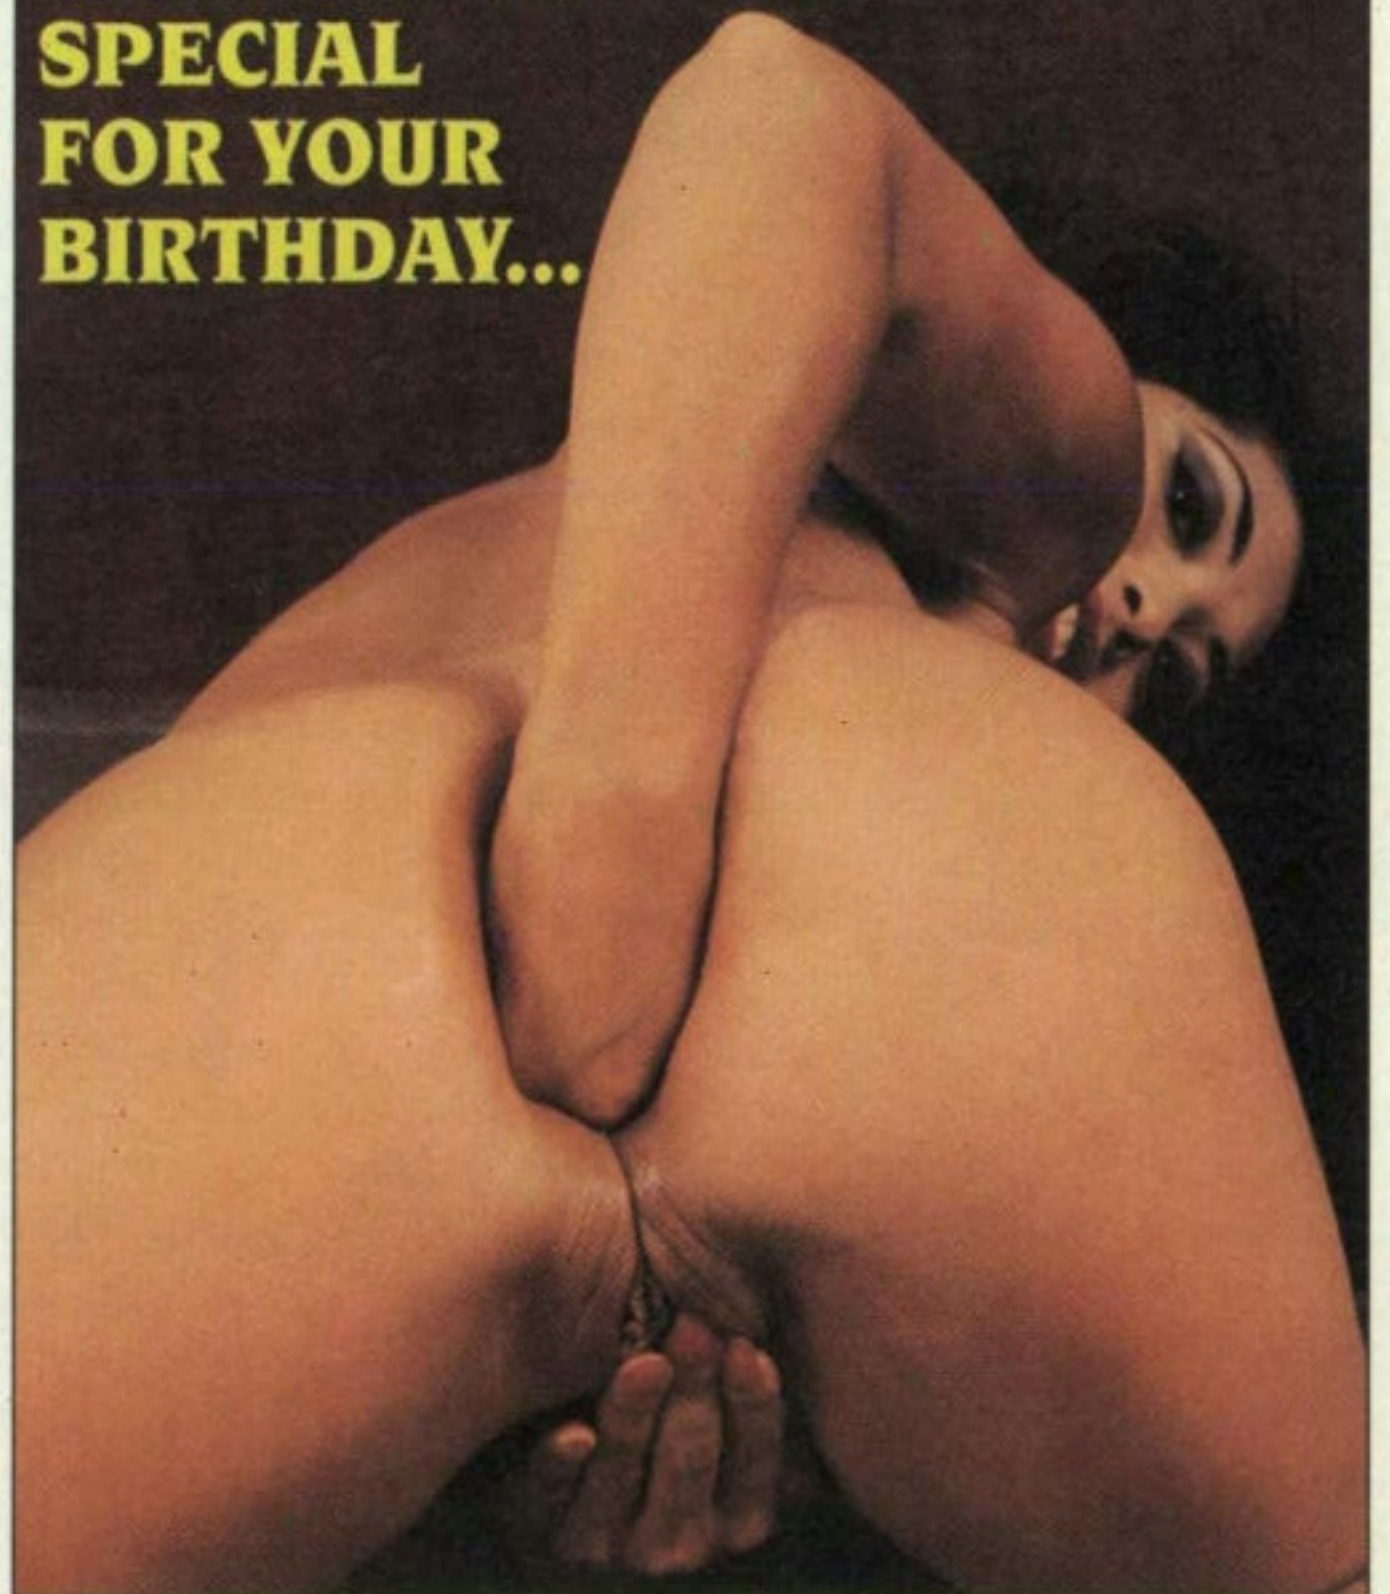

The old-time camera wielder who gave us these multidirectional smiles was dealing with some half-assed hussies. As any thinking butt man will tell you, four halves are twice as good as just one heinie.

For answering the call of booty, Frank S. will be cracking open an envelope containing a check for \$150. Other back-door shenanigans from the black-and-white age can be sent to HUSTLER's "Porn From the Past," 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211.

The article in the August '98 issue describing the best sex cities in America was awesome (*Sex Cities, USA: America's Top Ten Cities Selling Sex*). Work requires me to travel around the country. While on business trips, I'll indulge in a quick fuck or blowjob. The article showed me where to look and how much I should expect to pay when buying sex out of town. HUSTLER should write a feature about the best strip clubs around the United States and rate the quality and price of lap dances. HUSTLER would provide a real service to readers by printing useful information about where to find a hard body to rub against your lap and make you come in your pants.

White On

I recently read an issue of *Life* magazine. The picture of people with albinism intrigued me. Has HUSTLER ever considered employing albino models? A layout of naked, albino women spreading their pale, milky legs would take my breath away. Albinos are the ultimate blondes.

Chicago, Illinois

Thanks for the suggestion. Until we capture an elusive albino on film, catch this month's ultimate blond centerfold, Candy: Autobiography of a Swinger, on page 78.

Shit Happens

In the September 1998 issue, HUSTLER featured a beautiful blonde squirting pee on the ground (*Emily and MaryAlice: Lust Farm*). Why not show the same girl shitting?

I would love to see more photos in your super magazine of girls peeing. These photos are very sensual and erotic. Twice in my life, women have pissed on me during sex. Clear Cutting

I'm looking to subscribe to a men's publication that doesn't discriminate against pubic hair. I love models who refuse to shave north of their kneecaps. I want to see the entire hairy muff, including anal fuzz. One hairless mutant spoils the entire magazine. Is HUSTLER up to the challenge? If not, I'll just hold on to my 1970s porn library. —P. S.

Centereach, New York

Variety is the slice of life, P. S. HUSTLER offers one classic set each month boasting the best bush since the '70s. Check out Dana Lynn: Wet Dream Deferred on page 56 for some unforgettable fur.

Beaver Bash

You no good fuckheads. My wife and I submitted her beautiful twat-shots for the readers' enjoyment. You called us to verify her information. But HUSTLER never ran the pictures. My wife is an attractive, horny, American female. As far as I'm concerned, you guys at HUSTLER don't know pussy. —C. S.

via Internet

Make us pay \$250 for our mistake. We suggest you and your wife submit a new batch of well-lighted, clearly shot pussy pictures. Include two forms of identification and the model release on page 112.

Oreo Orgasm

HUSTLER's recent checkerboard layout looks really hot (Kerri and Jeffrey: White Girl's Burden, August '98). Check out the size of Kerri's erect nipples. I'm amazed at the way Clive McLean captures their deep soul kissing. Please print a white stud stirring up some hot chocolate soon. —A. W.

Allentown, Pennsylvania

Karl and Shondra: Shining Example in the January 1998 issue illustrates the ivory-and-ebony action you describe.

Boys Under the Hood

I nominate Larry Flynt for "Asshole of the Month" for running the interracial pictorial in the August '98 issue (Kerri and Jeffrey: White Girl's Burden). I see blacks lusting over white women every day. I find race mixing disgusting. What if your fair-haired daughter brought home her very own Mandingo? I understand

that HUSTLER's attempting to conform to multicultural standards of a politically correct world. —C. S.

Houtzdale, Pennsylvania

HUSTLER discriminates against pussy only if it's not pink.

Critical Ass

I usually enjoy every copy of HUSTLER, but a review I read in the August 1998 *Erotic Entertainment* pissed me off. Some asshole critic named Mitch Shepard talked tons of shit about Shanna McCullough in his review of *Sugardaddy Volume Ten*. Shepard's stupidity makes me sick. Shepard ignorantly referred to McCullough as "yesterday's jerk-off fantasy." Shepard must be a little sissy fag who hates women. Shanna McCullough is one of the hottest starlets in porn. McCullough came out of retirement for her fans. Her comeback is one of the greatest moments in adult-cinema history. HUSTLER should refuse to print slanderous reviews in the future. —E. D.

Pinole, California

Shepard's review may be a bit harsh on McCullough, but common sense argues that if a popular porn starlet is truly in the prime of her career, she should entertain

offers for better roles than a single scene in a low-budget video with a 57-year-old Elmer J. Fudd look-alike.

Shouts From Seamen

After several weeks of cursing America's Magazine, we finally received the July 1998 issue. Currently, we are on board a U.S. Navy ship in the asshole of the world, the Persian Gulf. We found the article about the girls testing the latest cunt-cramming devices quite stimulating (*Pussy Tested and Approved: Three Curvaceous Critics Judge the HUSTLER Toy Company's Latest Creations*). Those are the best pictures HUSTLER has run in a long time. We weren't really into the pissing layout (*Cheri: Humiliation Academy*). Uncle Sam pisses on us every day. For the sake of those serving their country on this ship, please continue to send pictures of the hottest women in the world. —F. B.

HUSTLER®

STILL HOLDS A MAJORITY IN CONGRESS

Last November, HUSTLER Founder Larry Flynt put the names of every member of Congress, the Supreme Court and the executive branch on a free-subscription list to America's Magazine. To our surprise, many representatives were outraged when they opened their mailbox to find the hardest-hitting adult magazine in circulation awaiting their perusal.

In the following months, HUSTLER's Circulation Department was inundated by angry letters of refusal, calling this fine mag-

azine "trash," "filthy," "highly objectionable," "deeply offensive" and even "inappropriate for a Congressional office."

We pose a question to our readers across the country: Are you allowing a pink-phobic bureaucrat to represent you? The 224 congressmen listed on page 16 have asked to be taken off HUSTLER's subscription list. Take a look. Did you elect a legislator who refuses to read the magazine that best represents your point of view?

Beverly Hills, CA 90211

Dear Mr. Flynt:

It has come to my attention that your company has been sending a subscription to Hustler to our office on a monthly basis. I am writing to you to request that you cease doing this. Your magazine is inappropriate for a Senate office, and the free delivery of it to us violates the Senate gift rules.

SENATOR DIANNE FEINSTEIN (D-California)

It takes a special kind of feminist to marry a multimillionaire investor, but Dianne Feinstein is a special kind of lady senator: a premenstrual cyclone and unstinting supporter of anti-gun legislation. During Dianne's first seven months in office, 11 of her staffers resigned, doubtlessly in frantic need of the very weaponry their boss so tirelessly crusades against. Maybe if she modeled herself after the laid-back and free-spirited women seen in the pages of her free HUSTLER, Dianne wouldn't be perceived as the sour-faced killjoy voters see today.

Dear Mr. Flynt:

You will find enclosed the complimentary issue of your publication, ~~Hustler Magazine~~ that was sent to Senator Faircloth at his Senate Office. In this regard, the Senator has asked that your publication be returned to you immediately.

In view of the above, and for any future mailings, delete immediately the Senator's name and Office from your mailing list.

SENATOR LAUCH FAIRCLOTH (R-North Carolina)

A cheap spin-off of his mentor and three-time HUSTLER Asshole of the Month Jesse Helms, Lauch Faircloth is one of the Senate's most obnoxious and conservative members. The former millionaire farmer appointed the judges who appointed the independent counsels for Whitewater and zippergate—two of the most time-wasting and fruitless investigations in our government's history. If Faircloth took time to read HUSTLER's incisive editorials, provided free of charge, he would know that pursuit of pussy is not seen as a vice in America.

317 Hart Senate Building (202) 224-3154

AT LAST COUNT, THESE 224 FRIGID SENATORS AND REPRESENTATIVES ARE STILL IN THE MINORITY. THIS ISSUE OF HUSTLER WILL REACH NEARLY 273 DESKS IN WASHINGTON, D.C., THANKS TO PHILANTHROPIC PUBLISHER LARRY FLYNT.

Dear Mr. Flynt:

I understand that you are sending members of Congress complimentary subscriptions to Hustler magazine, and I would like to request that you remove my name from your mailing list.

Thank you for your cooperation.

SENATOR FRED THOMPSON (R-Tennessee)

Under the guise of political-fund-raising investigations, Senator Fred Thompson sat at the head of the most bogus political witch-hunt since the Lewinsky hearings. The sometime actor (*Cape Fear*, *Die Hard II* and *In the Line of Fire*) personifies the pot that called the kettle black: Ol' Fred received more than 900 political-action-committee contributions during the last election cycle. Think of how much gross fund-raising could be curtailed if Thompson were to simply plant his nose in a free copy of HUSTLER.

Ms Hamm:

Recently Hustler Magazine began sending an unsolicited, complimentary subscription of "Hustler" to Senator Hatch's office. Please discontinue this subscription. You may contact me at (202) 224-5251 if you need any further information.

SENATOR ORRIN G. HATCH (R-Utah)

Orrin Hatch purports to be a Mormon lay minister and has called the Democratic party the "party of homosexuals." Hatch facilitated loans for friends from the Bank of Credit and Commerce International—the same bank that swindled Americans and others out of more than \$8 billion earlier this decade. Orrin recently cut his own CD, *My God Is Love*, which has damned his political career to ridicule. A new complimentary copy of HUSTLER on Hatch's shelf would do wonders for his concept of love and quell doubts raised by that suspicious homophobia.

Not everyone in Washington cowers at the sight of pink. Although none of the following HUSTLER subscribers thanked us for their free subscriptions, we like to think that they look forward to cracking open the latest issue each month.

Dear SLUT

JEANNA FINE TELLS THE
FUCKING TRUTH

This month in her regular column, porn legend Jeanna Fine responds to readers seeking erotic enlightenment. She invites you to drop her a line and join her on the fearless quest for the fucking truth.

BABY POKER

I am a single, 21-year-old female starting my second trimester of pregnancy. My belly protrudes a little, but I still have my sexy figure. I feel my body changing every day. My breasts swell, and I have a huge appetite. I am also incredibly horny. I really need to fuck. Will sex hurt my unborn child? —M. C.
Rochester, New York

Hold on to your jimmy hats, honey. You're only going to become hornier as the pregnancy goes on. By the time you deliver, the simple act of walking will make you climax. The night before I went into labor, I sunk a rather large dildo in my snatch and fingered myself to several mind-blowing orgasms. As a single mother, you need to choose your partners wisely. Normal sex with a safe partner shouldn't cause any problems. You'll find that your body will readily respond. Fucking during pregnancy feels fantastic.

HAIR AFFAIR

My girlfriend bleaches her hair to look like Pamela Anderson. Her long, blond tresses turn me on. When she pulls down her panties, jet-black pubic hair jumps out. I want my girlfriend to dye her pubic hair. She claims the chemicals will burn her sensitive spot. Any advice? —R. L.
Aurora, Colorado

Your girlfriend is correct. She doesn't want to put caustic chemicals on her coochie. In California, many beach bunnies head south with a bleach bottle. Tell your girlfriend to shave her pubes and

leave a small tuft on top. She can then dye the remaining patch without fear of scorching her snizz.

CHEST TEST

My wife has implants. I love to titty fuck, but I'm afraid I'll rupture a bag with some harsh chest fucking. Should we worry?

—W. W.

Fairfield, Connecticut

No. Boob bangers should be gentle with brand-new breasts. Once the sacks settle, they become a natural part of your wife's anatomy. Short of slamming her air bags against a wall at 60 miles an hour, you needn't worry about a blowout.

REGGIE WHITE'S PAL

My friend from the South insists that black men and women are physically the best lovers in the world. What do you think?

—C. M.

Coffee, Alabama

Catch a clue, buddy. Your friend looks stupid arguing that one attribute holds completely true for the entire race of people. I know from personal

experience that not all African American men boast big cocks, but stereotypes exist for a reason. Coming from a very passionate culture, African Americans openly embrace their sexuality. But bad lays come in all sizes and ethnicities. When judging the quality of a lover, I always make decisions on an individual basis.

BACKSIDE STABBER

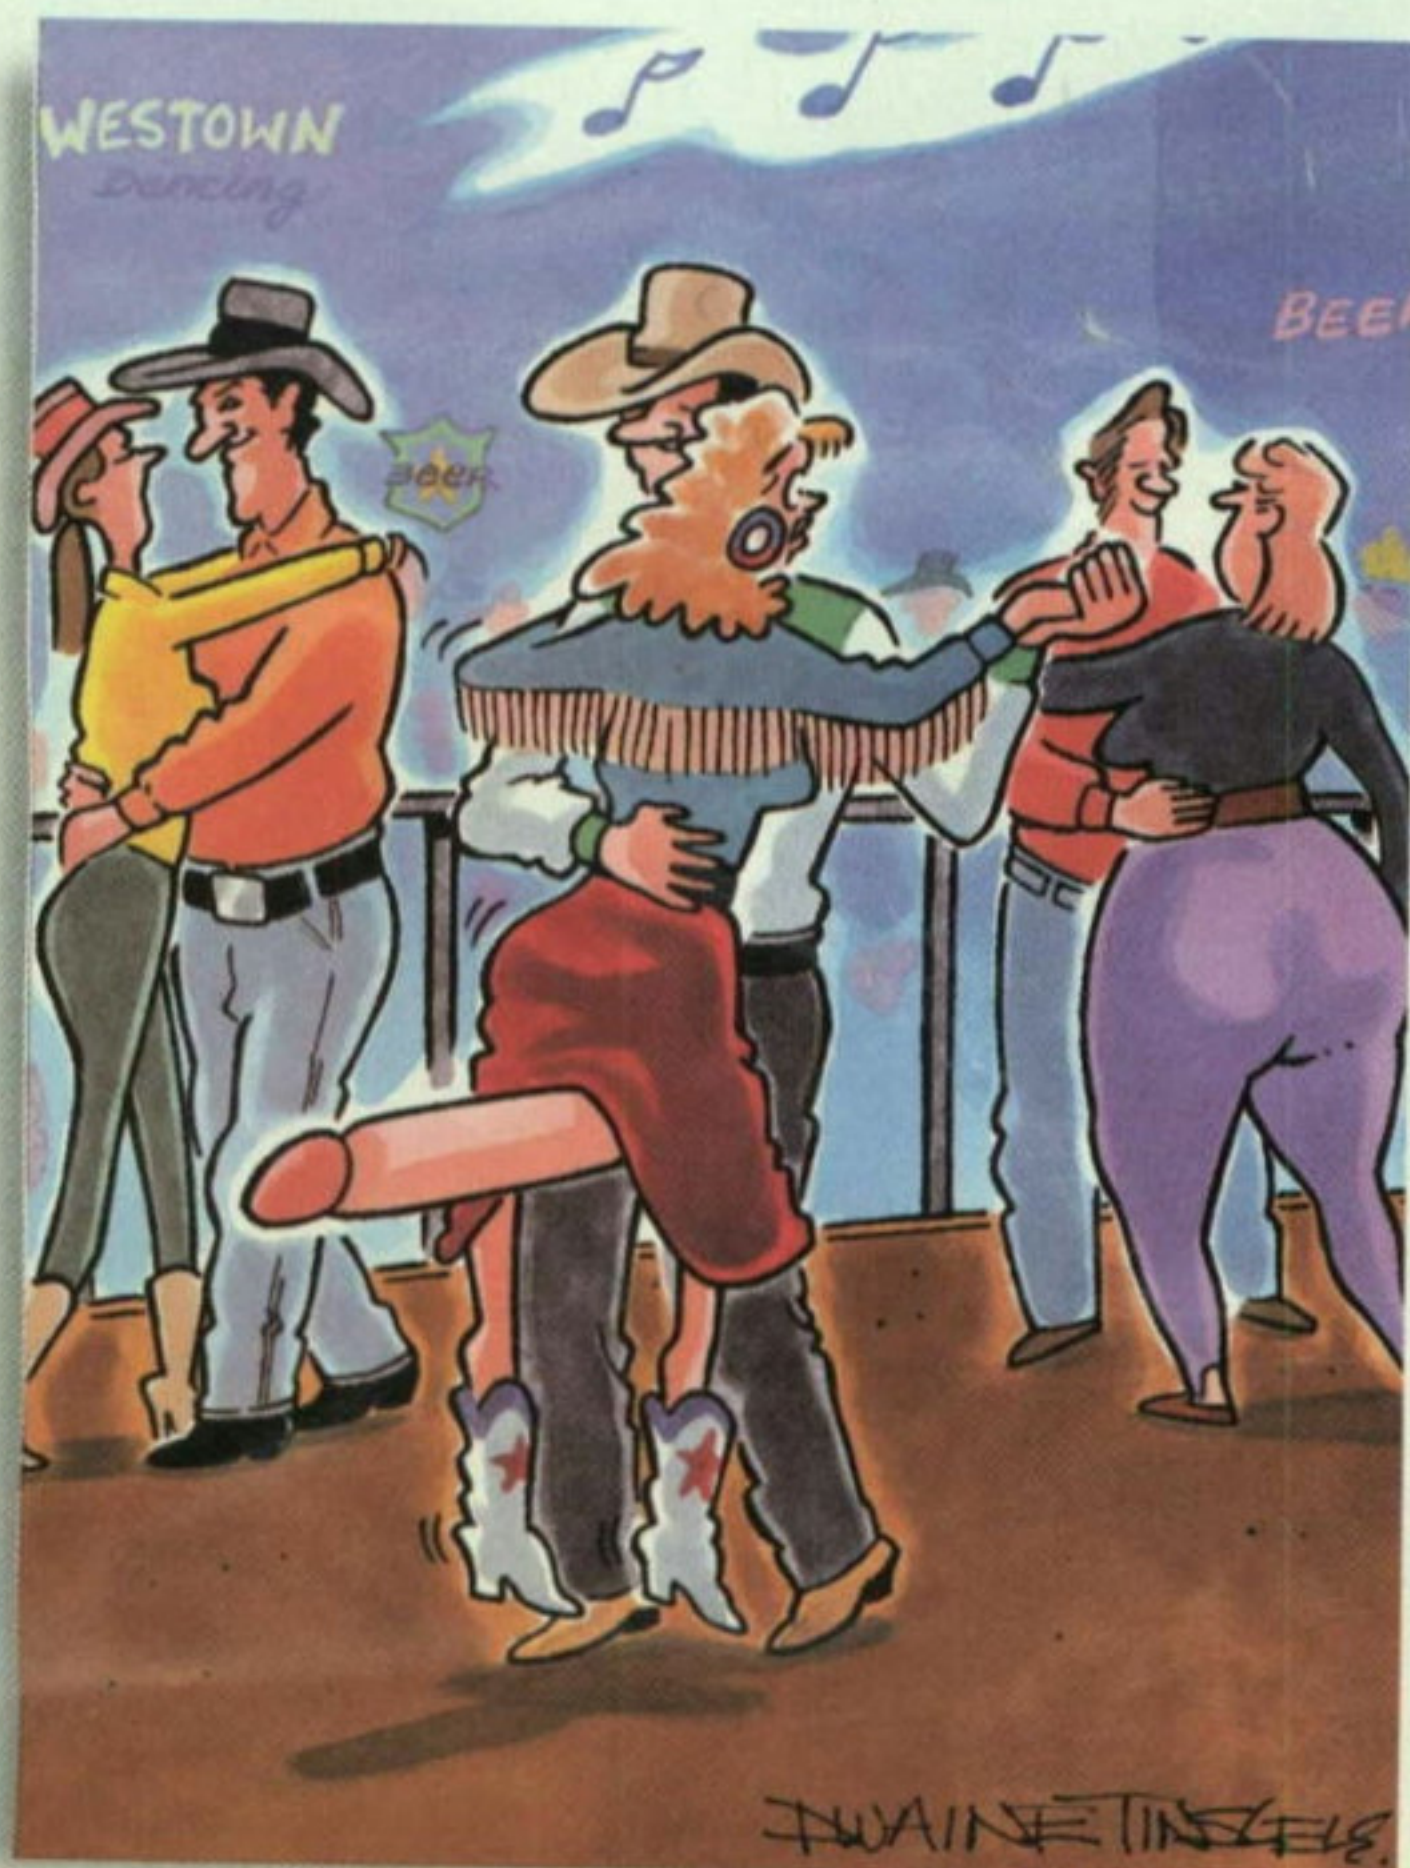

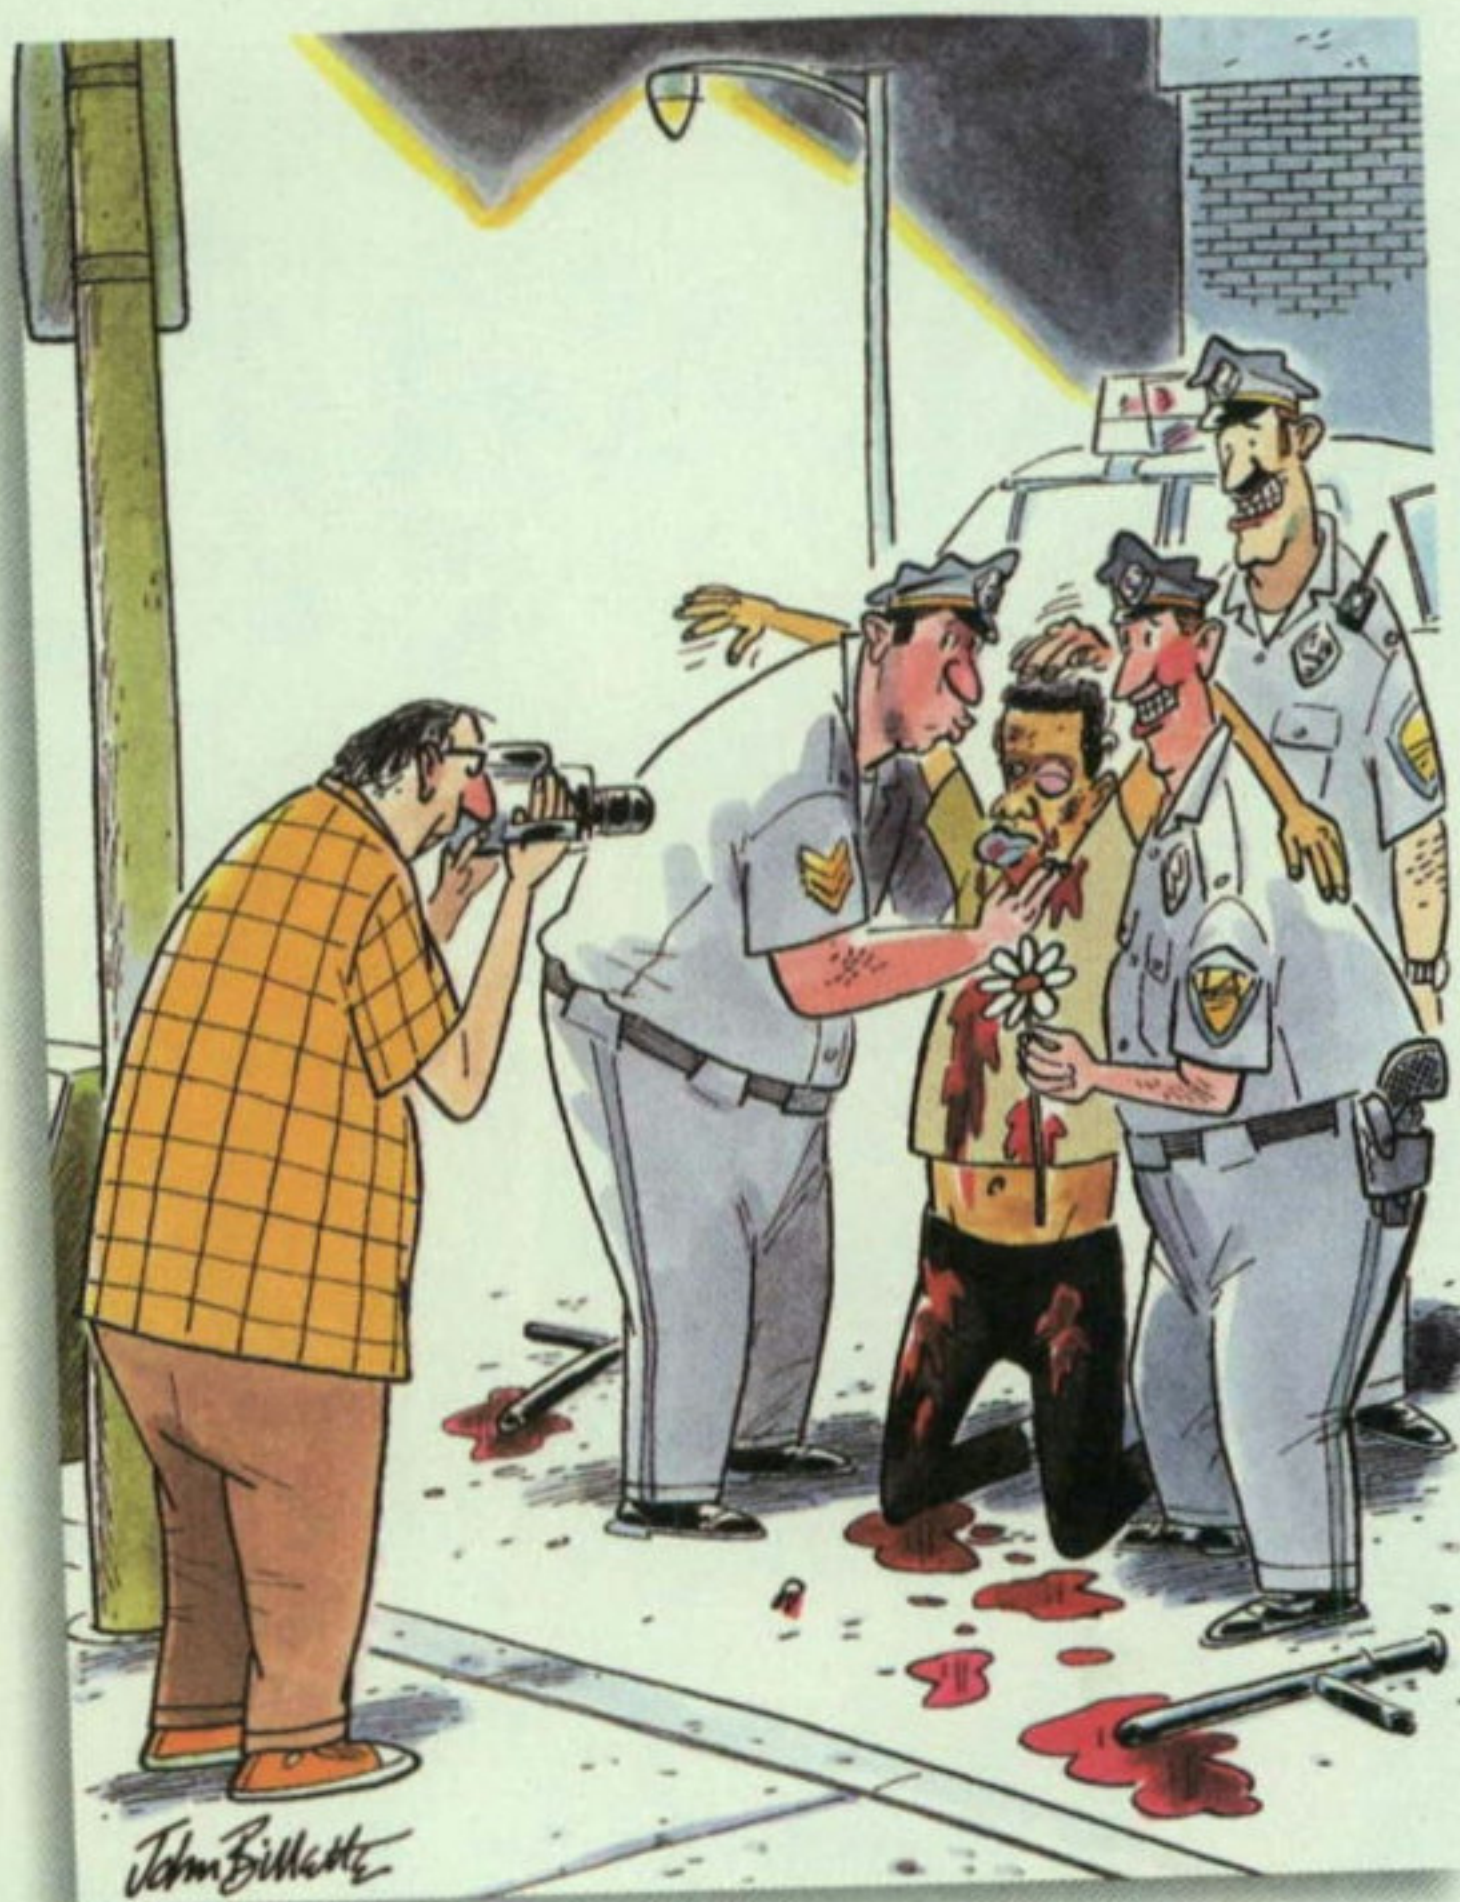

Jeanna, you've mentioned in your column several times that a man's clit is in his ass. I took your advice and experimented with my ex-girlfriend. She fucked my butt with a dildo. I loved the sensation. We've since broken up. My ex-girlfriend tells everyone at the local bar that I'm a fag because I dig dildos up my ass. What should I do? —D. J.
Tampa, Florida

I'm sorry your idiot ex-girlfriend fucked you over. Go into the bar with your head held high knowing that the majority of men chuckling at you probably went home and jerked off with a finger up their assholes after hearing the

Classic Cartoons

"Ed, wake up! The cat's got your balls again!"

PHOTOGRAPHY BY CLIVE McLEAN

Industrial-sex-club performers Claude and Yvette rehearse their S&M routine nightly. The hard-core act is a labor of lust.

"It is a privilege to watch you urinate, Mistress Yvette," grovels indentured servant Claude.

"If you weren't so worthless," snaps seasoned pervert Yvette, "I'd piss in your mouth."

"Is my dick worthy of your perfect pussy, mistress?" Claude growls.

"Your lily-white cock will never be enough to light my box," sneers the heartless dominatrix. "Ram that black dildo up my ass."

Claude guides the phallus into his co-star's dirthole.

"Shall I sodomize you again during the show tonight?" Claude asks his sadistic mentor.

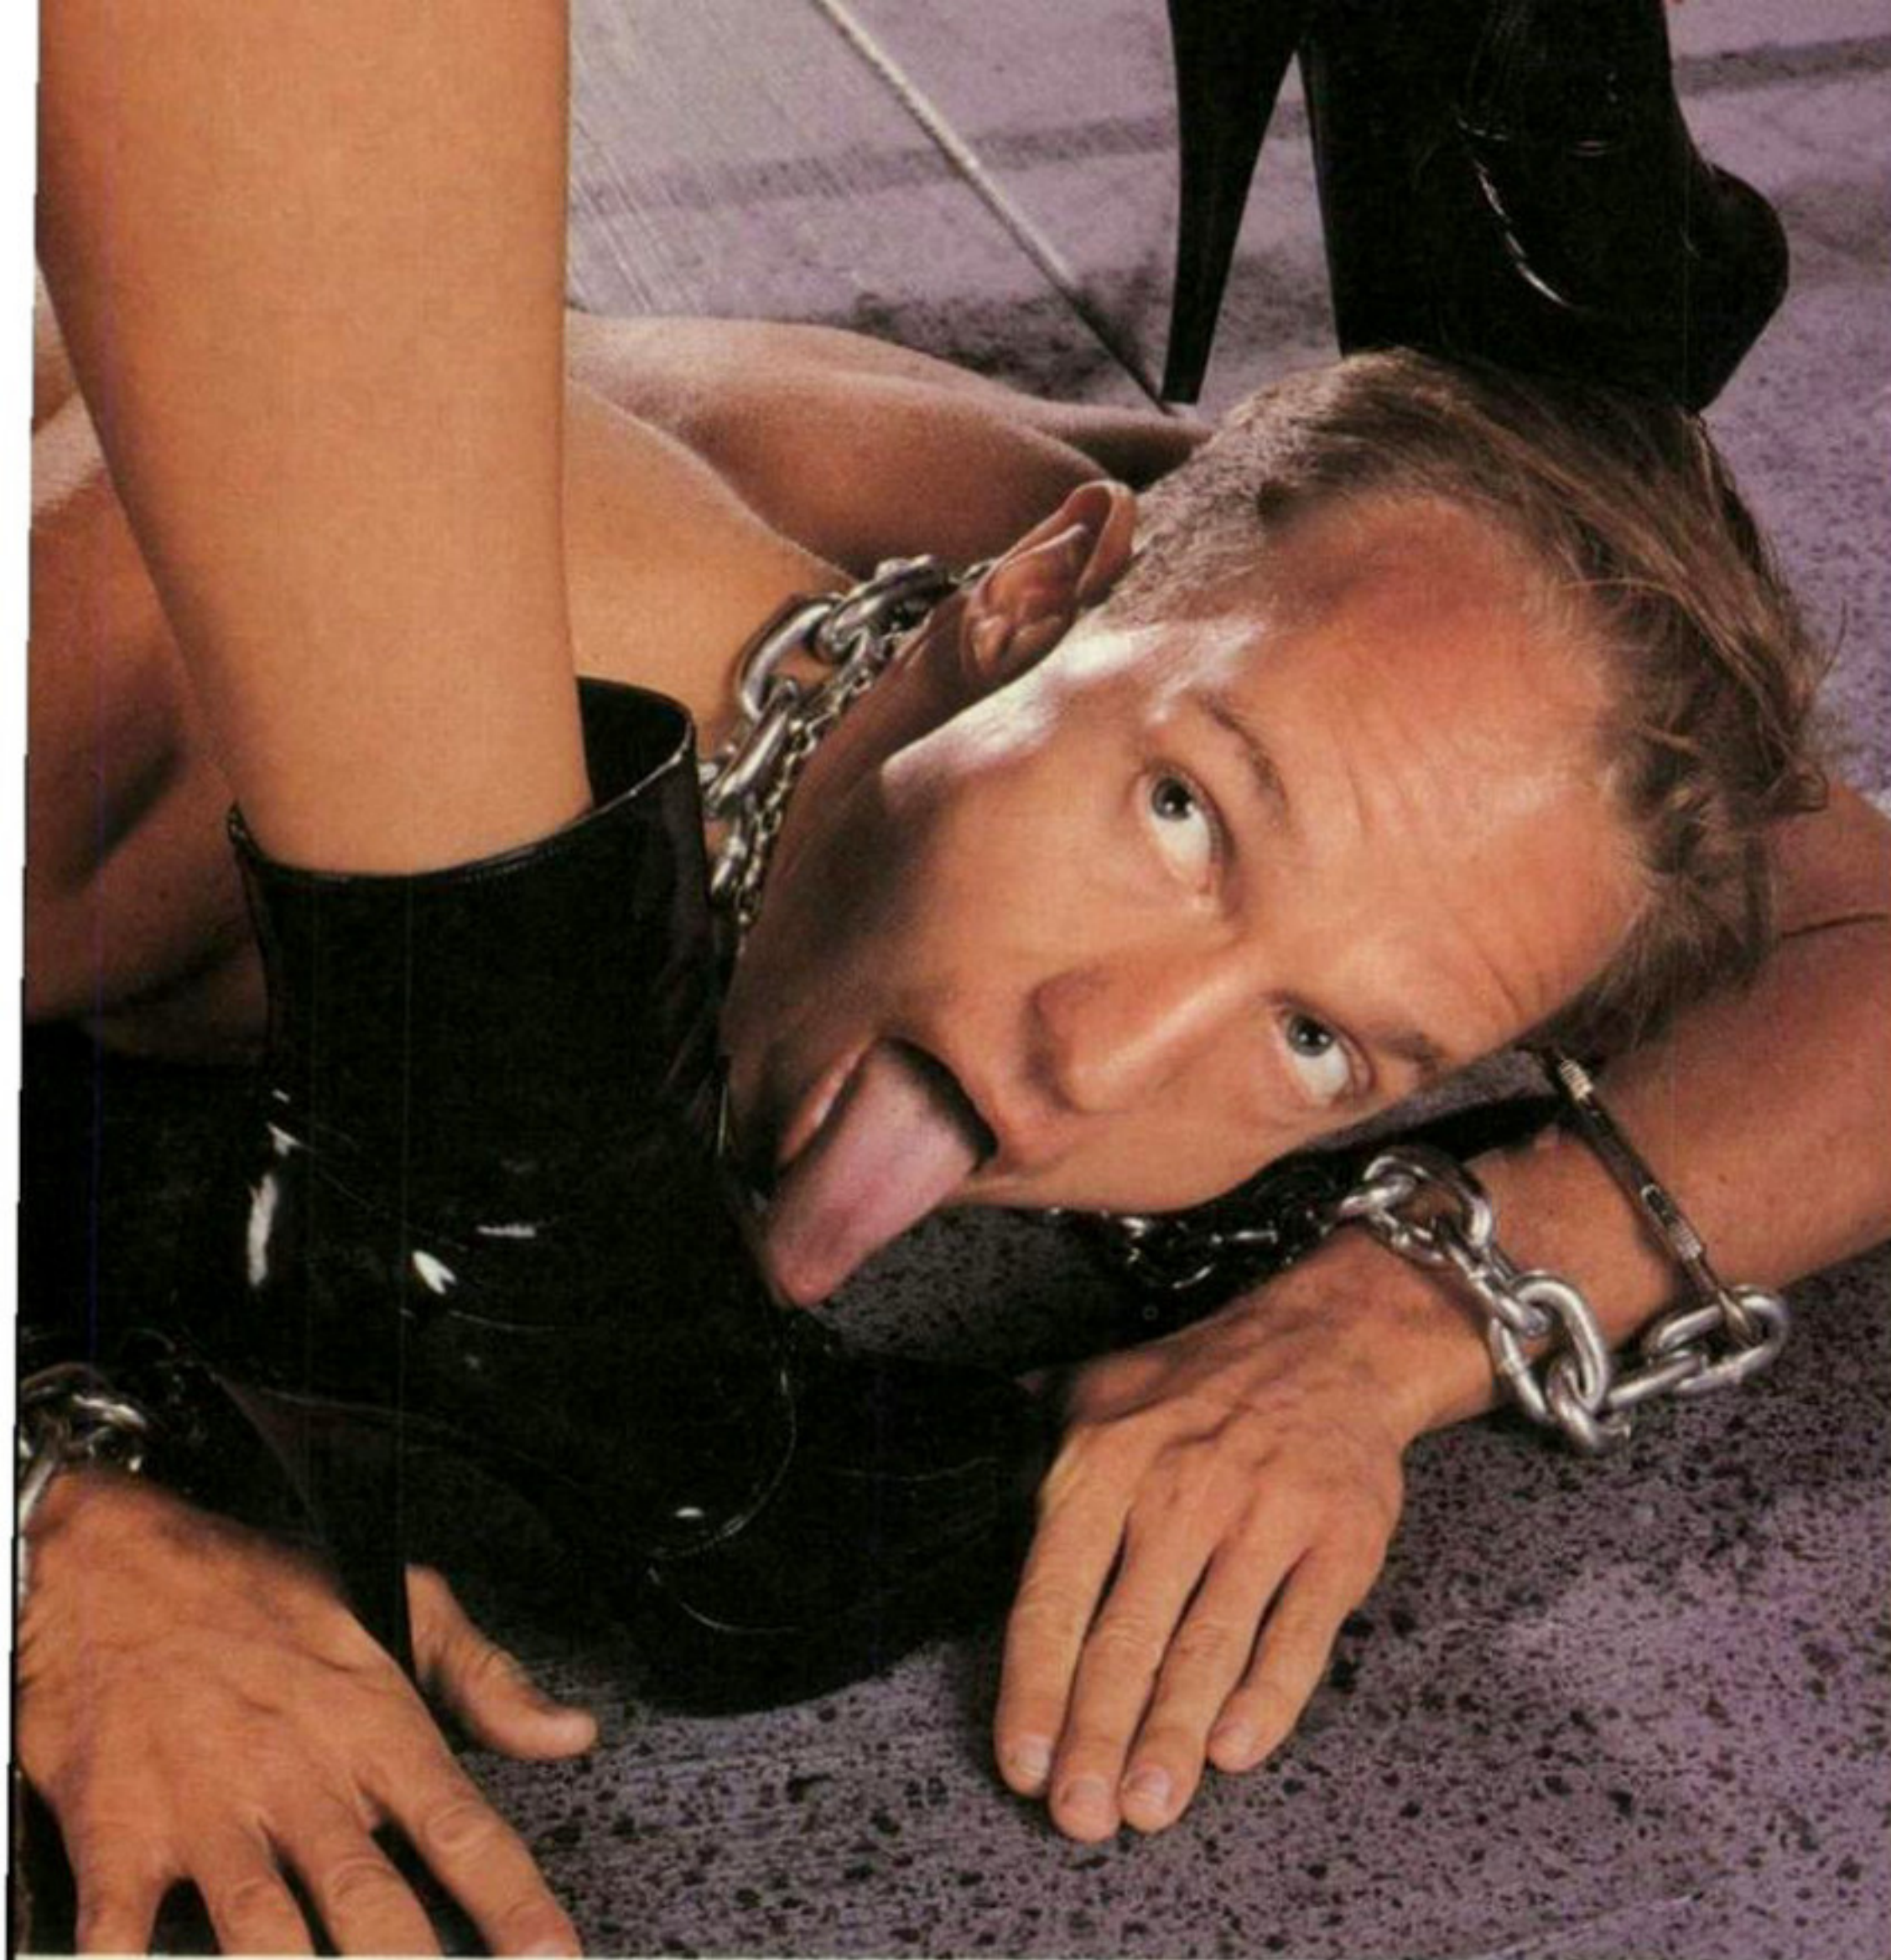

"Just follow your instincts," breathes Yvette. "Do whatever comes unnatural."

HOT SWEATY PHONE SEX WITH THE GIRL OF YOUR DREAMS!!!

Dear Slut

(continued from page 20)

Your crude comments suggest that you know nothing about on-camera sex or sex in general. I feel sorry for anyone stupid enough to sleep with you. You must bore people to death in bed.

gossip. Don't dignify your ex-girlfriend's comments. Anal pleasure from a beautiful woman in no way makes a man queer.

ASS ASSAULT

I am a 31-year-old straight man. I recently read in your column that women fantasize about rape. I also fantasize about being raped by men and women with strap-on cocks. Is something wrong with me?

—Q. T.

Los Angeles, California

Absolutely not. Both men and women fantasize about sexual domination. Don't be afraid to allow your fantasies to run wild. As long as you're not hurting yourself or anyone else, let your mind and fingers go nuts.

LONE LESBIAN

I've expressed interest in inviting another woman into bed with my girlfriend. My girlfriend says that lesbian sex disgusts her. Last week I came home early and found my girlfriend masturbating to a Bruce Seven lesbian video. If watching women fuck on tape makes my girlfriend's pussy wet, why wouldn't she want to watch other women fuck in real life?

—P. M.

via Internet

Your girlfriend's masturbation fantasies are her business, not yours. She's obviously working through some issues in her sexuality. We've all been aroused by people or situations that we would rather not admit to our lovers. You need to be patient and supportive while your girlfriend analyzes her conflicting feelings. Know if you pursued a ménage à trois with your girlfriend, the outcome would be unhealthy. Only extremely confident and secure couples successfully invite a third to bed without experiencing ill feelings. Next time your girlfriend masturbates to a Bruce Seven video, join her. That's the closest you're going to come to lesbian loving with your current partner.

CHERRIES IN A PIE

I'm an 18-year-old virgin. So is my best friend. Since we were kids, we've planned to lose our cherries at the same time. My friend lined up a prostitute that will devirginize us together. We want to stick our dicks in her snatch at the same time. What's the best position?

—N. K.

Lubbock, Texas

If the prostitute is a professional, she'll explain the preferred seating

arrangements. I caution you to practice extremely safe sex. Double vaginal penetration is like playing nude Twister—things tear. Move slowly and carefully as the three of you discover the most accommodating positions. I've never had two dicks in my pussy, but I know the fit will be snug.

CREAMY FILLING

When I fuck my wife, a creamy, white substance coats the lips of her vagina and the base of my cock. What is this frostinglike excretion?

—E. O.

Salem, Oregon

The white substance could be anything from normal female lubrication to a slight yeast infection. If your wife received a clean bill of health from her gynecologist, and she experiences no irritation when urinating, the white stuff is probably just natural secretions. If the two of you prefer less frosting on the cunt cake, I suggest that your wife rinse out her snatch with a mild vinegar-and-water douche before sex.

LAST IN LINE

Many readers write to you and inquire about acting in the porn business. You've stated that finding work in the adult in-

dustry is nearly impossible for a man. Why? Sex isn't rocket science. Pick a hole. Insert. Thrust. Repeat until climax. What's the big deal? If the line of people waiting to fuck on film is so long, why do so many dorks work in the industry?

—Anonymous
via Internet

Your crude comments suggest that you know nothing about on-camera sex or sex in general. I feel sorry for anyone stupid enough to sleep with you. You must bore people to death in bed. The reason only a handful of men successfully work in porn is obvious: Very few good-looking guys can repeatedly attain and keep wood under pressure. Fewer can faithfully pop in front of a camera crew while fucking in unnatural positions under hot lights. Porn isn't rocket science, but few men can dependably come on cue.

FEEDBACK

(continued from page 13)

the outstanding work. —D. P.
Stuttgart, Germany

HUSTLER'S LEG WORLD celebrates the extremities of beautiful women. Call 1-800-386-7595 to witness the amazing feats of womankind.

Triple Play

When will HUSTLER show a threeway that culminates in a hot pop-shot?

—A. B.
City of Industry, California

You almost missed the game, A. B. Jump back, and cover Heather, Missy and Luke: Tricks of the Trade in the October 1998 issue.

Rough Trade

HUSTLER will never be the nastiest magazine in the adult market until you shock your readers with men engaging in fellatio with other men. Is HUSTLER a pussy like other "men's" magazines that steer clear of male homosexuality? HUSTLER does not support the gay community by featuring carpet-munching lesbians. Real-life lesbian women, such as Ellen DeGeneres, Anne Heche, Chastity Bono and K. D. Lang, never read HUSTLER. I dare you chickens to show cocksucking men in the next issue.

—J. B.
Chicago, Illinois

You're correct, J. B. When it comes to printing pictorials of gay-man sex, HUSTLER simply lacks the balls.

Mud Honey

Has HUSTLER ever considered a layout of gorgeous girls playing around in the mud? HUSTLER mud honeys would be one hot ticket.

—S. R.
Macon, Georgia

HUSTLER shows plenty of messy sex, but the August issue of HUSTLER'S TABOO serves up the sloppy slice of mud pie you desire. Call 1-800-566-5760 to taste the forbidden.

Green Stalker

Visiting home on vacation a few weeks ago, I ran into a good friend of mine I hadn't seen in several years. She told me that she appeared in *Beaver Hunt*. I told her I didn't believe her. We made a bet. I wonder if HUSTLER could help me win the wager by locating the issue. Her name is Becky. She has long, sandy-brown hair

and a rose tattooed on her breast. She appeared between 1980 and 1989. Can HUSTLER help?

—G. R.
Anaconda, Montana

Out of consideration of contestants' confidentiality, HUSTLER never divulges any information about Beavers past or present.

Problem With Pictures

Looking over the August 1998 issue, I found that HUSTLER is essentially the same magazine it was during the late 1970s. But the trip down memory lane ended when I examined the pictorials. The girls used to communicate warmth and sexual promise. Now the models

look cold and motionless. —F. B.
Darien, Connecticut

The quality of our photography hasn't declined in the past two decades, F. B., but maybe your sexual appetite and eyesight have. If you're looking for moving pictures, they're called movies.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 8484 Wilshire Boulevard, Suite 900, Beverly Hills, CA 90211, or E-mail to hustler@lfp.com. Include a phone number if you want your letter considered for publication.

TURKEY SHOOT

My current girlfriend, Sunflower, is a kook and a goddamned hippie. Of course, you probably guessed as much based on her stupid name. It's embarrassing to introduce Sunny to my friends, but the sex is so hot and nasty that I'm willing to endure a few lame wisecracks about watering her flower.

One thing I'm not so happy to put up with is Sunny's incessant preaching about political causes. Upon insertion of my member in her dilated rectum, the lube-drenched love child will cry out, "Free Tibet!" If I pop a load across her broad, sexy face, she squeals, "Think globally!" Then I think about the enormous D-cup globes upon her chest, and I feel a lot less irritated. Get yourself a hippie chick, *HUSTLER* readers; it's worth the aggravation! In general, granola gals are so stoned, they don't care where you dip your wick. Besides, most of them were raised on love communes and started fucking early.

Sunny, for example, lost her cherry at a hippie settlement in Nevada. Although she was ridiculously young to be sucking the eight-inch cock of a filthy freak named Weird Beard, the only thing Sunny's mom and dad had to say was, "Far out!"

Now the ultrapermissive parents wanted their daughter and her "old man"—me, not Weird Beard—to attend the commune's Thanksgiving dinner. I was nervous about meeting Sunny's extended family—until I realized I could

probably shove a drumstick up her snatch at the dinner table without raising a single eyebrow among those burnouts. In a strange way, I raised wood on the thought of mauling my girlfriend's melons in front of the pathetic old farts who raised her. Maybe the cheap, quasi-incestuous thrills would make up for choking down tofu and soybeans.

Little did I realize that Dad—or Bear, as he's known among the patchouli set—had planned a special Thanksgiving protest outside the local slaughterhouse. Not only was I forbidden to eat turkey on Turkey Day, but I was scheduled to watch Mexican wage slaves wring the gobblers' necks. The Pilgrims would be pissed if they knew what this country has become. I silently promised to blast gonad gravy all over Sunny's face in the name of Miles Standish.

"This is genocide, man," whined Bear

through a cheap bullhorn. Trucks jammed with livestock roared past our picket signs, delivering dumb animals to the axe. "That meat in your mouth came from a living, feeling being. His blood is on your hands!"

"Or her blood," chided Sunny's hairy-legged mom, Jean. Actually, she didn't look half bad for an older, hirsute, ball-busting bitch. I was calculating the mathematics of a mother-and-daughter ménage à trois when a hand patted my raging crotch.

Manual examination of the growth in my shorts prompted Sunny to whisper, "Wow! All this talk about meat in the mouth and feeling beings must have you pretty excited too." Intrigued by her commentary, I snuck a subtle hand beneath the high-riding hem of Sunny's sundress. Of course, her lower regions

HUSTLER Letters Volume 2

**FULLY
ERECT**

Directed by Jon Dough; starring Alyssa Love, Cannibal, Tera Hart, Kelli Cage, Holli Woods, Jake Steed, Brad Armstrong, Dick Nasty, Derrick Lane, Jon Dough and T. T. Boy. Videocassette: Vivid Video.

Displaying Frankensteinian genius, director Jon Dough breathes life into the lewd and crude letters that have simultaneously stimulated and repulsed HUSTLER readers for more than two decades. Dough recreates five scenes of coitus correspondence culled from recent issues of America's Magazine. In "My Cunny Valentine," Alyssa Love manipulates T. T. Boy's mammoth meat marionette on strings of saliva. He buries his sizable snicker in her cherry and mud pies while she crams another zinger in her greedy yap. A fat dick bruiser, in the role of "the Iceman," numbs Holli Woods's caramel-capped chest whammies. Woods giggles like a naked child playing in the sprinklers, then licks the Iceman's vanilla popsicle from pink cap to furry base. The Iceman cometh in a blizzard of splooge across Woods's ultrafine face. *HUSTLER Letters* delivers the goods. —Mitch Shepard

HUSTLER LETTERS: Feeding time for Cannibal.

HUSTLER LETTERS: Cage serves tasty shithole.

HUSTLER LETTERS: Dough conducts Vulcan mind meld with Hart's ass.

How Much Can

Six Cunts Take?

Sluts Compete in Gang-Bang Championship

John T. Bone, producer of the *World's Biggest Gang Bang* series, pulled off another publicity scam designed to boost the sales of his Cream Productions raunch videos this past May 2. Bone put on the first annual Gang Bang Association of America Semi-Finals Bang-Off. The opportunity to screw and sodomize six B-girls from the adult-entertainment industry drew more than 50 select male specimens culled from jerk-off booths and unemployment lines across Southern California.

The clusterfuckers gathered at a San Fernando Valley soundstage, presented their AIDS tests and descended on the six individual harlots in waves like odd, two-legged flies swarming fresh turds.

Female bodies were obscured by oscillating male asses. The penis owners drilled into the three holes each porn skank offered. Behind the fuck piles, lines of mouth-breathing mooks stood waiting their shots, ogling and pulling their puds, oblivious to the homoerotic implications of being in a group of naked men all jacking off together.

"This is disgusting!" gargled a sinewy, blond cum dump named Cassidy. She

spat out a stranger's putz and quit the competition after being cornholed by only ten to 15 participants.

A panel of esteemed judges, a motley, misshapen bunch who resembled overnight guests at a county drunk tank, kept score. The carnage continued for more than three hours.

Kendra Jade was declared the gang-bang winner. According to the judges' tally, the 50 participants copulated with Jade's vage 80 times and butt-fucked her 34 times.

Kendra lolled in a sea of dick slop, sharing her victory with her stepmom, Kelly Jade. A goon standing nearby politely inquired if he could stick his toe into Jade's dribbling, stretched-out bung hole.

"My stepdaughter ain't no whore!" Kelly Jade shouted protectively over the sperm-fouled body of her first-prize-winning stepdaughter.

According to published tabloid reports, sloppy seconds went to talk-show host Jerry Springer, who was allegedly caught naked in a hotel with the mother/stepdaughter team, Kendra and Kelly Jade, after they appeared on his show following the gang-bang.

I've Got Milk

ONE-QUARTER
ERECT

Directed by Cash Markman;
starring Tabitha Stevens, Jacklyn Lick,
Candy Vegas, Anna Malle, Timber,
Ashley Renee, Herschel Savage,
Blake Palmer, Ron Jeremy
and Captain Bob.
Videocassette: Dreamland U.S.A.

I've Got Milk is a fake. Milk-swollen mounds squirting healthy streams of mama's cream are expected; curdling views of stretched-out, droopy, skin-blotched porn skanks are delivered. Where's the milk? A tight shot is repeated: A yellowish, crinkled nerp is pinched until it yields a foul dribble of brackish fluid that looks like pus. Is this what comes out of tits after mama's had an abortion? A riff on the *got milk?* TV commercial opens each scene: A schlub runs out of milk while eating a doughnut. A saline-pumped XXX bitch offers a squirt. An off-camera boob splashes cow milk on the schlub's face, and vile copulation ensues. Ron Jeremy blows his wad on a slice of chocolate cake, then looks longingly at the mess as if he wishes he could eat it. Tabitha Stevens presses her beak into the fouled cake and tongues Jeremy's scum. *I've Got Milk* is rancid. —Mack Assarian

Anal Asylum

HALF

Directed by Roy Karch;
starring Roxanne Hall, Serena,
Dakota, Kimi Ji, Phyllisha Anne, Kiki,
Carole Comms, Katalyn, John Decker,
Valentino, Rod Fontana, Matt Jade,
Brian Surewood and Spartaco Emon.
Videocassette: Sin City.

Porn bitches in a mental hospital. A highly believable premise. *Anal Asylum* is hampered by a shaky start that features a prancing Negro with tits who gleefully wags his willy at the camera. The foulness of that vision is washed away by the bucket of oil dumped over the booty of a black bitch subdued in a straitjacket. Three pricks dip into the lubricant as

they journey to the center of her shitter. The grueling anal gangbang closes nicely as the trio of schlongs piss white into the silly gape of black bitch. Two Cro-Magnons, playing boobie-hatch attendants, assail a caged confectionary blonde, pinning her down by her udders as they utilize her cunt and crapper for a cum-rending DP. The director strives for artiness by hanging rubber phalluses from the walls of the asylum and having transsexuals and bald-headed weirdos dance to the disco theme song between boppings, but the effect is pure gayness. A little fast forward is required medicine during a visit to *Anal Asylum*. —M. A.

Hot Bods & Tail Pipe Volume 2

THREE-QUARTERS

Directed by Stoney Curtis;
starring Ruby, Montana Gunn, Candy Hill,
Sydnee Steele, Shelby Myne,
Raquel Devine, Phyllisha Anne, Inari,
Teri Starr, Meka Johnson, Tom Byron,
Mark Davis, Frank Towers, Kyle Stone,
Dave Hardman, Sledge Hammer
and Brandon Iron.
Videocassette: Seymore Butts Home Movies.

Two guys with comparable looks hunt for cunt. One drives a Porsche; the other rides a Pinto. Who's going to pull more pussy? In the cutthroat contest of scoring whores, a slick ride is like taking a switchblade to a fistfight. *Hot Bods & Tail Pipe* runs balls out with this truism, employing cherried-out chariots to corner cooze. The video shifts into high gear as Teri Starr nibbles Tom Byron's balls like a slobbering pup on master's bone. Byron parks his pecker in Starr's gushing gash garage. Her mouth gapes open similar to a trout heaving bloody guts and a barbed hook. In a '46 Mercury, Inari skillfully siphons semen out of Brandon Iron's lowrider. He overheats and busts a head gasket on her cheerleader smile. Inari flicks a frog's tongue of sticky cum more than six inches long that sticks to Iron's heaving belly, then slurps the string down like spaghetti. Throw rods to *Hot Bods*. —M. S.

I'VE GOT MILK: Stevens samples bung-flavored cocksicle.

A Case of Terminal Love

THREE-QUARTERS
ERECT

Directed by Jim Enright;
starring Nikki Lynn, Alyssa Love,
Chloe Nicholle, Toni James, Alyssa Allure,
Stephanie Swift, Mila, Tony Tedeschi,
Tom Byron and Peter North.
Videocassette: VCA.

Few experiences catapult a man out of his dreary existence by inspiring feelings of absolute power and control over his destiny: barbecuing the perfect steak; knocking out a barroom bully; and peering into the soulful eyes of a gorgeous woman sucking your cock. Clear camera work captures Chloe Nicholle's velvet-soft mouth hoovering Tom Byron's massive dong. Cheeks stretched with schween, Nicholle's mixed expressions of awe and delight suggest the lithe beauty believes the key to life's existential riddle hangs between Byron's legs. Byron throws Nicholle on a desk and pins her frail arms behind her head. He gently pushes back sweaty strands of bread-crust-colored hair before splaying her meaty labes. Byron spelunks her creamy shit cave. Orgasms wreck Nicholle like a twister in a trailer park. *A Case of Terminal Love* nearly realizes a penis's full potential. —M. S.

Fresh Pink

THREE-QUARTERS

Directed by Tim Lake;
starring Avalon, Carla, Paulina,
Christina, Ana, Babette
and uncredited fuckers.
Videocassette: Xplor Media.

A brunette with natural, bell-shaped creamers giggles nervously before curling up in a 21-year-old blonde's ass crack. The shy giggler smooches until her girlfriend's butt cheeks are smeared with lipstick. Both chicks are amateur tramps performing their first on-screen lesbian licks in *Fresh Pink*, a video that fulfills its promise of newbie nubile performing acts of untutored and unprofessional perversion. Young, alluring, skin-inked degenerates of Gen-X slurp ball sacs, impale their poopers with plastic and/or flesh prongs and suck white gummi worms of spunk in each impromptu boffing. Ana, a crazed hottie who looks like a fleshed-out, tattooed Betty Boop, employs her gums, tongue, baby chute and poop pipe to squeeze every last drop of manhood from her boyfriend's lucky dingaling. Ana's performance satisfyingly explodes balls. Rewind Ana; beat again. Rewind. Ana. Beat. Rewind. *Fresh Pink* is habit-forming.

ANAL ASYLUM: Dakota's blond behavior.

HOT BODS: Starr and Steele.

FRESH PINK: Ana is cute, friendly and eager to butt-fuck.

Trial

Larry Flynt Indicted: Faces 24 Years for Sale of Adult Videos

Larry Flynt, HUSTLER Founder and Publisher, faces a 24-year prison sentence for selling adult videotapes at the Hustler News & Gifts store in Cincinnati, Ohio. Flynt was charged with a 15-count indictment on April 7, 1998, related to the sale of 16 videotapes that law enforcement in Cincinnati branded obscene. Titles include *Pam and Tommy Lee: Hardcore and Uncensored*, *The World's Luckiest Man* and *Rocco More Than Ever Part 2*. These videos are widely available in other parts of the nation, but U.S. citizens in Cincinnati are less free. Thanks to a loophole in the First Amendment of the Constitution, known as the "obscenity exemption," local politicians, police and politically connected activists have the power to dictate

what citizens read and view in the privacy of their own homes and incarcerate those who don't knuckle under.

Flynt's trial, set for January 19, will challenge the obscenity exemption to the First Amendment and powers of local police to lock up American citizens for reading and viewing banned materials.

Cincinnati was the scene of Flynt's 1977 obscenity conviction, later overturned, for selling HUSTLER.

For complete details on the upcoming trial, comprehensive background on Flynt's legal history in the United States and uncensored access to all trial documents, visit: www.flyntontrial.com.

Ruby's Swap Meat Chicks

THREE-QUARTERS
ERECT

Directed by a Horny Little Man; starring Ruby, Sydnee Steele, Allysia Chaynes, Tricia Deveraux, Lauren Montgomery, Nellie Pierce, J. J. Michaels, Steve Drake, Nick East, Michael J. Coxx, Frank Towers and Billy Glide. Videocassette: VCA.

Big schnozzes aren't so bad. Sydnee Steele's honker is so humongous, it's a wonder that cocks don't accidentally slide into her nostrils and become lost when she's giving head; but she looks great, like a horny, Arab chick, or some other desert-tribe descendant, who had her tits blown up with so much plastic, they must have killed 50 Barbie dolls to make them. Steele begins *Swap Meat Chicks* taking it up the ass in the back of a sport utility vehicle. Some might say a snoot like Steele's is ugly, but it looks pretty good running with post-ass-fuck dick snot. Some might also say a triple-X video about hot chicks being royally fucked in parking lots outside of swap meets is stupid. So is jacking off to a TV screen, but it does the job. Not all of the hootchies in *Swap Meat* can boast of owning beaks bigger than a dodo bird's; some, such as young, raven-haired dick-gobbler Nellie Pierce, are just plain beautiful. *Swap Meat Chicks* is a bargain for jerkoffs. —M. A.

Sticky Fingered

THREE-QUARTERS
ERECT

Directed by Barry Wood; starring Nici Sterling, Jessica Darlin, Taylor Moore, Shawna Edwards, Angelica Sin, Roxanne Hall, Joey Edwards, Steve Hatcher, John Decker, Rich Handsome and Wilde Oscar. Videocassette: Elegant Angel.

People employ selective memory when recalling childhood stories to glorify their paltry pasts. In *Sticky Fingered*, video vixens attempt to replicate their first sexual encounter for the camera. Although none of the sizzling star-

lets mention good old stepdad when describing their initial orgasms, the viewer forgives white lies. Tawny-skinned Taylor Moore evidently lost her cherry to a couple of sex maniacs, as recreated in a mind-blowing threeway with Roxanne Hall and John Decker. Moore yips as Decker pounds the constricted sphincters of her baby-soft bottom. After schtupping Moore's doggy door, Decker dumps dick slop on Moore's tummy. His wad slides down her stomach like a slug chasing gravity and drips into Hall's yearning craw. Jessica Darlin reenacts her first finger fuck in her gooey number-two slot. *Sticky Fingered* accurately describes the viewer's post-video palm. —M. S.

Brianna Lee's Red Hot Weinie Roast

ONE-QUARTER
ERECT

Directed by Marc Giffy; starring Brianna Lee, Lola Shores, Taz, Aurora, Angel, Dean, Rock and Colonel. Videocassette: Sin City.

Limited budgets force directors to make concessions with talent. Unable to afford top-bill booty, the director often trades quality for quantity, hoping to distract the viewer from the sub-par pussy with a parade of poontang. The last place in the ugly pageant, Brianna Lee does her best to overcome the odds of affiliation with the brute crew. Looking like a harried housewife, Lee serves her raw honey-baked ham for two hole-hungry mooks. A pant pipe plows deeply into her taffy-colored coochie. Unforgiving fingers tug and pull her lumpy, freckled udders. Another cock invades her esophagus. Lee desperately huffs and puffs like a long-distance runner gulping air after blowing a race. Later, Lee plays tug-a-whore with a blond skank. They fight over a double-dong dildo like two cross-eyed chickens feuding over a sun-baked worm. *Red Hot Weinie Roast* never heats up. —M. S.

WIRED: Johnson smiles for the camera.

ONE-QUARTER
ERECT

Directed by Jeff Nichols;
starring Dru Berrymoore, Riana Star,
Sabrina Johnson, Tyler, Teri Starr,
Brick Majors, Brian Surewood,
Brandon Iron, Marc Wallace and
John Decker.
Videocassette: Puritan/Legend.

If *Wired for Sex* is a facsimile of future fucking, the world's population will certainly dwindle. Like a quick-dicked dork, director Jeff Nichols blows his entire wad on *Sex*'s first scene. Less original than a callow teenager's spoofing of a Nine Inch Nails video in a suburban garage, Nichols suspends Dru Berrymoore's acne-peppered ass in midair with leather straps, plastic hoses and wires. As if preparing to clean a septic tank, her partner dons heavy-rubber gloves. He digitally inspects her flabby, bruise-colored cunt with unfeeling fingers. She wiggles in faked ecstasy. He plugs her lap gap with a transparent dildo to the garbled soundtrack of dumbass trance music. He shines a light down her fuck hole with all the titillation of an exterminator searching for roaches. Subsequent scenes suck worse than the first. *Wired* blows a fuse and remains powerless. —M. S.

STICKY FINGERED: Shawna Edwards enjoys the great outdoors.

Videocassette: Private.

Private Geographic is a penetrating anal documentary of international fuckers captured around the world. Open on a yacht anchored in the territorial waters of Brazil. Languid, tropical bitches hang against the rails, waiting for penises to be inserted into their mouths and holes. A handful of dudes feasts on the abundance of exotic cunt. Nipples black as boot rubber stretch between a white man's teeth. Fat, pointy whoppers grow naturally from the thin torso of a blue-eyed, Caucasian girlie girl; two Euro mooks fondle and tug girlie girl before piling into her bung. The multiethnic orgy in Brazil cuts to a gang-banged white chick in Africa, to a pair of sinewy tramps who grin from between their legs as a camel jockey mounts their turd rings in the shadow of the Pyramids. The trip to Hawaii falls short when suspect "native girls" in fake-flower leis turn out to be synthetically stacked U.S. porn bitches in disguise. *Private Geographic* doesn't quite make it all the way to Fully Erect. —M.A.

Cox, Mickey G., Marc Wallace, J. J. Michaels and Wilde Oscar. Videocassette: Wicked Pictures.

First impressions can be wrong. *Suite Seduction* looks like a drag. A couple of sagging, old XXX slatterns show up for the initial humpings; they could scare off co-stars in a Tijuana donkey show. When the porn biddies exit, the view improves. Enter mulatto masterpiece Dee, romping naked with chinless cutie-pie Serenity and a horndog

soon to be doubly blessed. Heaven appears as the purplish, almost eggplant-colored squiggle between Dee's mocha-java thighs. Horndog enters the slimy gates. Serenity patiently awaits her turkeyneck stuffing by sucking on Dee's squishy mound. Horndog burrows into both joy holes before coating the two beauties with jets of scum. Obscene dream girl Roxanne Hall bangs into a trio of dorks and squeegees each veiny shaft in her slice until comingling gene pools splash and dribble across her writhing tummy. Raylene's knockers shoot up from her chest like rockets. Raylene looks proud, but is soon brought low, wedging her face into a gal's cunt and gnawing her genitalia like an animal. Boner saws in and out. What a surprise. *Suite Seduction* is sweet. —M.A.

"I mean really gobble! Make a gobbling sound like a turkey. If you do, I'll climax...and you can shove it up my butt for as long as you want. Oh, God, please!"

were devoid of underwear—and the fluffy, blond pubes surrounding her slit were positively sopping! That's another advantage to boffing a hippie chick: Anything and everything turns her on. A gentle breeze can set off a four-alarm fire between Sunny's thighs; so can the sound of a car alarm. The only way to douse her flame is with squirts from my hose...even if the mighty tool must be whipped out in public.

"Come on," I muttered, leading Sunny away from her unwashed brethren. "I saw a back door we could sneak through to fuck inside the slaughterhouse."

"Ooh," cooed the hot-and-bothered hippie. "Back door." Her twat audibly gushed as I forced open the rusty emergency exit. I had to wedge in—and wedge into Sunny's backside—before her anal craving subsided. Unfortunately, she can be kind of flaky that way.

The stench of sulfur and death within those walls was none too arousing. Neither were the random piles of guts that marked the tile floor like a gizzard minefield. Despite the rancid sensory assault, my cock has never been harder. I wanted to find a meat locker or well-concealed trough to lay down Sunny's wispy, 5-8 frame and pound her cunt with my tenderizer. Loud gobbling sounds clued me to a storage room containing no witnesses—except for eight imprisoned turkeys. Might as well send them to the grave with the memory of Sunny gobbling my johnson.

I locked the door. My slaughterhouse slut fell to her knees and freed her healthy, glowing bosom. What a pair Sunny possesses! The nipples are darker than her pale skin; in fact, both spouts are nearly brown. Freckles dot the cleavage of her mammarian valley. I reached down for a handful of teat; my kneading and groping caused Sunny to gasp and unzip my fly.

"God knows I'm devoted to vegetarianism," she huffed, wrapping her fingers around my girth and stroking out a pearl of pre-cum. "But I love swallowing your sausage!" With both hands firmly planted on Sunny's golden head, I pushed the tip of my dick past her lips. Air pressure caused her throat to make a loud gulping sound. She struggled not to gag as I continued past her tonsils; saliva burbled to her mouth and drooled in waves over every rigid inch.

Ever the gentleman, I waited until Sunny's esophagus was comfortably wrapped around my pecker before fucking her face. Each thrust of my hips was met by her noisy slurps and smacks.

Sunny dug her fingernails into my ass cheeks, and I grunted in pain and pleasure. The commotion caused the turkeys to gobble, squawk and rattle their cages. Apparently, those fowl perverts were appreciating Sunny's technique.

They weren't alone. My toes curled beyond control. If Sunny kept the blowjob at such a frantic pace, I'd hobble back to the protest with a foot cramp. Rather than risk injury, I pulled out of her mouth, slapped my wand across both fat boobs and yanked Sunny to her feet.

I was about to mount her from behind when Sunny begged, "Wait! Please lick my pussy. Just until I cream, okay? Then you can come in my asshole." Fair is fair. I kneeled and stuck my head under her flimsy outfit. A good degree of crouching was necessary before my tongue was perfectly angled upward within Sunny's love walls. She shook her pleasing rump and practically sat on my face; the way Sunny digitally frigged her clit, I knew the afternoon's first orgasm was imminent. Tension clamped her womb as if the vage muscles were battling against my oral explorations.

"So good," Sunny wailed. "Now gobble!" Obeying her command, I sucked and chowed at her rubbery labes more voraciously than before. Suddenly

Sunny's loins stopped pivoting, and she exclaimed, "I mean really gobble! Make a gobbling sound like a turkey. If you do, I'll climax...and you can shove it up my butt for as long as you want. Oh, God, please!" It's humiliating when I consider the ways I've debased myself for tail. Squatting down to munch rug among entrails and bird dung is bad enough; being asked to top the encounter with a Tom Turkey imitation is almost too painful to recall. I went through with it...but I'm not proud.

"Brrrrgle, brrrrgle," I choked, a rather poor mimicry due to the scrunt crammed in my yap. Sunny offered no criticism; instead, she screamed and convulsed. No matter how much she ecstatically twitched, I kept my tongue firmly buried within her crevice and gobbled in an increasingly assertive manner. Soon, every other turkey in the room chimed along. The orchestra of poultry brought Sunny to her own crescendo.

She proclaimed, "I'm coming!" For once, the politically correct conch was too wrapped up for orgasmic sloganeering. Incoherent screams of joy were all she could manage...and it only took a roomful of barnyard animals to accomplish. Sunny's pussy lips lay dead-tired

The woman may have been blessed with the body of a brainless bimbo, but Fawn's IQ was actually bigger than her cup size. She knew exactly what I was up to.

on my glistening chin like a pink waddle.

Unfortunately, the police kicked the door in before I pumped her butt. We spent the night in a jail cell, along with the rest of the protesters. Actually, it wasn't such a bad Thanksgiving; at least County serves a turkey dinner. And I persuaded Sunny's mom to suck my cock right after I withdrew the steaming love log from her daughter's asshole. —P. K.

MUSTACHE RIDE

Some guys call it a flavor saver; others, a womb broomer. I simply refer to the hairy growth upon my upper lip as my lucky mustache. Since I grew that three-inch strip of fur, I've attracted more trim than I imagined possible. Hell, I'd sprout the full beard, but I'm afraid the ensuing stampede of pussy would cause me to die of exhaustion!

There are chicks who claim facial hair is out of style. I love hearing that from some trendy, uptight coed at the bookstore where I work. Nine times out of ten, the same know-it-all will end the evening by straddling the offending fashion statement as I orally stimulate her to a life-changing climax. Don't mess with the 'stache, ladies; Fawn did,

and now she's suffering severe withdrawal symptoms from my refusal to provide her with dick.

I first laid eyes on Fawn when she asked for a book about the Kama Sutra. My ears perked up almost as much as my groin. Picturing the hot, olive-skinned tramp in contorted positions made my heart race. She looked so prim and proper in a smart business suit, with jet-black hair pulled into a tight bun. A horny, curvaceous slattern lurked behind Fawn's professional facade; otherwise, why would she study to fuck like a wog?

"That book is useless," I insisted, imperceptibly shifting my stance to block Fawn between two bookshelves. "Unless, of course, you have a good instructor." The woman may have been blessed with the body of a brainless bimbo, but Fawn's IQ was actually bigger than her cup size. She knew exactly what I was up to; in response, a sarcastic leer stretched across her cushy lips.

Fawn yawned. "Who's going to teach me? A would-be lothario with a caterpillar below his nose?" Behind her seemingly placid eyes, I saw a hormonal bolt of lightning that told me Fawn was ready for a rough fucking. Although I'm sure this method of seduction would not be approved by that other literary guide to

copulating, *The Rules*, I grabbed Fawn's arm and pushed her into the employee bathroom.

Our hungry mouths met for a soul kiss of staggering intensity; Fawn's knees actually buckled. To prevent her from collapsing, I clasped her firm ass. The weighty bum felt soft and yielding beneath my aggressive grope. I lifted Fawn's skirt and ran my palms over the smooth terrain of her silk panties.

Unable to keep from shaking, Fawn popped her top and revealed a sweet, sizable rack. My fingers danced closer to her crack. My face was soon situated between Fawn's bazooms. Her nipples were so hard, I nearly lost an eye.

"Touch me," she begged, guiding my hand to the warm, wet spot beneath those high-class drawers. The beaver was clean and hairless, providing easy access to my middle finger's plunging. Fawn seemed to pull at my hand with her cunny muscles; within seconds, my fingertip massaged her G spot. In appreciation, she fumbled for my erect member, desperately aiming the rod for a between-the-legs bull's eye.

My prong pricked Fawn's walls and was rewarded with a glaze of heated gleet. Erotic spasms engulfed my veiny wand, nearly breaking my concentration on the hooters in my face. When the flesh bombs threatened to cut off my oxygen supply, I hit each yabbo with the biggest gun in my fucking arsenal: a tickle from my trusty mustache.

I dragged the mouth rug gently across Fawn's right nipple. The slow, deliberate movement stood in stark contrast to my frantic pounding below the belt. Her left nipple was next to taste the hairy pleasures of my unshaven lip. A high-pitched squeal erupted from my ticklish victim. She threw her head back and came buckets.

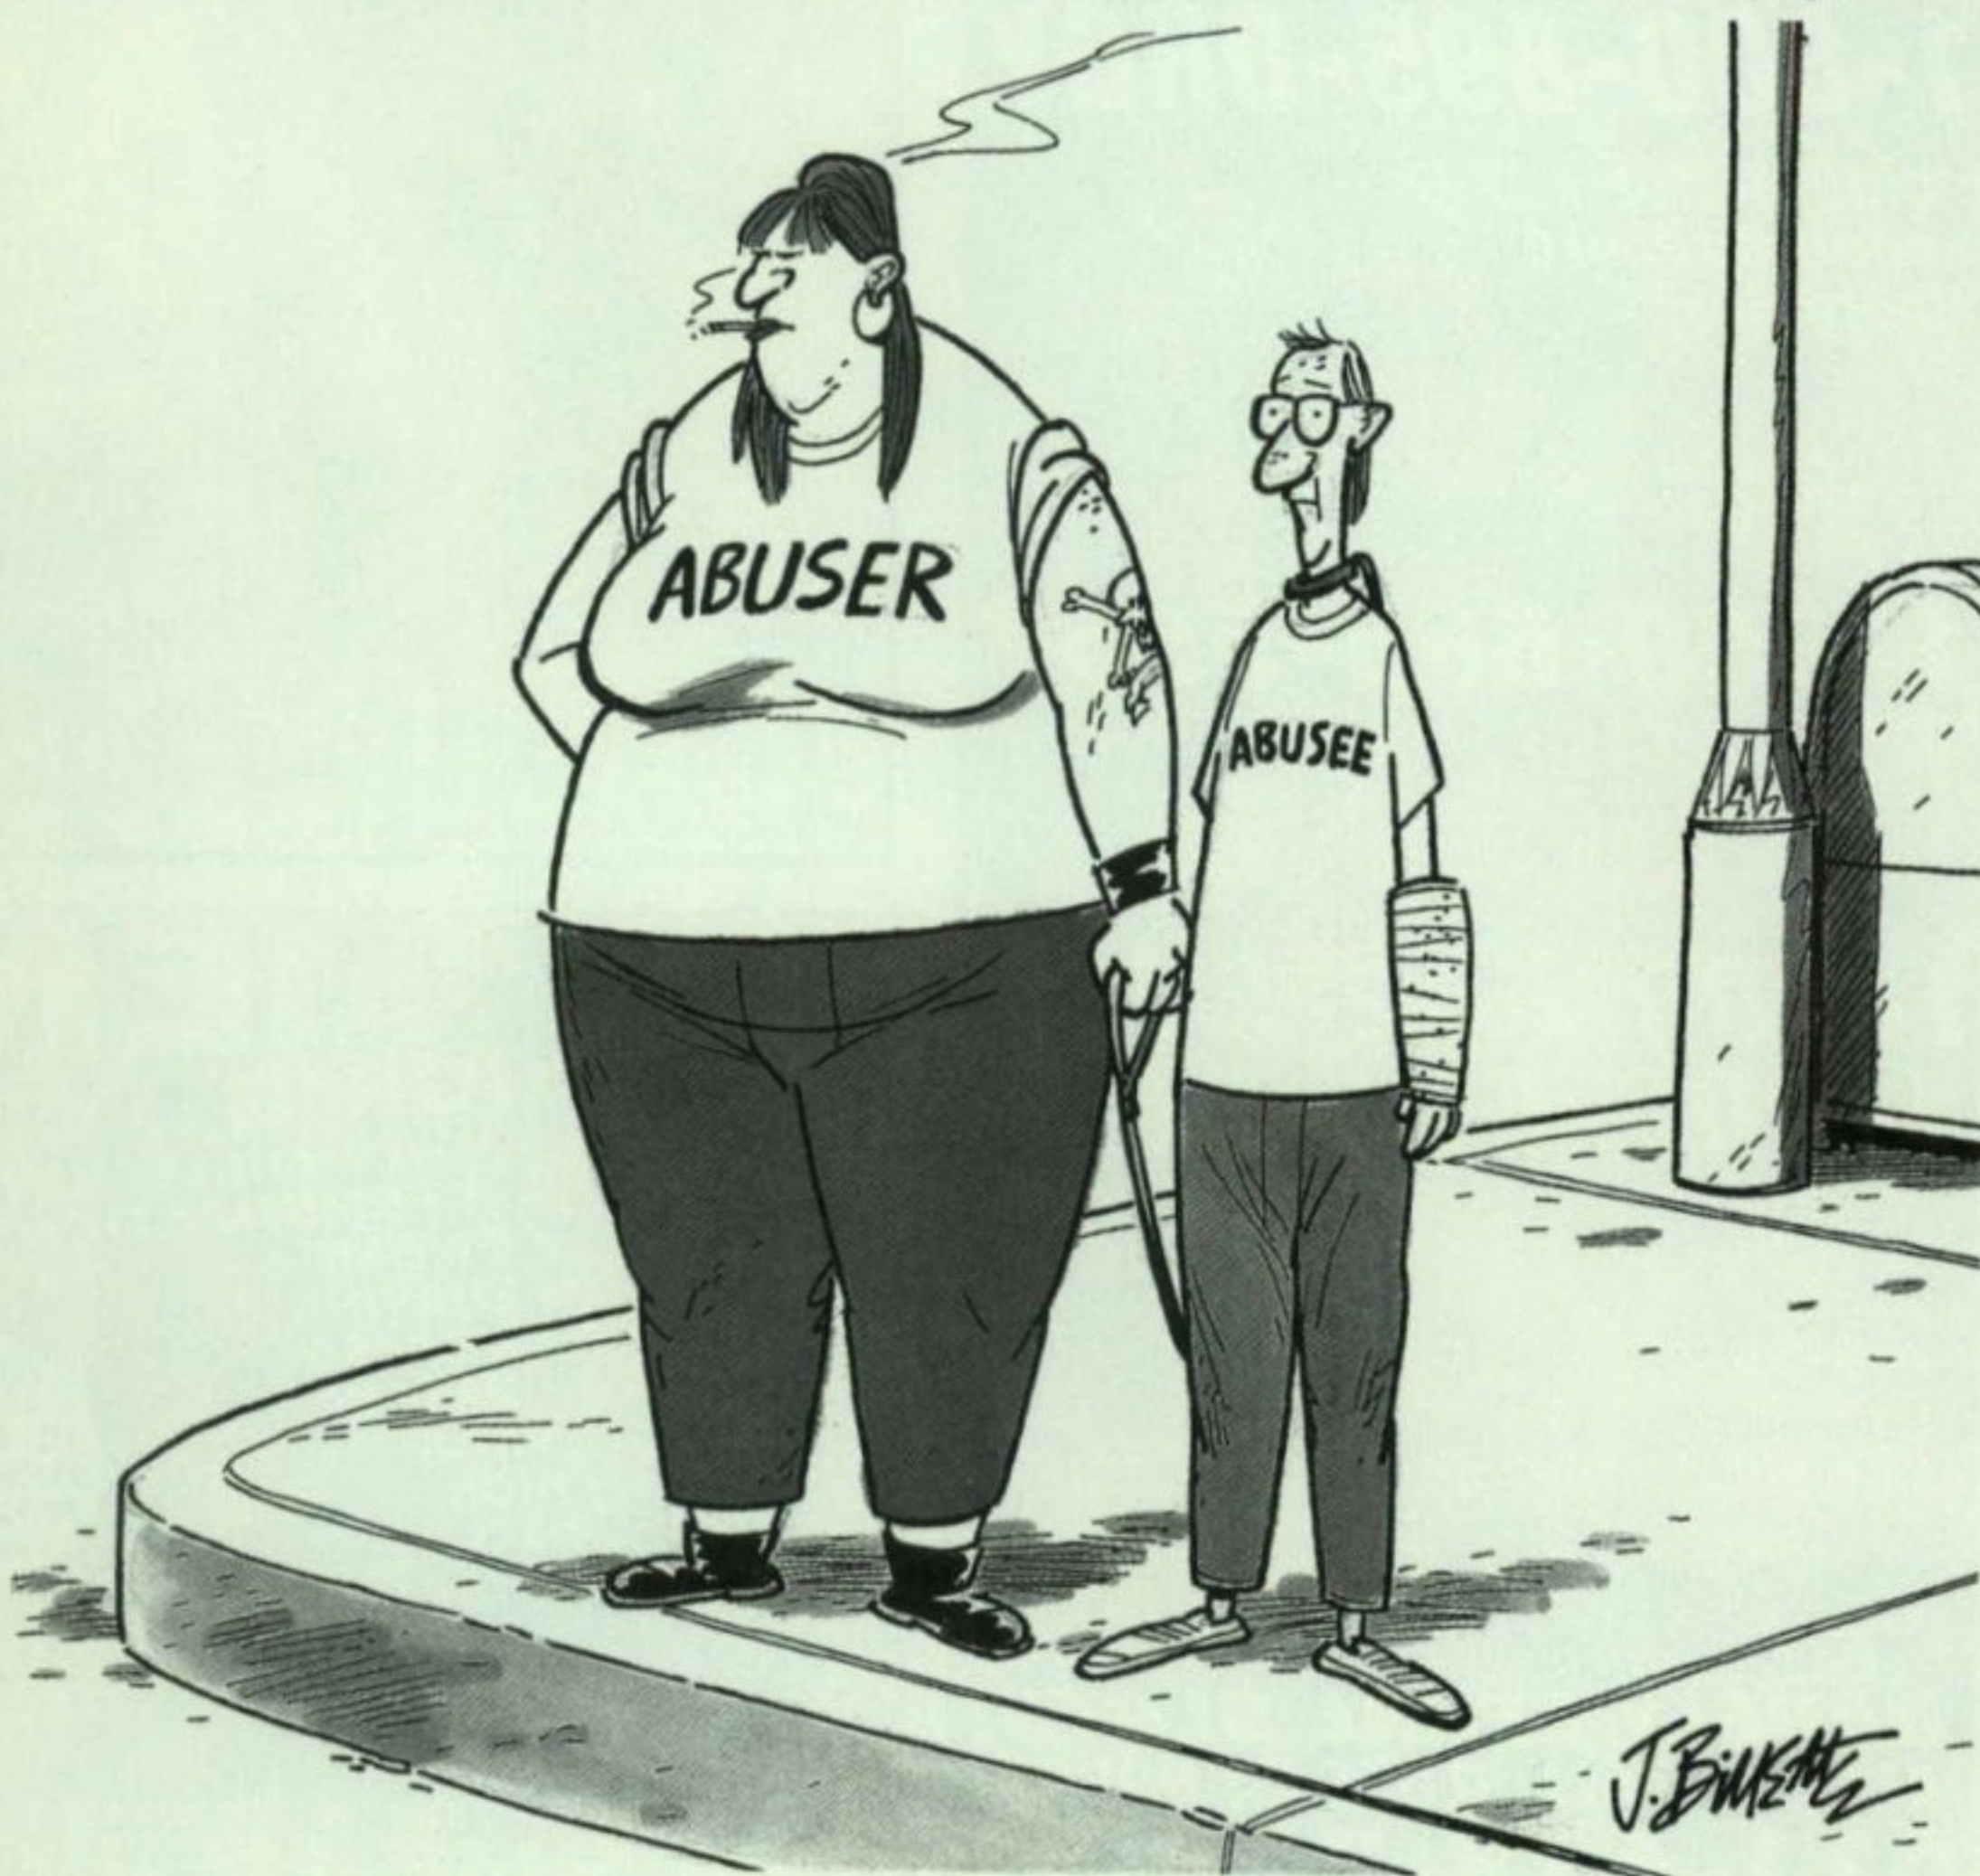

Fawn burst, "Ohh, ohh, unngghh!" That definitive clench of orgasm gripped her snizz. Girl meat rippled against my thrusts, sparking a climactic rumble in my sac.

"Fuck," I roared, releasing my spurting shank from Fawn's tight cunt clasp in time to spray all over her flat belly. "Fuck, fuck, fuck!" Six sticky loogies of sperm dribbled down her abdomen; Fawn wiped the mess and licked her hand while I tasted her leftovers above my lip.

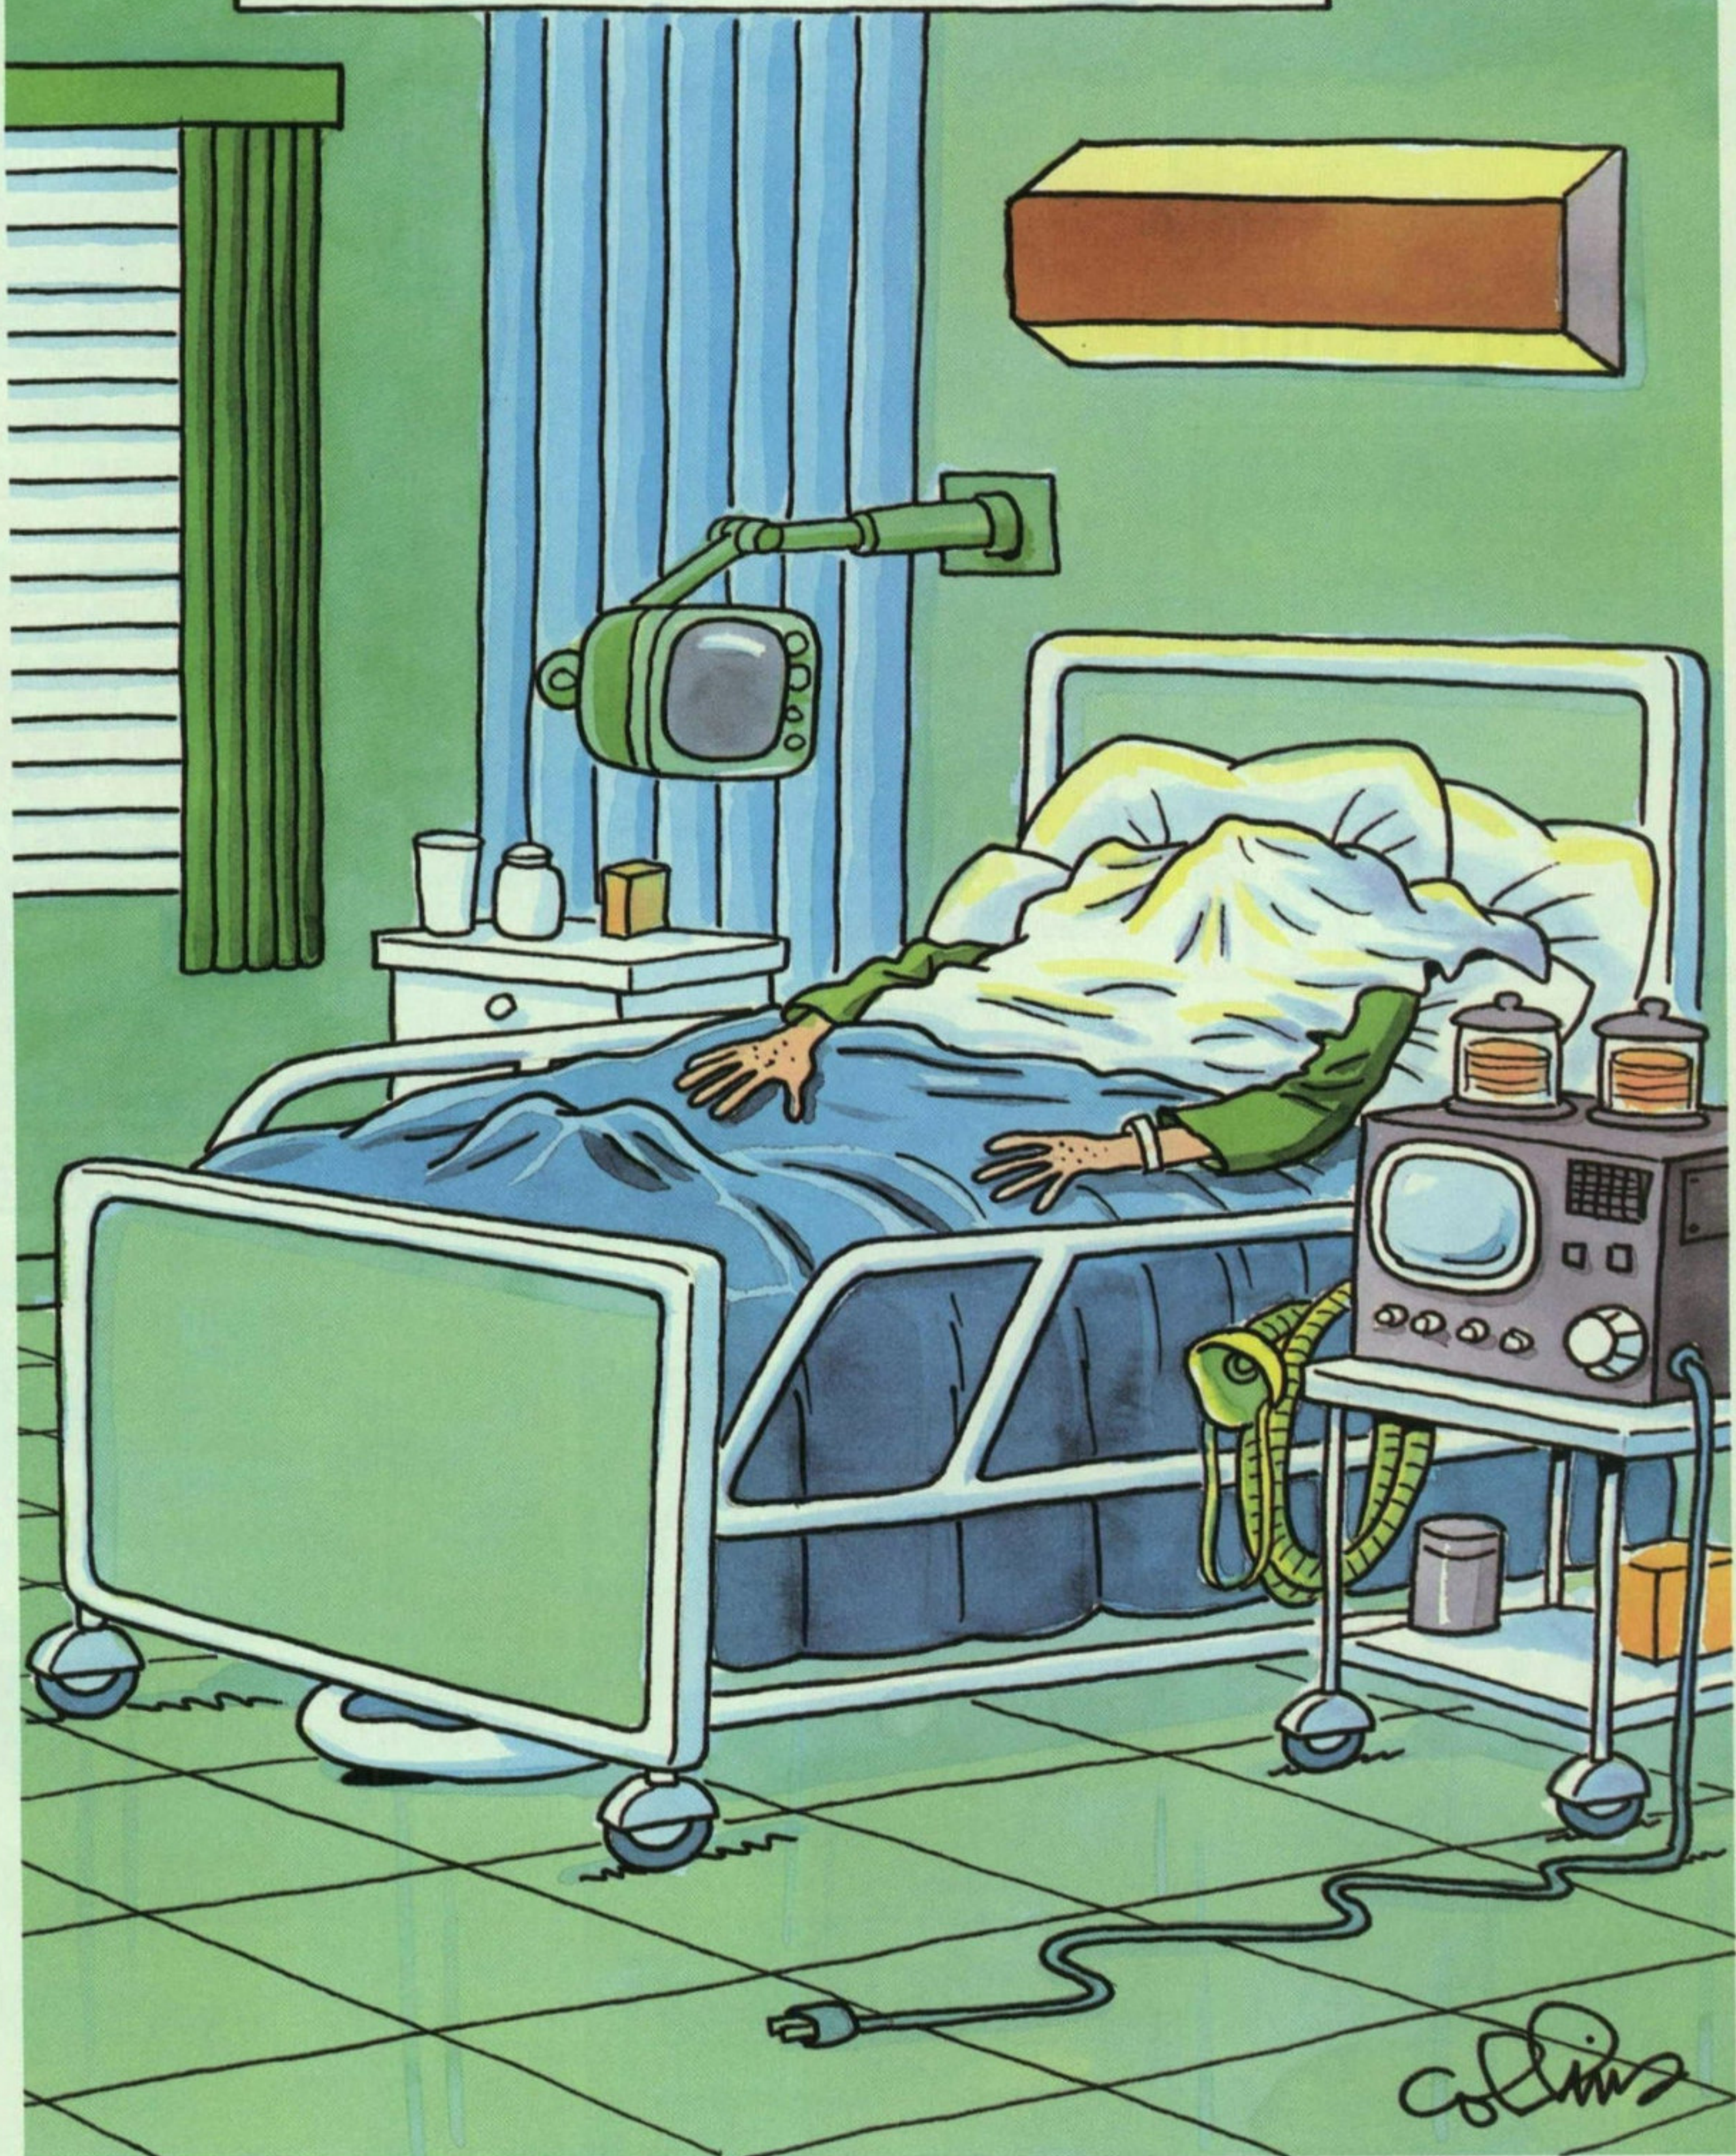

Admittedly, the lady was one hot fuck. I've been ducking her calls anyway. Hey, she asked me to shave as smooth as her quim. What, and lose all that flavor?

Hot Letters

Don't get me wrong; Katie is still as sexy as the day I met her. Compared to Shane, Kobe Tai and Samantha Stytle, however, my sweetheart is a rank pig.

CRY GAPE

Ever see the skanks in porn flicks with giant, gaping assholes? You know, the kind of stretched-out rectums you could slam-dunk a basketball into? My girlfriend, Katie, is the owner of one such bunghole, and I couldn't be happier.

I watch a lot of porn; so I often find myself wishing Katie was more like the sluts on-screen. Unfortunately, the actual flesh-and-blood woman in my life is kind of funny-looking and flat-chested. Don't get me wrong; Katie is still as sexy as the day I met her. Compared to Shane, Kobe Tai and Samantha Stytle, however, my sweetheart is a rank pig.

Believe me, I've tried to talk Katie into breast implants, cosmetic surgery and even cocaine addiction to be more like a porn starlet. She basically laughs me off. If only Katie knew I was as serious as Max Hardcore cracking open a new set of sphincters.

Speaking of Mad Max, Katie and I were watching one of his videos—titled *Anal Injury*—during our lovemaking the other night. I had Katie down on all fours and had just wedged my cheesy prong into her cooch. Doggy-style is the best position for banging while watching a tape, because the lack of eye contact makes it easier to use my imagination. In my mind, I was serving up Vanessa Chase, that brunet cutie who genuinely seems to love penis in her pooper.

The line between fantasy and reality blurred when I removed my pride from Katie's crotch, slapped on a little K-Y Jelly and reentered her via the back door. Katie grunted as I pushed my swollen head into her rectum. Insertion was relatively clean and easy; perhaps watching Mr. Hardcore pry into all those bottoms had involuntarily relaxed Katie's colon. I groaned and pumped her plump butt, pausing occasionally to spank the cheeks.

"Harder," Katie instructed. "Fuck my ass like he's doing to that chink!" For just a moment, I was so involved in reaming Katie that I forgot about the televised anal antics. My girlfriend's shockingly offensive comment brought me back to reality; indeed, Max was assaulting the rice chute of an upside-down, Asian American female. If that's the way Katie wanted to be sodomized, I was more than willing to stand her on her head.

"Mother of Christ," I blasphemed upon sinking pork into Katie's flipped brown-eye. Precariously balanced against the couch, she stretched both hands upward

to spread her gash open. The interior was the angriest shade of pink. I generously drooled spit into the sopping cavern; Katie gouged three fingers into her hole.

Meanwhile, back at the rectum, I bounced in and out as roughly as possible. Harder vaults inspired torrents of enraptured obscenity from my foul-mouthed fuckmate. I really drove the point home by withdrawing completely, then slamming the entirety of my turd burglar back in a single thrust. Below me, Katie was a vision of clenched teeth and rolled-back eyes. The way she shook and foamed at the mouth resembled an epileptic seizure of the sexiest kind.

Something magical happened after the series of cock stabs: Katie's shit ring dilated to an astonishing circumference. I watched the hole grow wider and wider to keep up with my fat boy. Finally, I was forced to pull out and simply marvel at the enormity of this second mouth.

"Katie," I whispered, as if cluing her into some great secret. "You should see this! Your fucking asshole looks big enough to drive a truck through!" My attentions caused Katie to tense; her rectum flexed slightly, but was still too distended to close.

Self-consciously, she whined, "Oh, my God. What's wrong? Did you see dookie?"

Help me stand up, I feel so humiliated!" I grabbed her haunches tightly to ensure the anal neurotic didn't move a muscle—unless, of course, it was an exposed, pulsating sphincter muscle.

"Don't you understand?" I chuckled. "You look just like a porn star!" Relieved, Katie broke out into double grins—one upon her face, and one brown smile as her rectum relaxed again. I could see her large intestine peeking up for a taste of jizz, like a blood-red flower demanding to be watered.

More turned-on than ever, I stood above Katie and jacked my turgid hard-on down her tailpipe. Spunk flooded the opening, dribbling into the crevices and vomiting back up with every twitch of the sphincters. So much scuzz spilled over her upright rump, Katie looked like a melting candle.

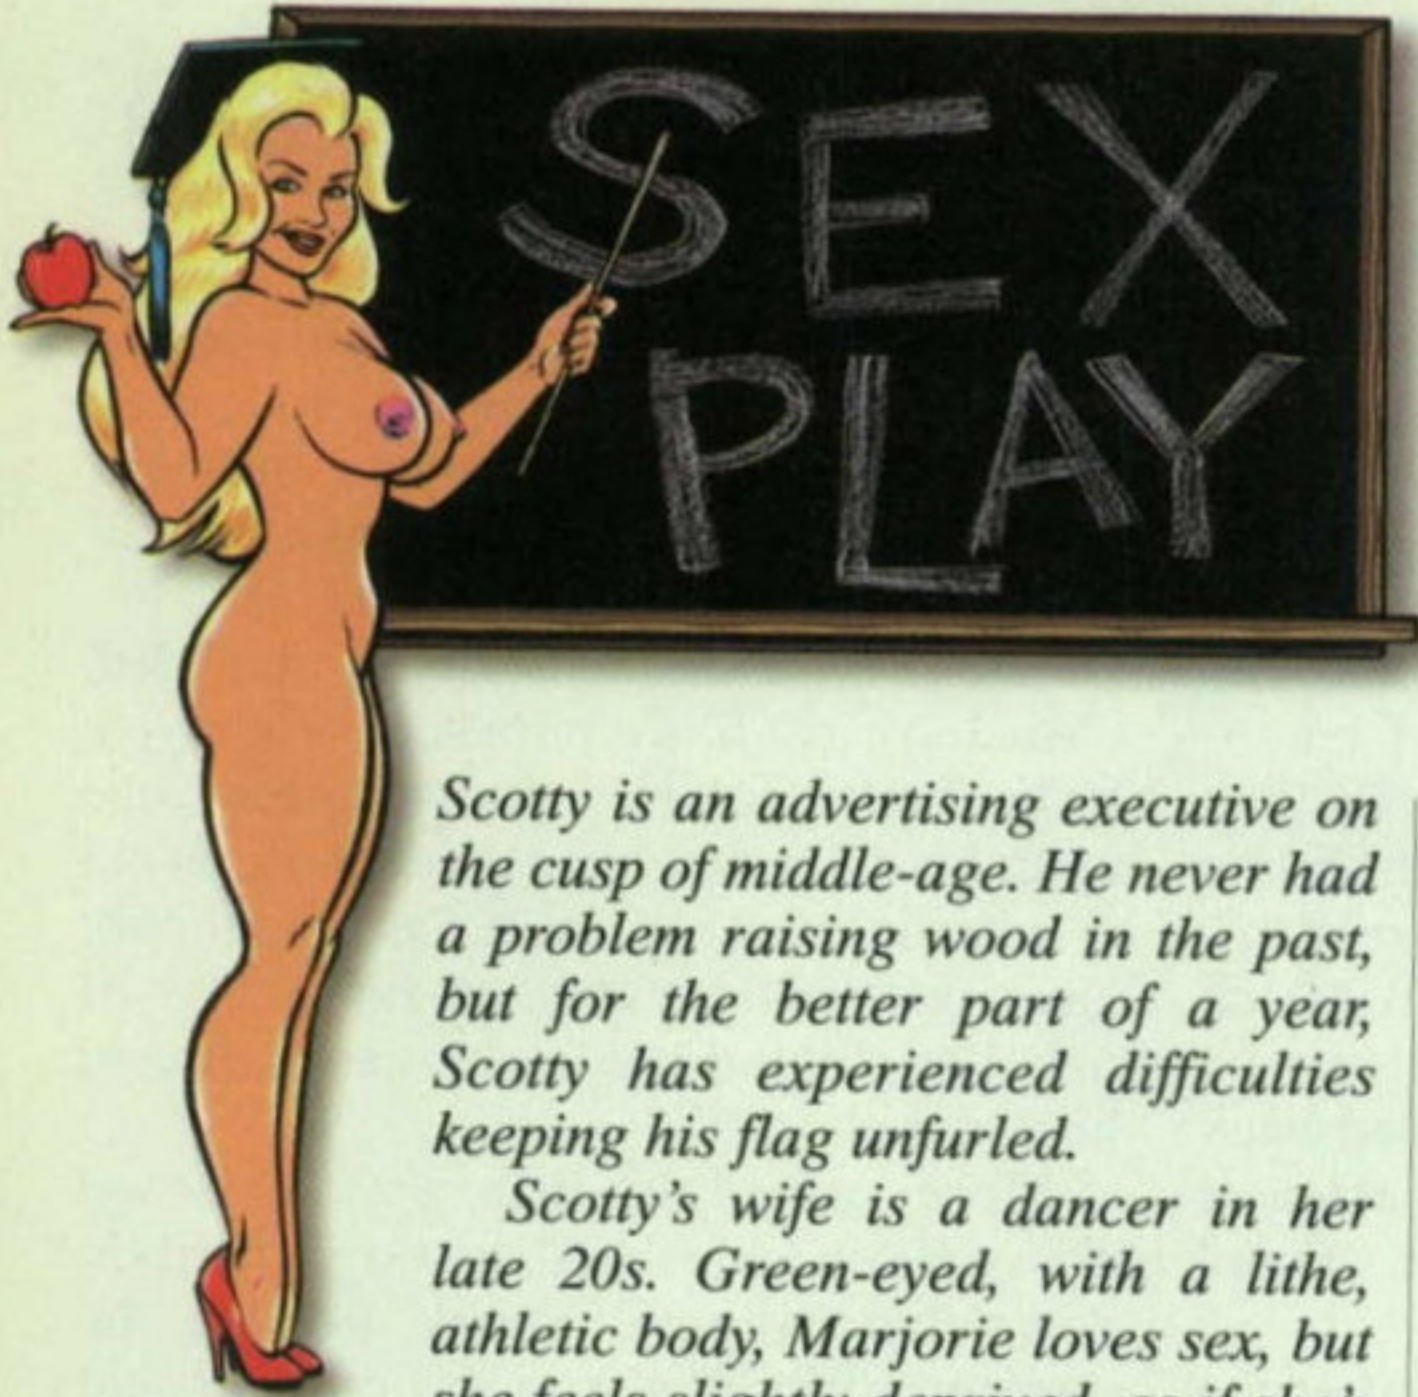

I guess it goes to show that every woman has that special something; a certain, unique quality that makes her a star. Maybe I'll go out and buy a black hat just like the one Max Hardcore wears.

What Doesn't Kill You Makes You Harder

IS VIAGRA THE SEXUAL CURE-ALL FOR MEN AND WOMEN?

BY DONNA POWELL * ILLUSTRATION BY MITCH O'CONNELL

Scotty is an advertising executive on the cusp of middle-age. He never had a problem raising wood in the past, but for the better part of a year, Scotty has experienced difficulties keeping his flag unfurled.

Scotty's wife is a dancer in her late 20s. Green-eyed, with a lithe, athletic body, Marjorie loves sex, but she feels slightly deprived, as if she's never had a bone-rattling orgasm like the ones she reads about in the pages of Scotty's *HUSTLERS*.

Watching a newscast, the couple sees a report about a new drug called Viagra. The medical community hails it as a cure-all for impotence, and patients testify to miraculous results.

After seeing a doctor and procuring a prescription, Scotty and Marjorie plan an intimate evening at home: a gourmet meal, candlelight, romantic music.

After Marjorie clears away the salad plates, she gives Scotty a peck on the mouth. It's only been 20 minutes since they swallowed their Viagra, but Scotty feels flush, and his cock springs to life. He returns Marjorie's advance with a long, hard kiss.

Marjorie's pussy petals tingle. She sweeps her shoulder-length, auburn hair from her warm neck and leans back on the table.

Scotty's prick eggs him on. He pushes Marjorie's skirt to her hips and runs his hand up the insides of her thighs. Marjorie responds by grabbing Scotty's steely pole through his slacks.

"Oh, my God, Scotty," Marjorie gasps. She shoves several fingers into her panties to rip at her clit.

Scotty pushes Marjorie further onto the table and slides off his pants. His dick has never been so hard, even before his problems began. He lifts Marjorie's legs over his head and rolls her panties to her knees.

"I'm going to fuck you in two," Scotty grunts. He does his best to keep his promise, pounding into Marjorie's tight, velvety hole.

Marjorie, red-faced and panting, gushes her briny juices. She convulses in grand-mal pleasure. Scotty

unleashes a flood of his sticky essence across Marjorie's flustered face.

Marjorie wipes cum off her brow. "It really is a miracle," she says.

Scotty doesn't hear her. His face is buried between Marjorie's legs, ready for the next course.

If you aren't hiding in a cave, you've heard a lot lately about the new potency drug Viagra. Touted as a miracle sex elixir, Viagra allegedly has the power to make impotent men potent and anyone else increase their sexual resolve exponentially.

"Pfizer Inc.'s Viagra, or sildenafil, blocks an enzyme found mainly in the penis that breaks down a chemical produced during sexual stimulation," explains an Associated Press report. "The longer that chemical, called GMP, stays around, the better chance of an erection."

Simply put, taking this pill increases sexual drive and enables any willing fucker a shot at action. To this point, the claims all seem to be true.

Between ten and 20 million American men suffer an impotency problem at some point in their lives. "Even more men are not always completely satisfied with the rigidity and

staying power of their erections," says Dr. Bruce Hansel, a health correspondent on the Los Angeles NBC affiliate's local news. Until Viagra hit drugstores across the country, remedies to troubling limpness were scarce.

"Impotence problems and erectile problems are highly treatable, but there are many drawbacks with most current treatments," explains Dr. Hansel. "Vacuum-style devices that force blood into the penis interrupt foreplay and lovemaking; injecting drugs into the penis or inserting a drug-carrying pellet into the urethra can be painful."

Viagra has come to the rescue. The drug works to relax the smooth muscles in the penis, which allows blood to flow into the penis. All without pain or hassle.

Medical professionals hope the media coverage given to Viagra might also prompt men into a quicker response when a problem does occur.

"Most of my patients have had the problem for a year or two before finally coming in," says William Richards III, M.D., a urologist and advisor for the medical group Impotence Care. The availability of Viagra figures to change the initial reluctance of

sufferers to admit their inadequacy.

"My wife said it was like I was suddenly Tarzan," raves Alfred, a Los Angeles retiree who was impotent for a year following prostate surgery. "I tried every sort of snake oil out there, but this little blue pill works."

Anecdotal evidence indicates that Viagra can work every bit as well for women as it does for men. Pfizer's wonder pill apparently causes females to feel increased sexual drive and experience longer, body-rocking orgasms more easily.

The drug's success is basically a matter of blood flow. In a man, Viagra dramatically increases the amount of blood that reaches a guy's cock; for women, the boost in blood is to the clitoris.

"It's known now for certain," says Dr. Irwin Goldstein of Boston University, "that good blood flow to the sex organs is even more necessary for females in order to achieve a good erotic response."

More blood compaction in the pussy allows women to sustain stronger, longer orgasms. Many men have sometimes masturbated when their cock was less than fully erect, and the final result is probably less than satisfying. Genital flushness works the same for women.

When a woman fingers herself, and her clit is not thoroughly congested with blood, the result can make her wonder why she bothered. With the increased blood flow resulting from Viagra, better climaxes equal a final satisfaction. Instead of sex being "all in the head," it becomes "all in the blood."

"Women who don't always respond with excitement to touch, or who fail to achieve strong, long-lasting orgasms will often be found to have poor blood circulation in the clitoral and mons area," Dr. Goldstein sums up. "This drug will improve that."

While definitive medical tests regarding Viagra's effects on women are incomplete, the initial response by users of the drug are positive.

"The stuff made it feel like my pussy had a heart pounding inside it," says Rayanne, a normally reserved financial planner. "When I came, my clit kept snapping and clicking like a camera shutter."

Viagra is not an aphrodisiac in the strictest sense of the word. An aphrodisiac causes increased sexual desire whether a partner is involved or not. An aphrodisiac eliminates need for foreplay or any other form of mental or physical stimulation.

Viagra works only when the user

wants it to. If a man takes a pill, and his wife or girlfriend suddenly has a headache, nothing happens—no hard-on, no wet panties.

Although Viagra is being referred to as a panacea for all sexual problems, there are drawbacks. The major concern is the drug's side effects. Taken by itself, Viagra can cause harmless reactions, such as facial redness or blushing. Taken in conjunction with certain heart medications, sildenafil has proven to be deadly.

The Food and Drug Administration has so far found no evidence that Viagra itself is dangerous. However, doctors across the country are warning that men who take nitroglycerin for heart conditions and then use Viagra risk death. Sixteen Viagra-related fatalities bear out the doctors' admonishments.

"I'd be very careful about prescribing [Viagra] for patients with heart disease until I understand what their level of risk might be," cautions former American Heart Association president Dr. Sidney Smith.

Despite the threat of deadly consequences, some physicians have found that their patients are willing to take the risk in the pursuit of good sex.

"I've had a lot of patients say, 'If I have to go, that's the way I want to go

out,'" says Dr. Ira Sharlip, an advisor to the American Urological Association.

"Men value sexuality over general health," adds Dr. William Steers, chairman of urology at the University of Virginia. "They are going to have this regardless of the consequences."

Another drawback to the miracle fuck pill is its cost. At nearly \$10 a pill, people who do not have insurance or have not been diagnosed with impotency problems, which most insurance companies require before they pay for the drug, might find the cost prohibitive. Recently Kaiser Permanente, the nation's largest not-for-profit HMO, announced their decision not to pay for Viagra due to expected costs of over \$100 million a year. Other insurance companies are likely to follow suit.

One understanding philanthropist is out to help sagging men over the financial hurdles of paying for Viagra. Alan Greenberg, the 70-year-old chairman of Bear, Stearns Companies, recently donated \$1 million to the Hospital for Special Surgery in New York to buy Viagra for impotent men who can't afford it.

"I guess you could say I'm kind of into the basics," Greenberg told the *New York Times*. "I think it's something that will give a lot of pleasure to a lot of people."

JAMES BAES

Dana Lynn escapes the pressures of life as a callgirl and relaxes on a deserted stretch of Malibu Beach. "I came to Los Angeles from the Midwest to become an actress," the lithe blonde recalls. "My biggest talent seems to be playing the role of insatiable whore." Dana Lynn spreads oil across her hard, bronzed stomach. "I'm expensive and worth it. My twat is tighter than it was when I was a high-school girl in Iowa." The sweaty young chippie slips a finger into her sun-kissed snatch. "I still dream of the movie producer who'll discover my true gifts. Lots of guys fuck me, but no man knows what I'm really like inside."

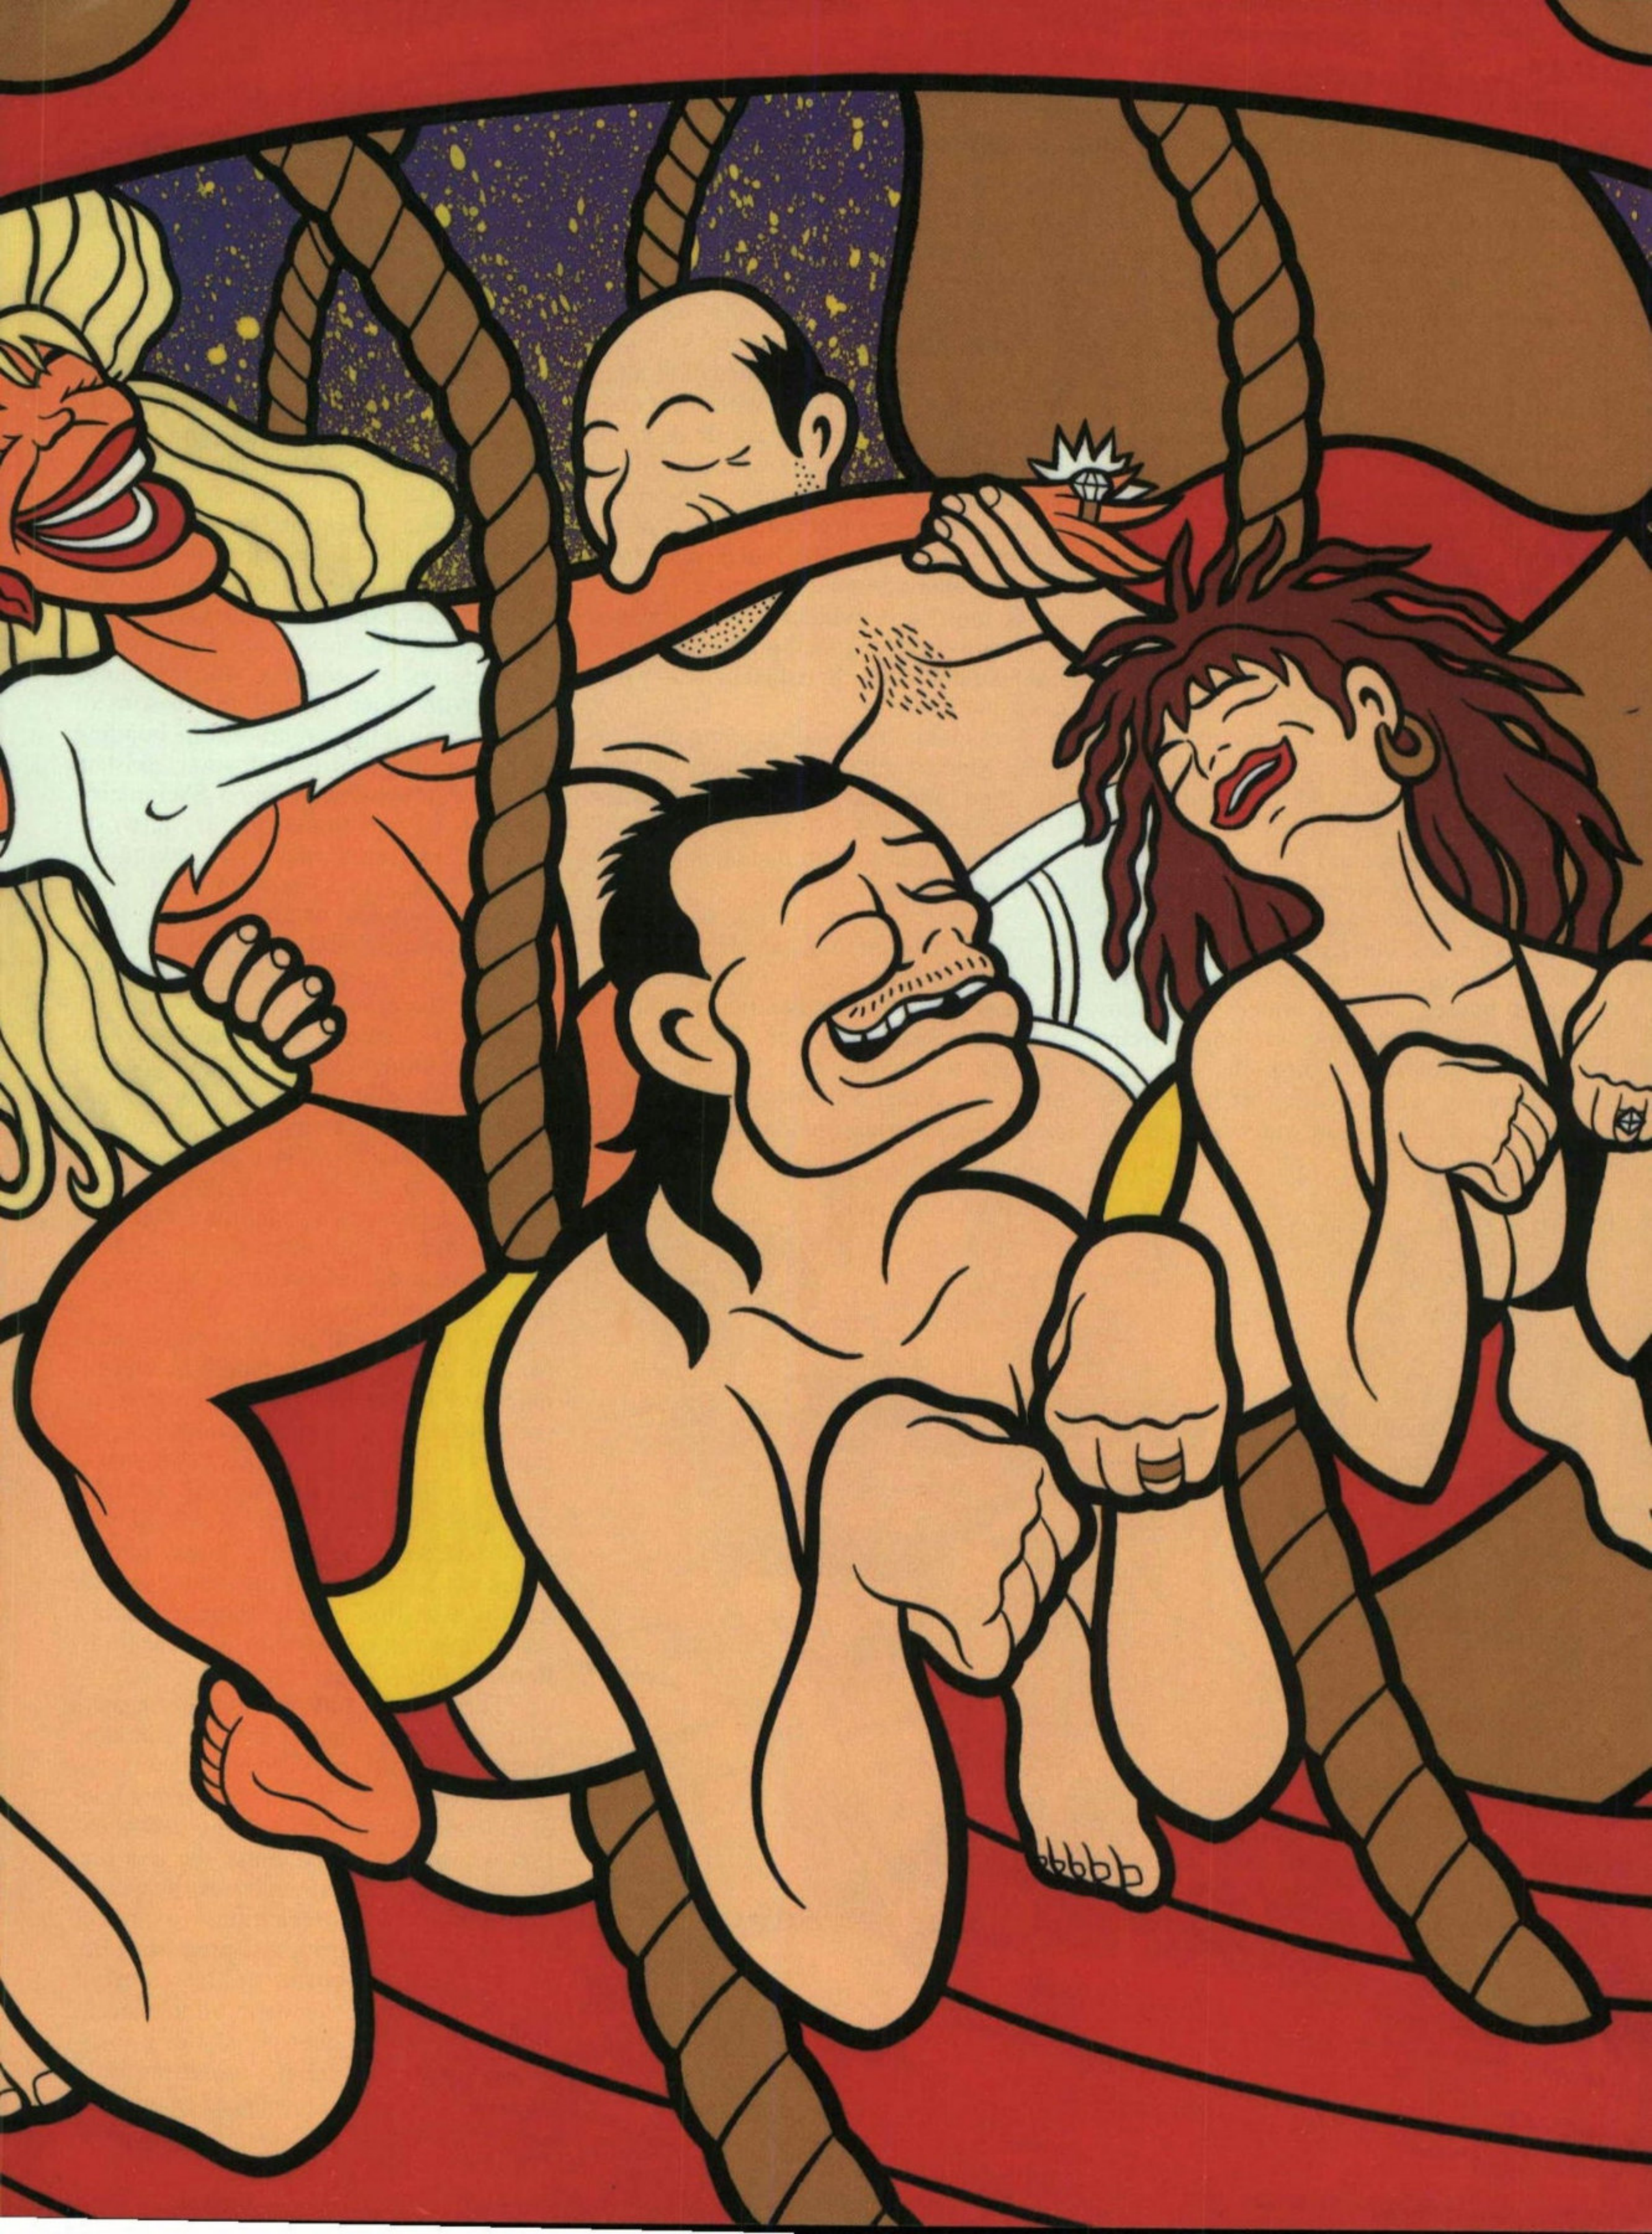

But Seriously, **TAKE MY WIFE**

REPORT BY CANDICE SWORD
ILLUSTRATION BY MARK DANCEY

Looking for a new wife; yet still happy with the one you have? Why not swap pussies for the evening? At Sacramento's Carousel Connection, sex-filled festivities allow happily married couples to frolic with and fuck new faces. **HUSTLER** falls for the red-carpet treatment at the California capital's premiere swingers club.

SWAPPING MATES AT THE CAROUSEL CONNECTION

Swingers

Responding with a volley of approving squeals, the broads rub water into greasy flesh. Some of the gals even flash their pendulous, spritz-soaked melons. Boobs shake as the contestants dance.

Despite a population approaching a half million and its status as California's state capital, Sacramento is a cow town. Yet it is also a simmering hotbed for Northern California swingers. Boasting various swingers clubs and orgy-oriented party houses, Sacramento rivals urban neighbor San Francisco for per-capita swingers organizations. Against a backdrop of trailer parks, tract homes, alfalfa fields and tree-lined streets, HUSTLER investigates swinging in cow town, behind the scenes at Sacramento's premier swinger social club, the Carousel Connection.

Mostly, there is big hair: a multifarious selection of ape drapes, mullet cuts and Texas peacock dos reminiscent of 1980s tractor pulls. The main attraction of the night is well underway. A gaggle of women with frosted and feathered manes undulate to the cacophony of pounding techno, clad in scant T-shirts and denim-underwear short-shorts.

Facing a raucous audience, the line of hussies passes, one by one, before a row of hunkering men armed with plastic squirt bottles. Jets of water soak thin, white cotton, revealing swelling, witchy titties popping through fabric. Responding with a volley of approving squeals, the broads rub water into greasy

flesh. Some of the gals even flash their pendulous, spritz-soaked melons. Boobs shake as the contestants dance. The hour of judgment has arrived.

Marvin, organizer of the Carousel Connection's beach-themed swingers party, screeches at an audience of similarly dressed women seated with their men. He asks for the name of the doxy in the lineup who deserves the winning title of tonight's wet-T-shirt contest. The criteria for triumph is unclear. But as two of the skinnier women in the bunch peel back skimpy tuna shorts to reveal eyefuls of pubic muff, it is evident that the heavier, longer-in-the-tooth swinging crones will not take home the cherished prize—whatever that might be.

To a clamor of hand clapping and cat-calls, Marvin discerns the lucky winner. He then announces that "just for the ladies," the men's wet-boxer contest will soon follow. The room becomes a frenzy of mammoth hair.

The Sacramento-based Carousel Connection party rages on in the banquet room of a nondescript hotel on a highway leading to San Francisco. The sexually charged fete is discretely placed in this mid-range motel. Families splash about in an indoor, chlorine-inundated pool, obliv-

iously spitting distance from the debauchery taking place behind the closed doors of the banquet hall.

A sign on the door leading into the lobby from the swingers' hideout urges: PLEASE COVER UP WHEN WALKING THROUGH THE HOTEL. Within the safe haven of the banquet room, members of the Carousel Connection are free to bare their goods, but one must always be considerate of the fact that the sexual openness of the Lifestyle (a broad-based euphemism used to describe the swinging way of life) is not exactly accepted by the mainstream. Especially that of Jane and Joe Sacramento.

Swingers, or couples who exchange mates with other couples for reasons of sexual exploration, relationship bonding or simple physical gratification, exist in sleepy, Midwestern-twined Sacramento as part of an underground network. Parties are announced in swingers-themed magazines sold in adult-book stores. Couples often conceal their Lifestyle membership from their families, friends, children and society at large for fear of vilification as perverts.

Some California state senators would rather swing clubs didn't exist. Particularly clubs that are on-premise establishments—swingers' jargon for places where sex (mainly penetration) is permitted at the club sites. Swingers counter detractors by claiming that they are much safer and more hygienic about sex because of the openness with which they seek and engage in it.

"We are an off-premise club," says Marvin, a squat, Latino man of indeterminate middle-age. Instead of screwing on the dance floor, Carousel Connection partygoers are invited to take consensual adult activities to a room in the hotel for which they receive a reduced rate. Marvin emphasizes that the club must remain low-key. Sacramento, the state capital, houses a bastion of government officials set on upholding what they deem as traditional family values.

"There was a bill in the state Senate," Marvin attests, "that sought to eliminate on-premise facilities." The bill did not pass, but Marvin is still careful. "There are a lot of clubs in Sacramento; so the less attention we draw to these clubs, the less [the government] will want to check them out."

Taking added precautions to protect his club, beyond its off-premise rule, Marvin charges cover in the form of membership fees, possesses all the necessary permits and licenses to run a business and screens callers, admitting only

Summertime

Sissy and Lisa

PHOTOGRAPHY BY MATTI KLATT

Best buddies Sissy and Lisa have all the ingredients for summer fun: tanning lotion, Popsicles and unrequited lesbian desire.

"I can't believe we have your parents' house for the entire month of July," exclaims Sissy, lying in the wet grass.

Lisa crawls between Sissy's legs. "All we have to do is keep the lawn watered," she says, tonguing Sissy's wet slit, "and the bushes trimmed."

"Should we turn off the sprinklers first?" Sissy whispers.

"Leave them on," her lover replies. "We're expecting a heat wave."

those male/female couples committed to their spouses and to the Lifestyle. Marvin also eliminates worry by preventing a rowdy singles scene.

"We're a couples-only club," says Marvin. "If singles attended the dances, it would be like pandering. Everything's on the borderline when it comes to holding these events, even when no sex takes place."

Marvin runs through a litany of prohibited acts. "No prostitutes, escort services or drugs." He checks off each rule on a chubby finger. "What the Carousel Connection hosts are dance socials. People enjoy the mixing and the mingling we provide."

Once the revelers leave the premises, what sexual activities they choose to partake in is their prerogative. The Carousel Connection seeks to provide, as Marvin puts it, "a nonpressure, noncommittal environment."

"There are people who come to the dances who are in the Lifestyle, and there are people who come who are not in the Lifestyle," Marvin explains. "Some people might like the environment simply because of the risqué and provocative apparel that a lot of the women wear."

* * *

"We've met some great boating

friends here," says Carousel Connection member Jenny, a self-proclaimed water rat and exhibitionist. A tawny-skinned, petite blonde, Jenny esteems Carousel Connection dances for the mere fact that she can doff her garb to "the bare minimum and dance around."

The 32-year-old, taut-bodied towhead explains that she takes her exhibitionist streak "to the hilt," donning a skimpy G-string bathing suit appropriate for a swinging beach-motif bonanza. There have been instances when men have become overly enthusiastic in the presence of her "risqué and provocative" attire: "I've been dancing with a guy when he just starts trying to penetrate me," Jenny confides.

"But that's only happened once or twice," chimes in Jenny's husband, Steve, a 38-year-old landscape contractor. "For the most part, we've met quality people here. I've even made business contacts."

Jenny and Steve were not part of the Lifestyle when they began attending Carousel Connection events. They have gradually become more willing to swap partners through regular attendance.

Says Steve: "We came to the Carousel Connection for a long time, just to dance and party, before anything happened. Ninety-nine percent of the

time, we just go home afterward."

"But we live in Yerba Linda, which is 45 minutes away from here," Jenny giggles. "We often can't make it home in time without pulling over. Swinging has improved our sex life 70%."

"And it wasn't bad before," chuckles Steve with pride.

Jenny and Steve have been married for 15 years and have one eight-year-old daughter. The couple claims that a prerequisite for swinging is a solid relationship founded on mutual respect, communication and security.

"We were together for six years before we had our first child," offers Jenny. "Then we waited until our daughter was seven before we started doing this."

"If you're mature enough in your relationship to deal with [swinging], then it's great," declares Steve. "We've seen people get a lot of beefs because they just weren't ready for it. The little green monster can ruin a lot of relationships."

Marvin agrees. "People sometimes come here trying to find an excuse to end the relationship," he says. "But I screen callers for couples like that."

"Couples think they are gung-ho about the Lifestyle," Steve frowns. "They go home with another couple, party all night and then wake up and break up." Steve shakes his head with regret.

"We're too strong for that," Jenny adds, lovingly squeezing her husband.

* * *

Angie and Ralph, warned that a reporter would be in attendance, have been looking for me all night.

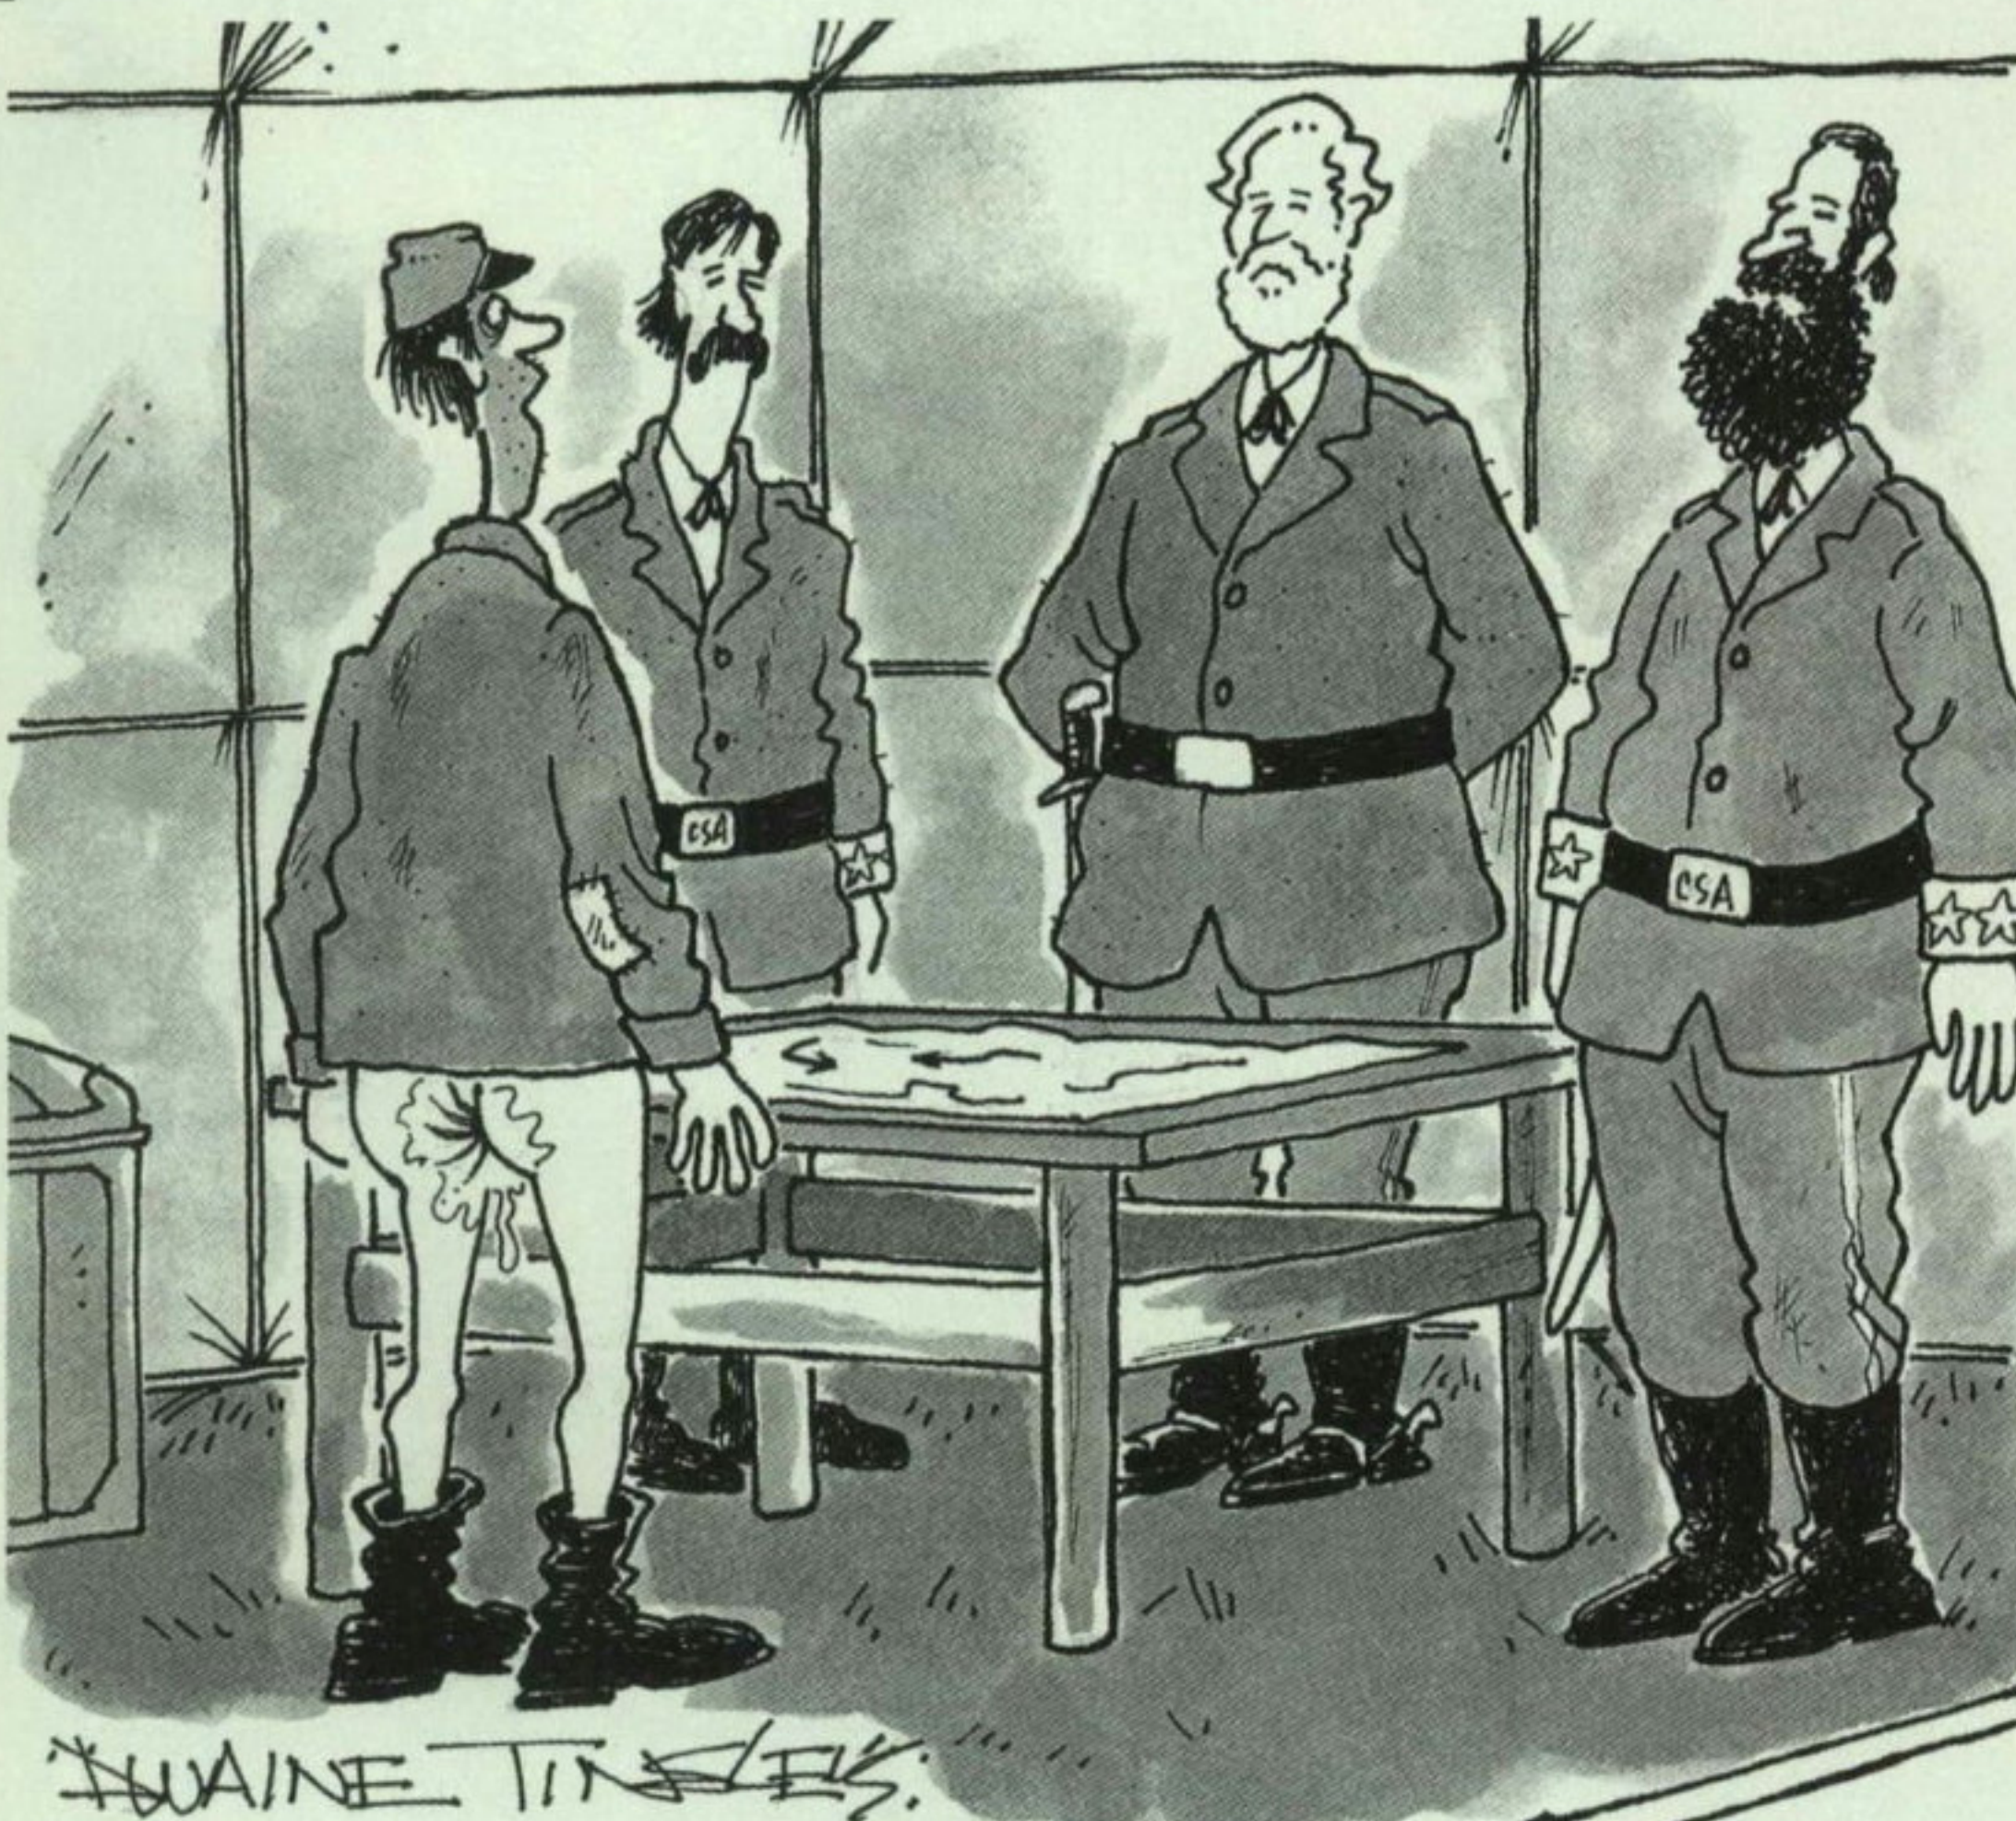

"Marvin said, 'You guys be on your best behavior,'" chortles the nerdy-looking Ralph. "He had to say it because I'm very obnoxious."

Angie and Ralph initially decided to explore the swinging Lifestyle after watching other couples fuck at the Regency, a local adult-movie theater that often plays host to swingers events.

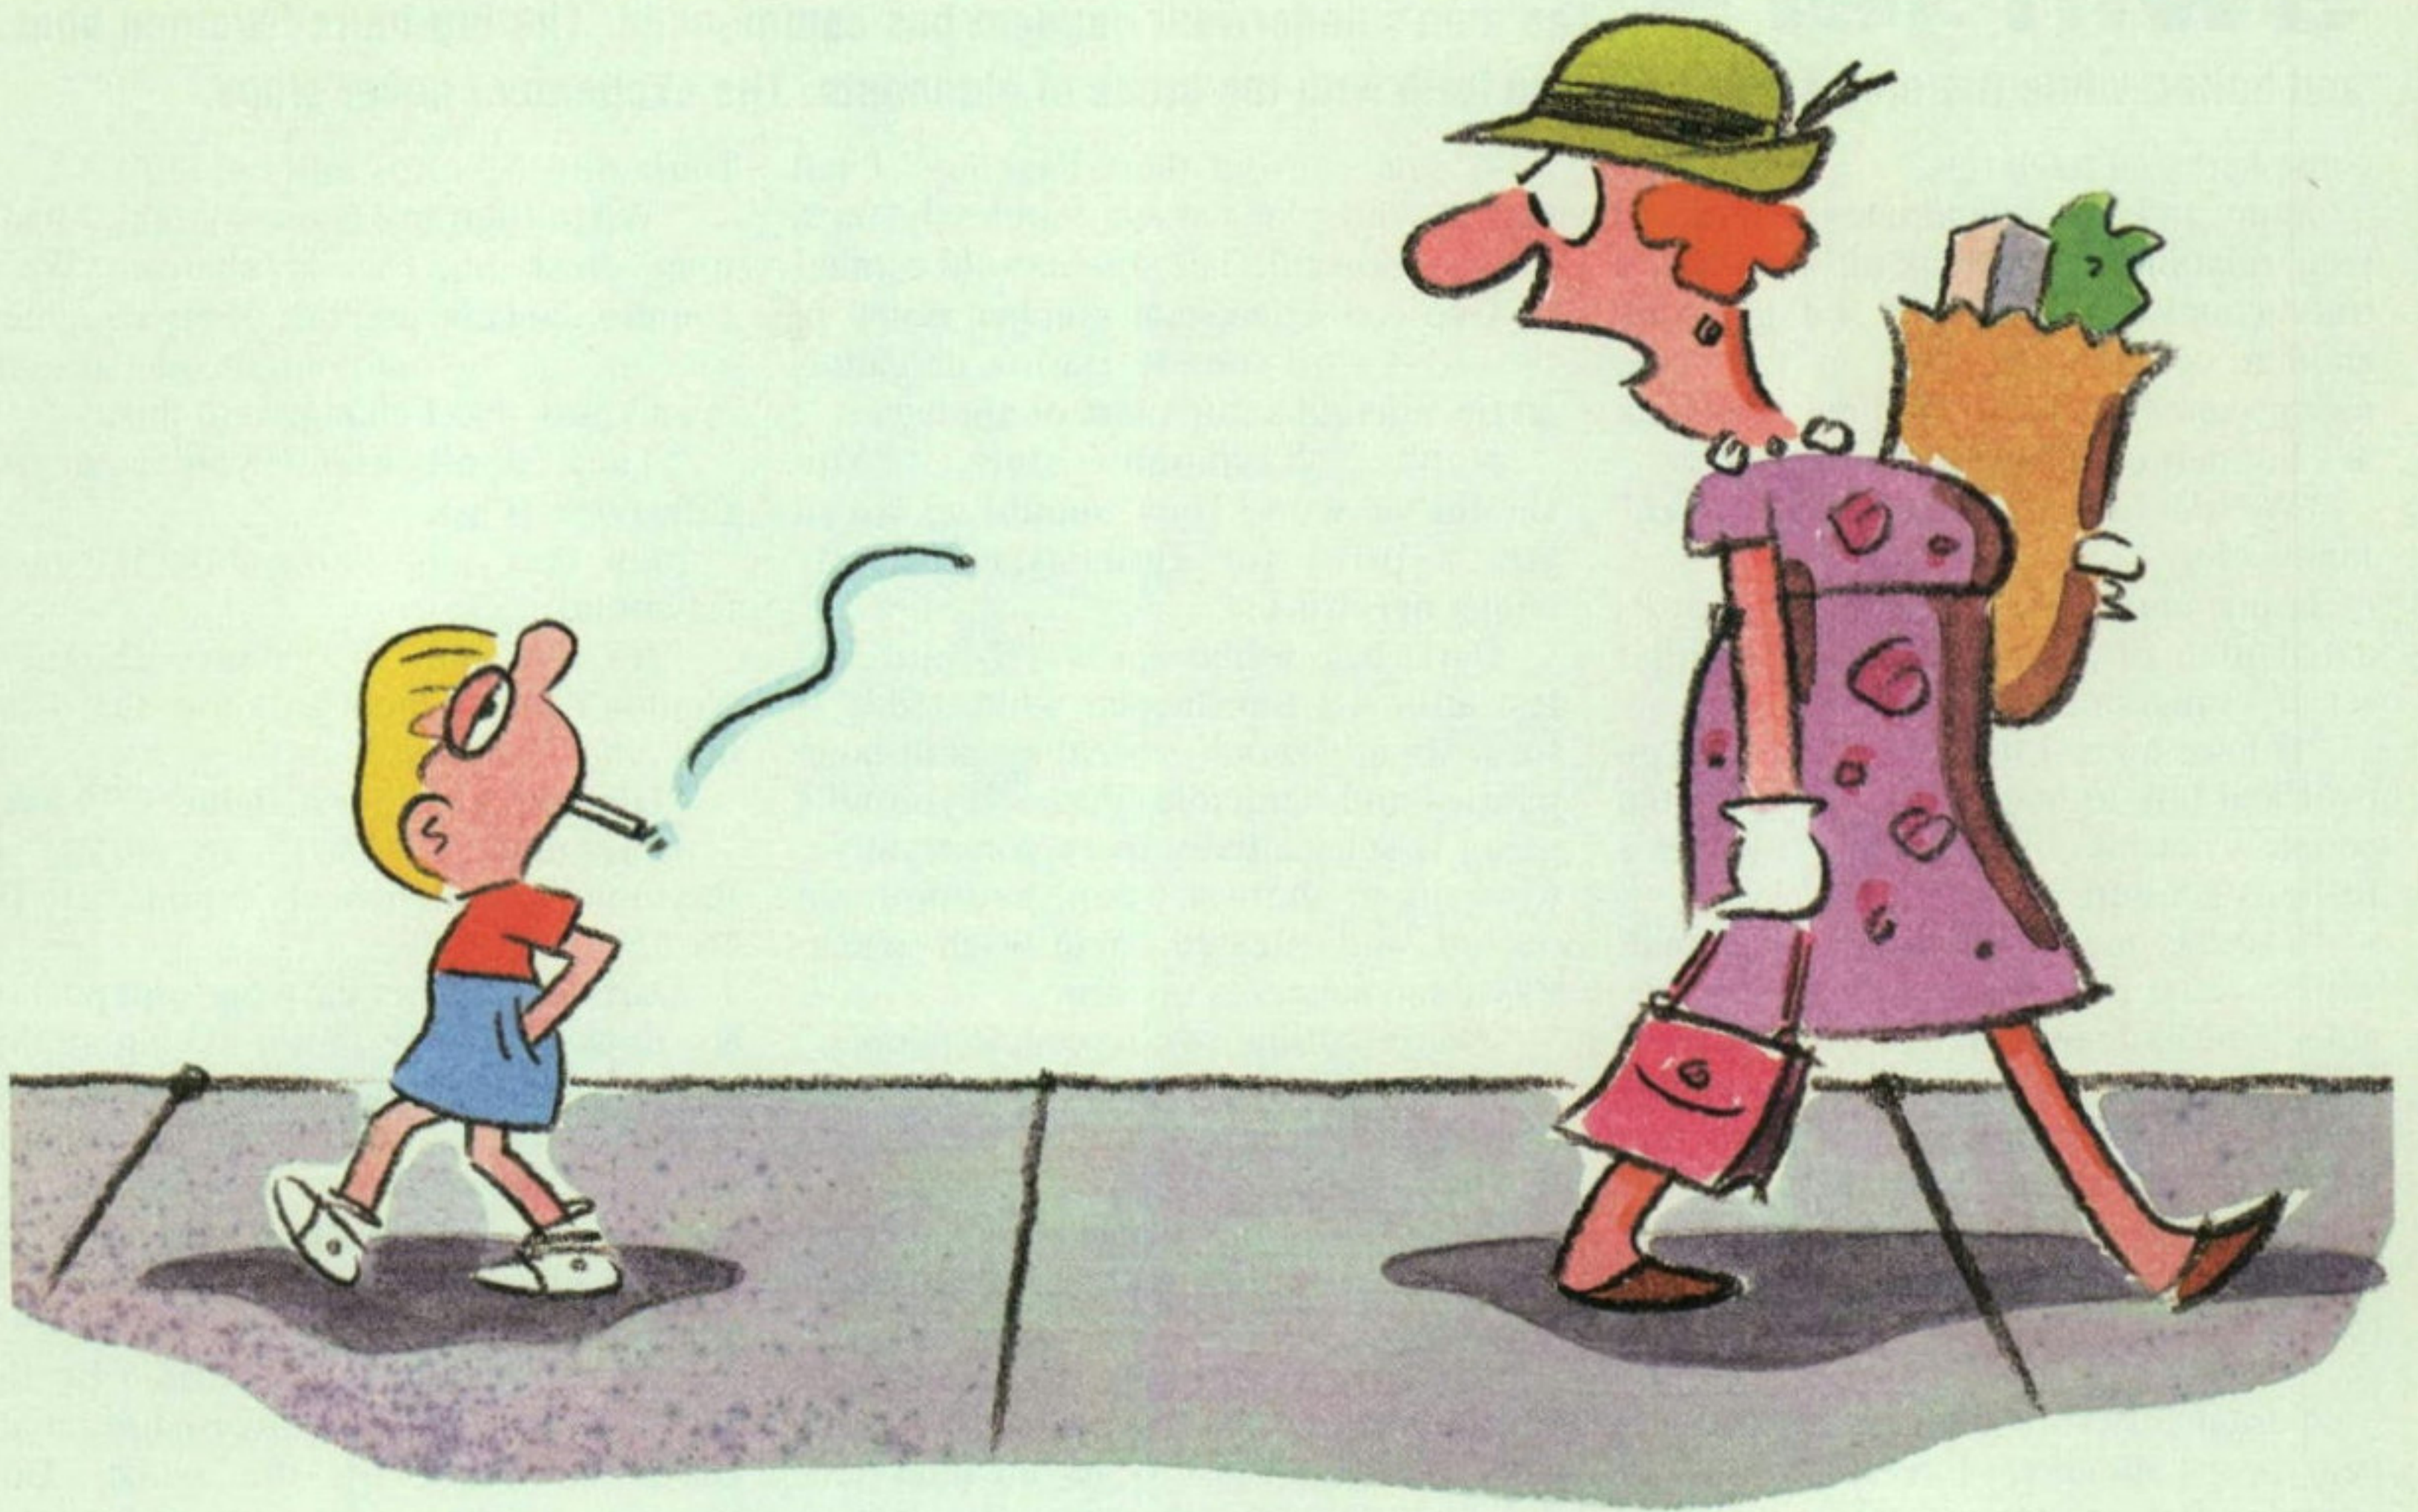

Despite the apparent carefree attitude, Angie and Ralph understand there are problems that go along with the Lifestyle. "There is a lot of jealousy that goes on in here," begins Ralph. "A lot of it. The first dance, we had our first bicker. All these guys were all over Angie, and I'm like the plague. It's hard. If you go downstairs, you'll find a lot of couples arguing because there are a lot of insecurities."

And the best way to combat jealousy?

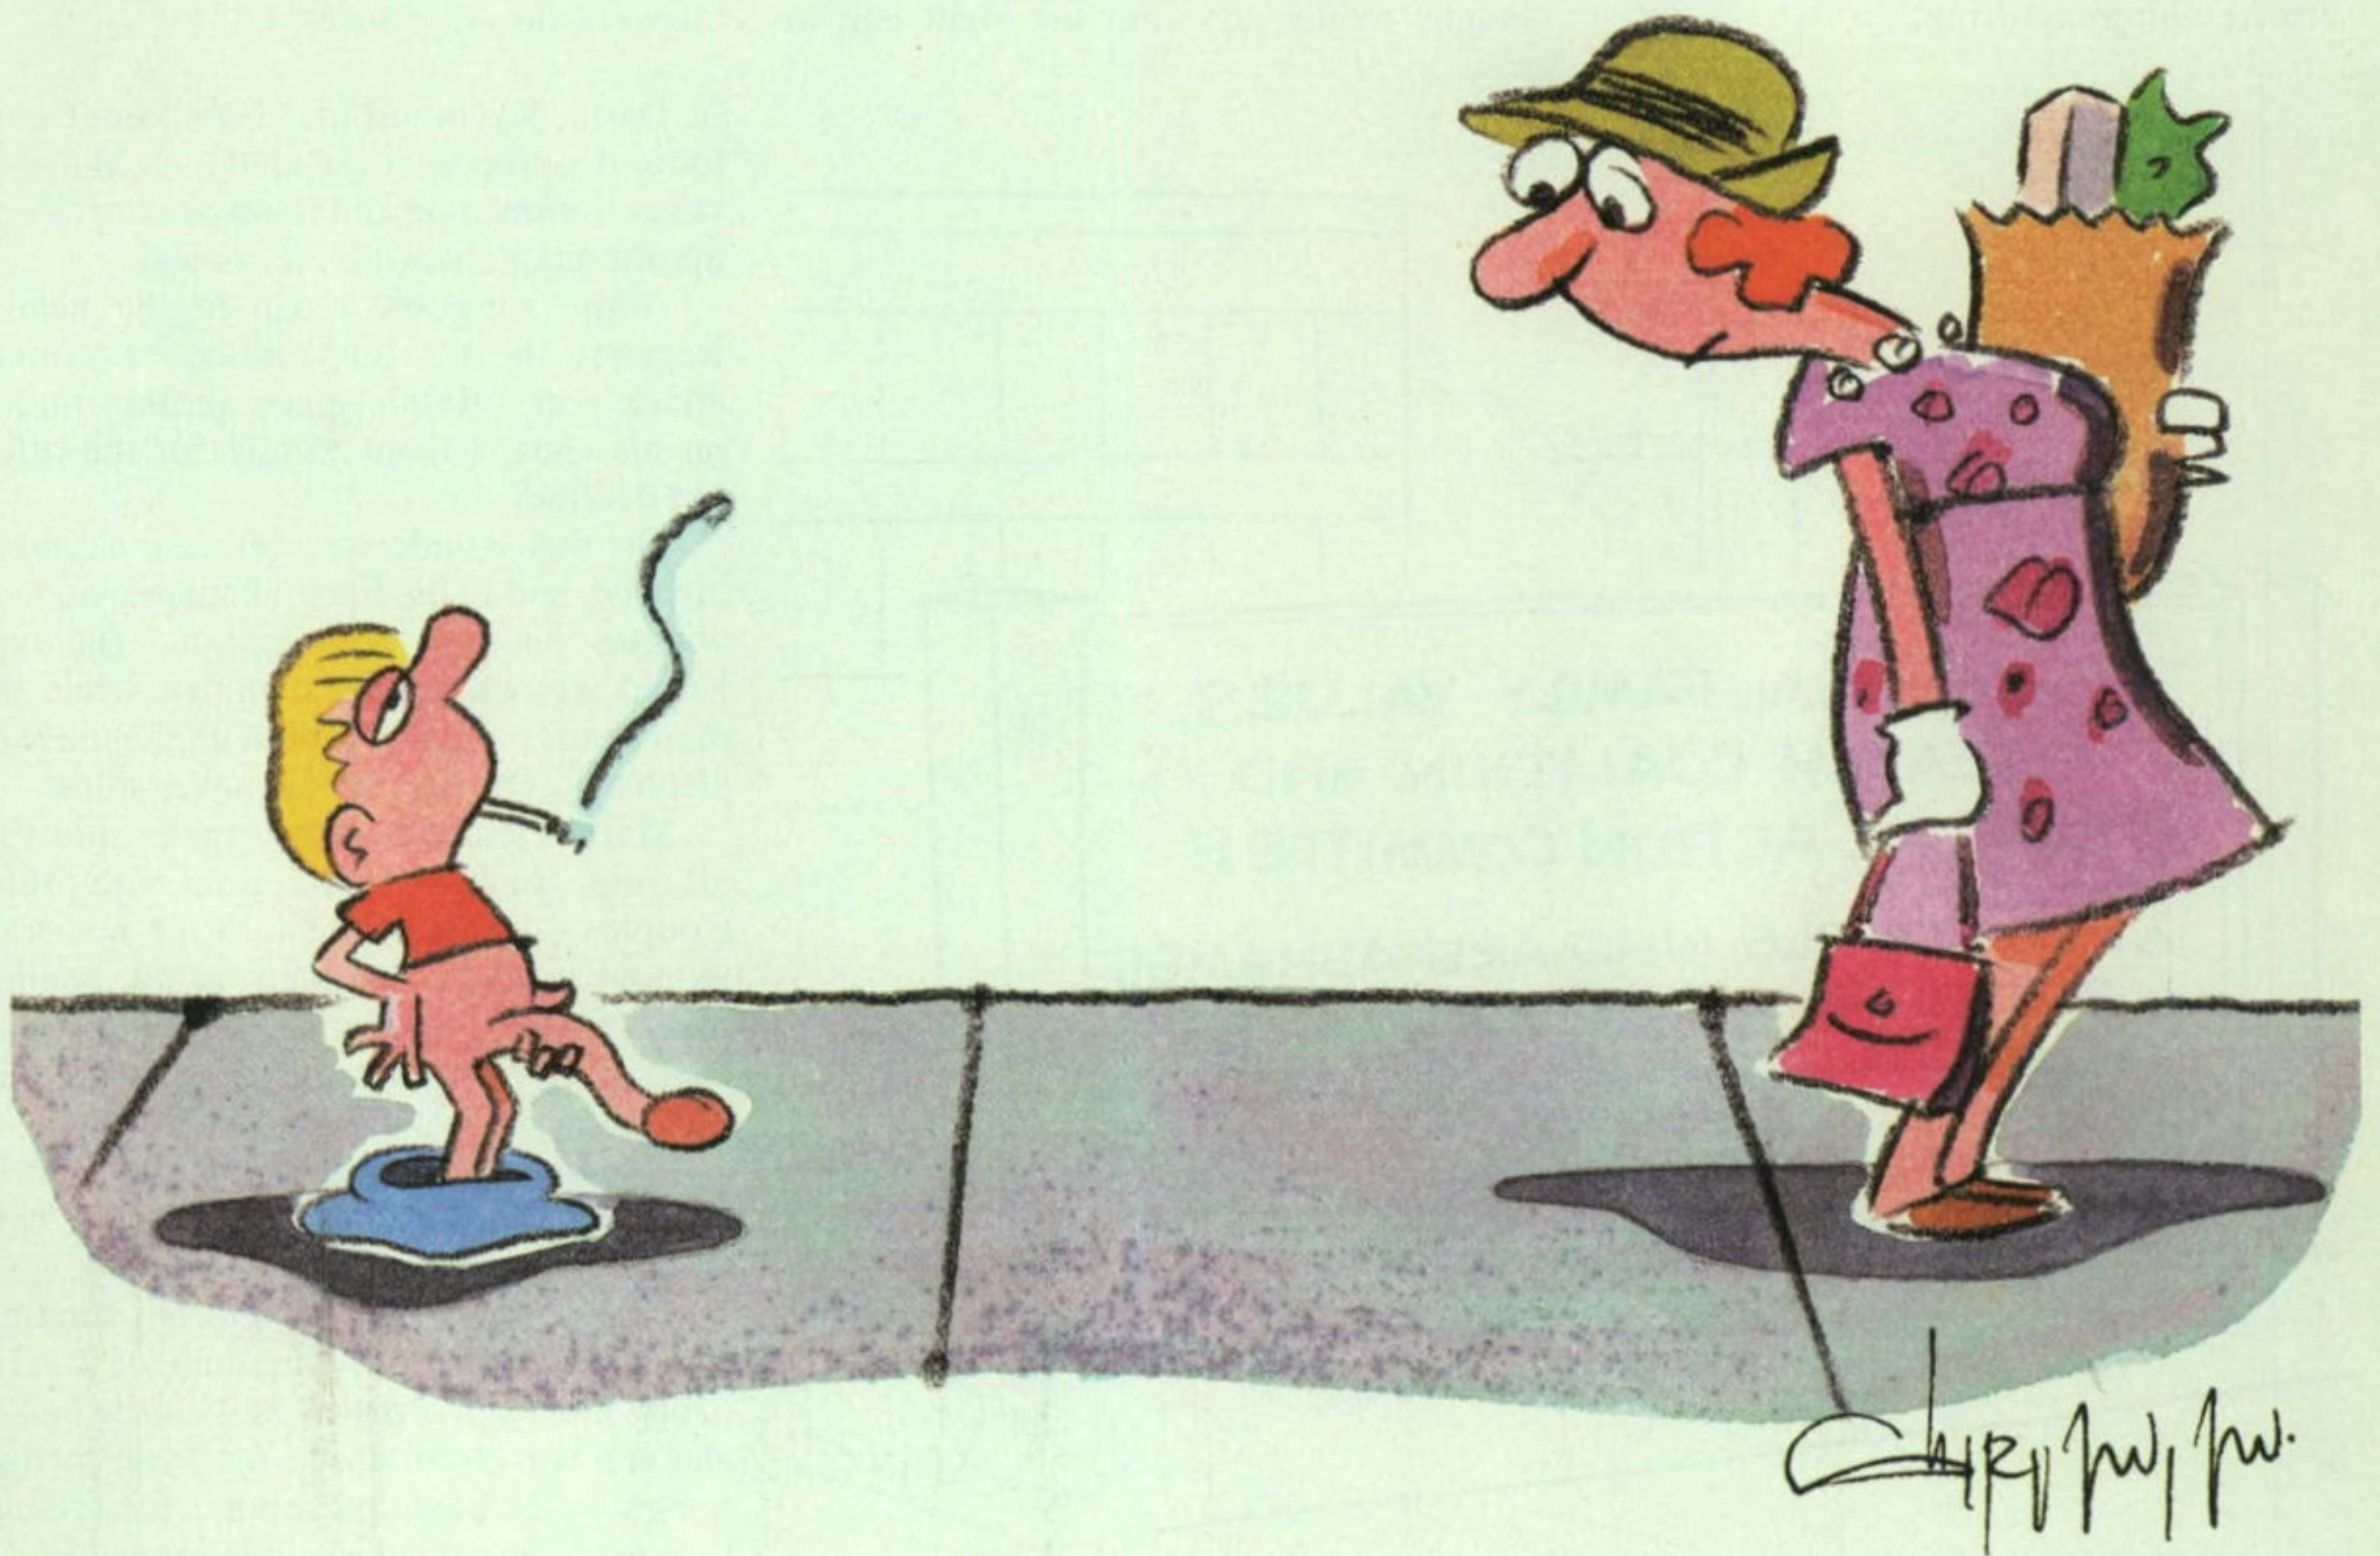

"It's a game," says Angie, whose hippie garb fails to hide her firm, well-shaped tits. "It's a fantasy thing, because in the end, I go home, and I still have my man, and my man still has me. But we can

come here and have fun."

Jenny and Steve negotiate the terms of their relationship by making swinging a truly couples act. "When we get with another couple, we do it in the same room, same bed. To her and me, watching is a big part of it," says Steve.

"We like to watch other couples too," Jenny adds.

Jenny and Steve use a well-coordinated plan of attack to secure another set of swingers for action.

"If I see a girl I like, I tell Jenny to go over and talk to her," says Steve. "If the couple's not into it, that's okay; no one's feelings get hurt."

"There is one couple right now, in fact, who have let us know that they are available," voices Jenny. "When we're ready."

Angie, on the other hand, seeks another woman for her husband of one year, Ralph, on her own. "I've been with other men," Angie reveals. "But I've been trying to find a woman to fuck him—big time!" Angie laughs.

A drunkenly voluble duo starts to compete for the attention of my microcassette recorder. If I can just wait five minutes, the couple promises, they will be "right back." The two return moments later, armed with more drink.

"I saw you out there dancing," I tell Darla, who plops down carelessly on a low windowsill. The 42-year-old mother of five was contestant number seven in the wet-T-shirt contest. Darla's gargantuan tits elicited a fair share of applause.

Hubby Raymond slurs, "You should've won. They should've given you a prize for enthusiasm." Darla chugs her drink.

Darla has doffed her wet-T-shirt-contest attire—a translucent, white teddy—for a slightly more concealing gold-lamé panties-and-camisole duo. Raymond's getup is substantially more conservative. Clad in a short-sleeved, button-down oxford and pleated, acid-wash jeans, Raymond squeezes my arm.

"We're cordial; we're couple people." Darla smiles. "We're very connected and considerate of each other."

"It's just like church," Raymond proclaims. "We greet everyone the same. Only, we're doing something different afterward."

Raymond's voice drops to a whisper as he adopts a serious tone. He draws in close. "If you want to get an interview that really matters, if you really want to report on the Lifestyle, there's only one way to do it: to experience it." Raymond laughs maniacally into my right ear, as

Darla directs words into my left.

"When I left my house tonight, I had a long dress on," Darla shares. "We're country dancers, and one of my daughters saw me going out tonight; she doesn't even know that I change into this."

"They don't know you're in the Lifestyle?" I ask.

"Oh, they don't know about it," gasps Raymond.

"No, we hide it," avows Darla. "I wouldn't allow them to know that I am this...this vicarious."

"How old are your daughters?" I ask.

Darla mutters, "13, 15, 16, 19, 21," as Raymond simultaneously blurts, "21, 19, 16, 15, 13."

Darla adjusts her cleavage and puts on a serious face. "We're not having affairs; we're up front with our mates," she says gravely. "We've broken the barrier and admitted that we're attracted to other people; and it's okay. We're not jealous. You have to have a strong relationship to be able to do this kind of thing."

Darla's thought is punctuated by the appearance of a beefy, silver-haired man. Grabbing Darla by the waist, Bob inquires, "Can I take your wife home tonight, Ray?"

Raymond, momentarily confounded, answers slowly. "Sure."

* * *

Darla, Raymond and Bob confer over tonight's proposed escapade, as Marvin's voice booms over the loudspeaker: "Next up: the men's wet-boxer contest."

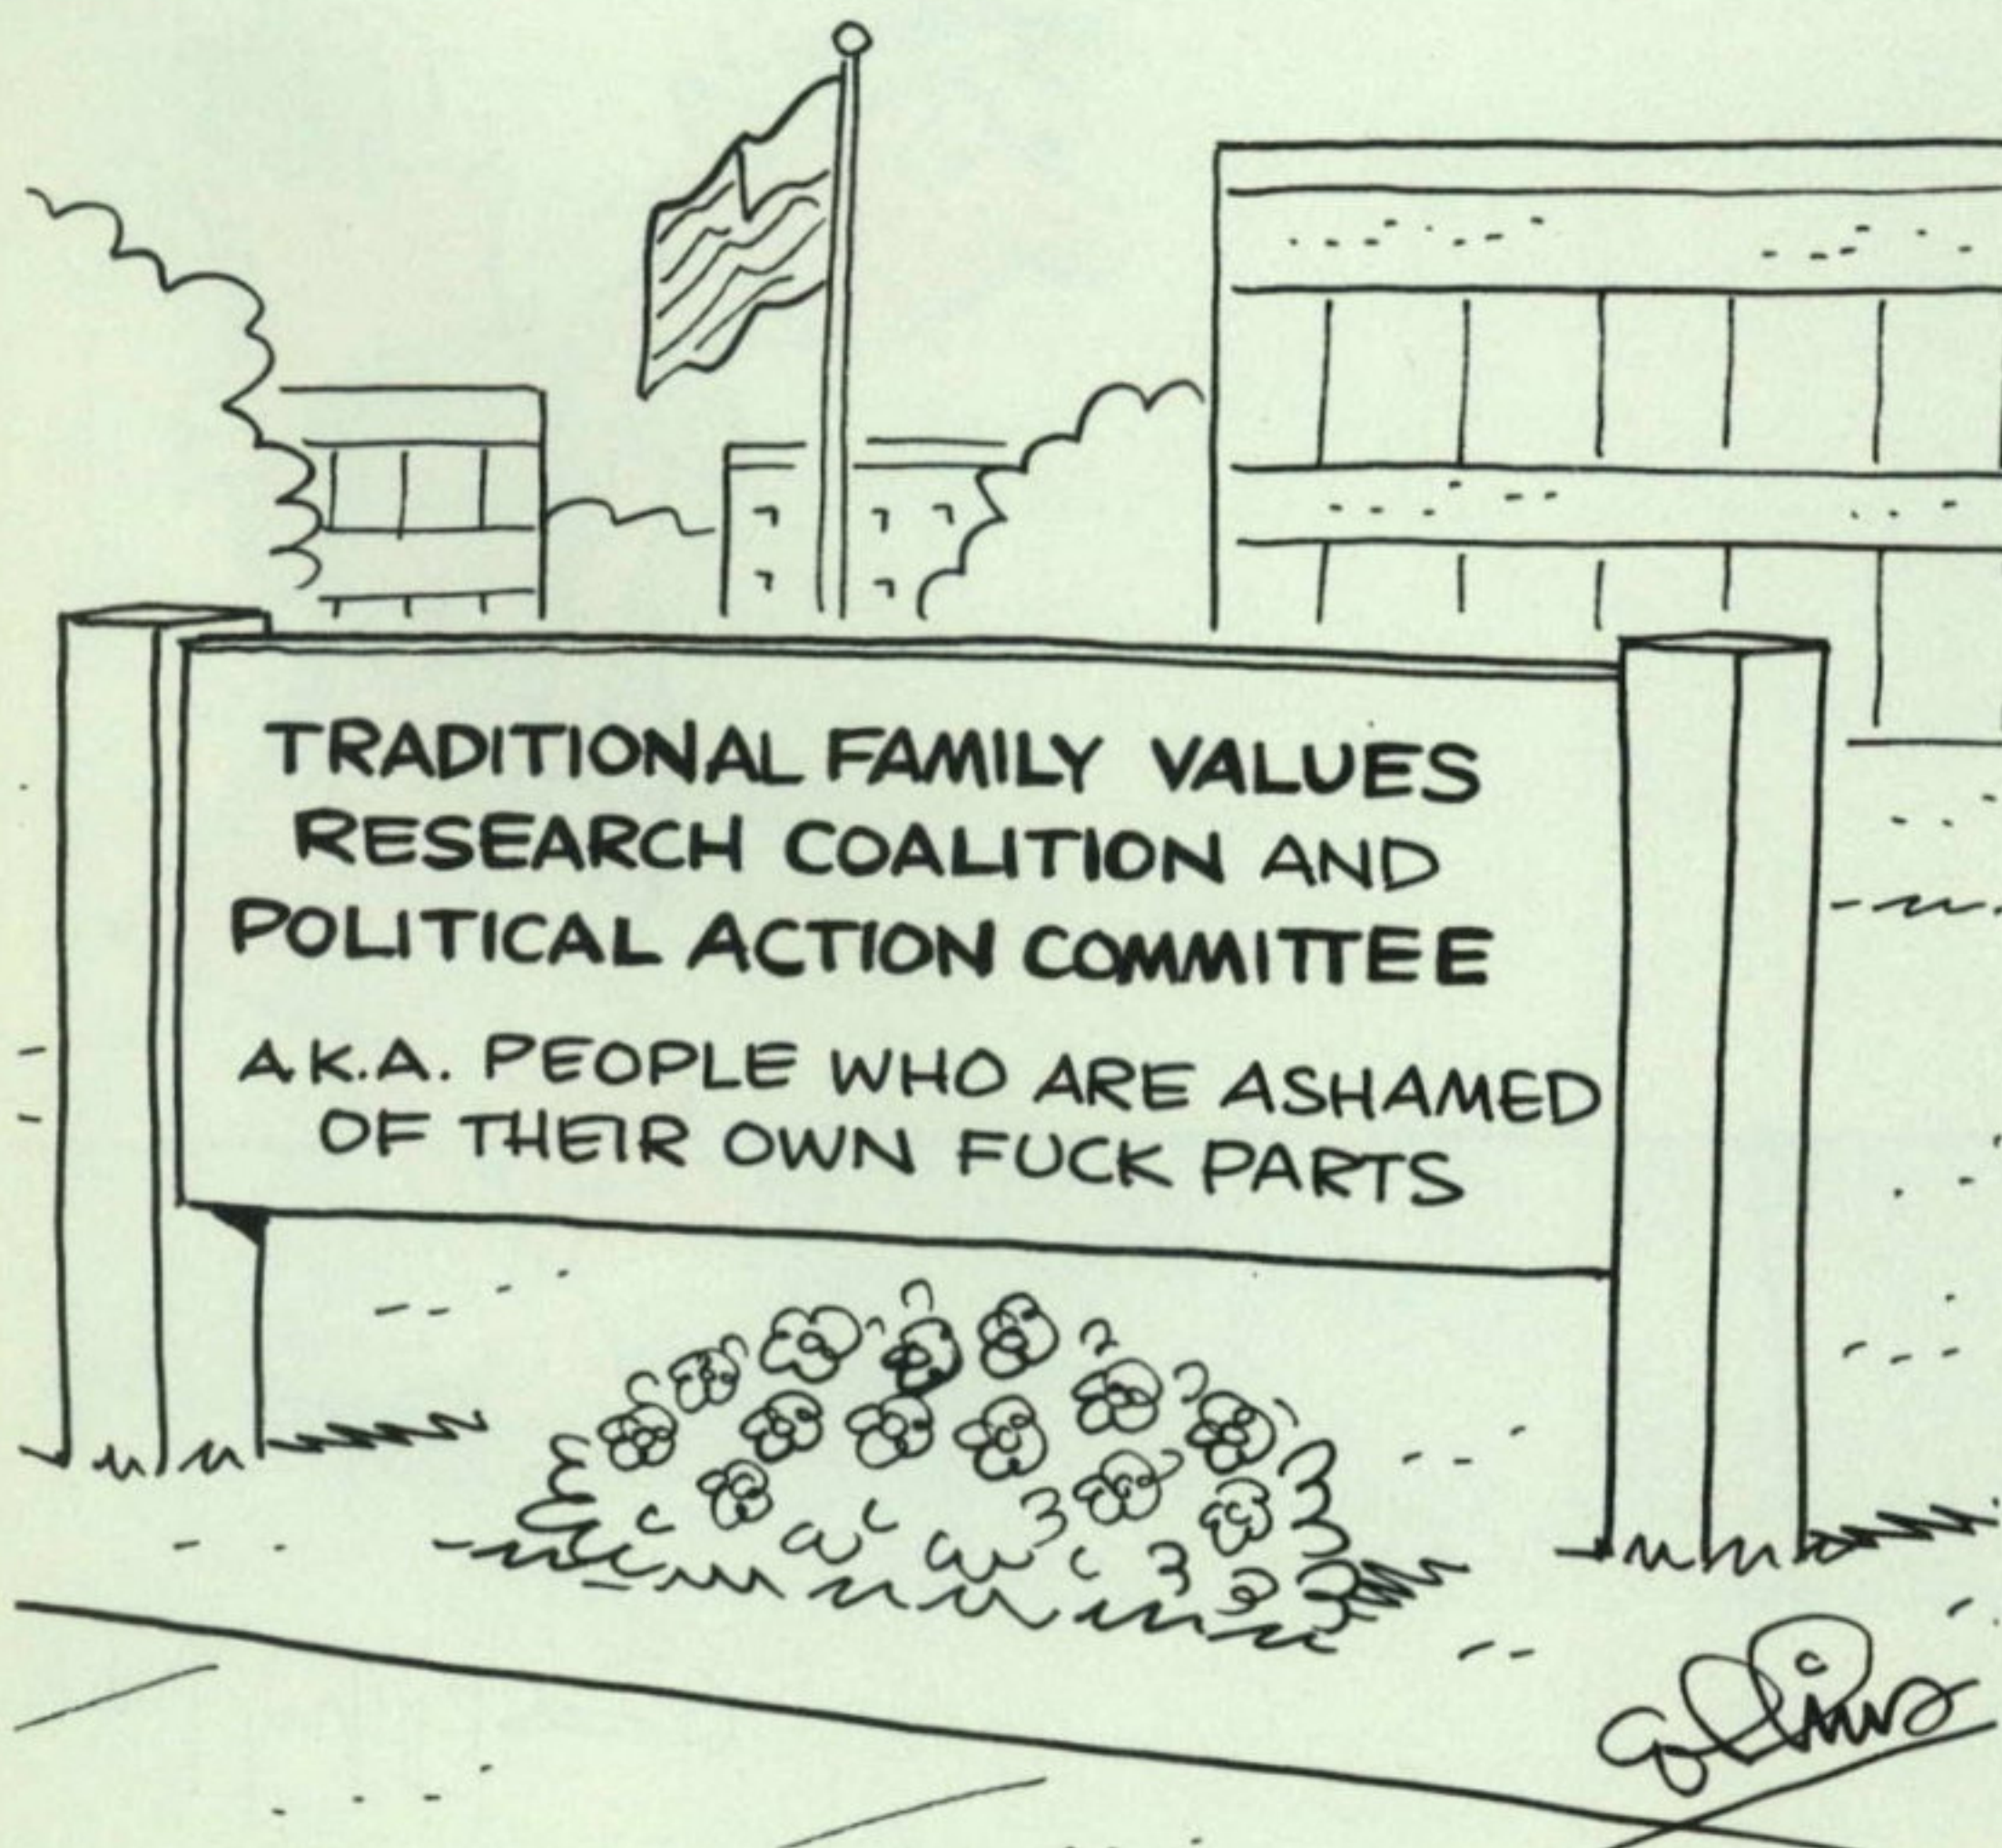

Angie suggests a trip to the nearby Regency theater, but admits, "we might attack you." Ralph opens another button on his shirt. I thank Angie for the offer, but decline.

The men's underwear pageant has commenced, and in the lineup I spy Steve, who wiggles his butt with elation. The big-haired women hoot and holler, while the men scruff back and forth with the grace of elephants. The excitement never stops.

Marvin slithers over to make sure I'm all right. He surveys the room with pride: Couples chat, men dip into the napes of women's necks, women grind against other women, and male partygoers slap each other firmly on the spine and ask to fuck each other's wives.

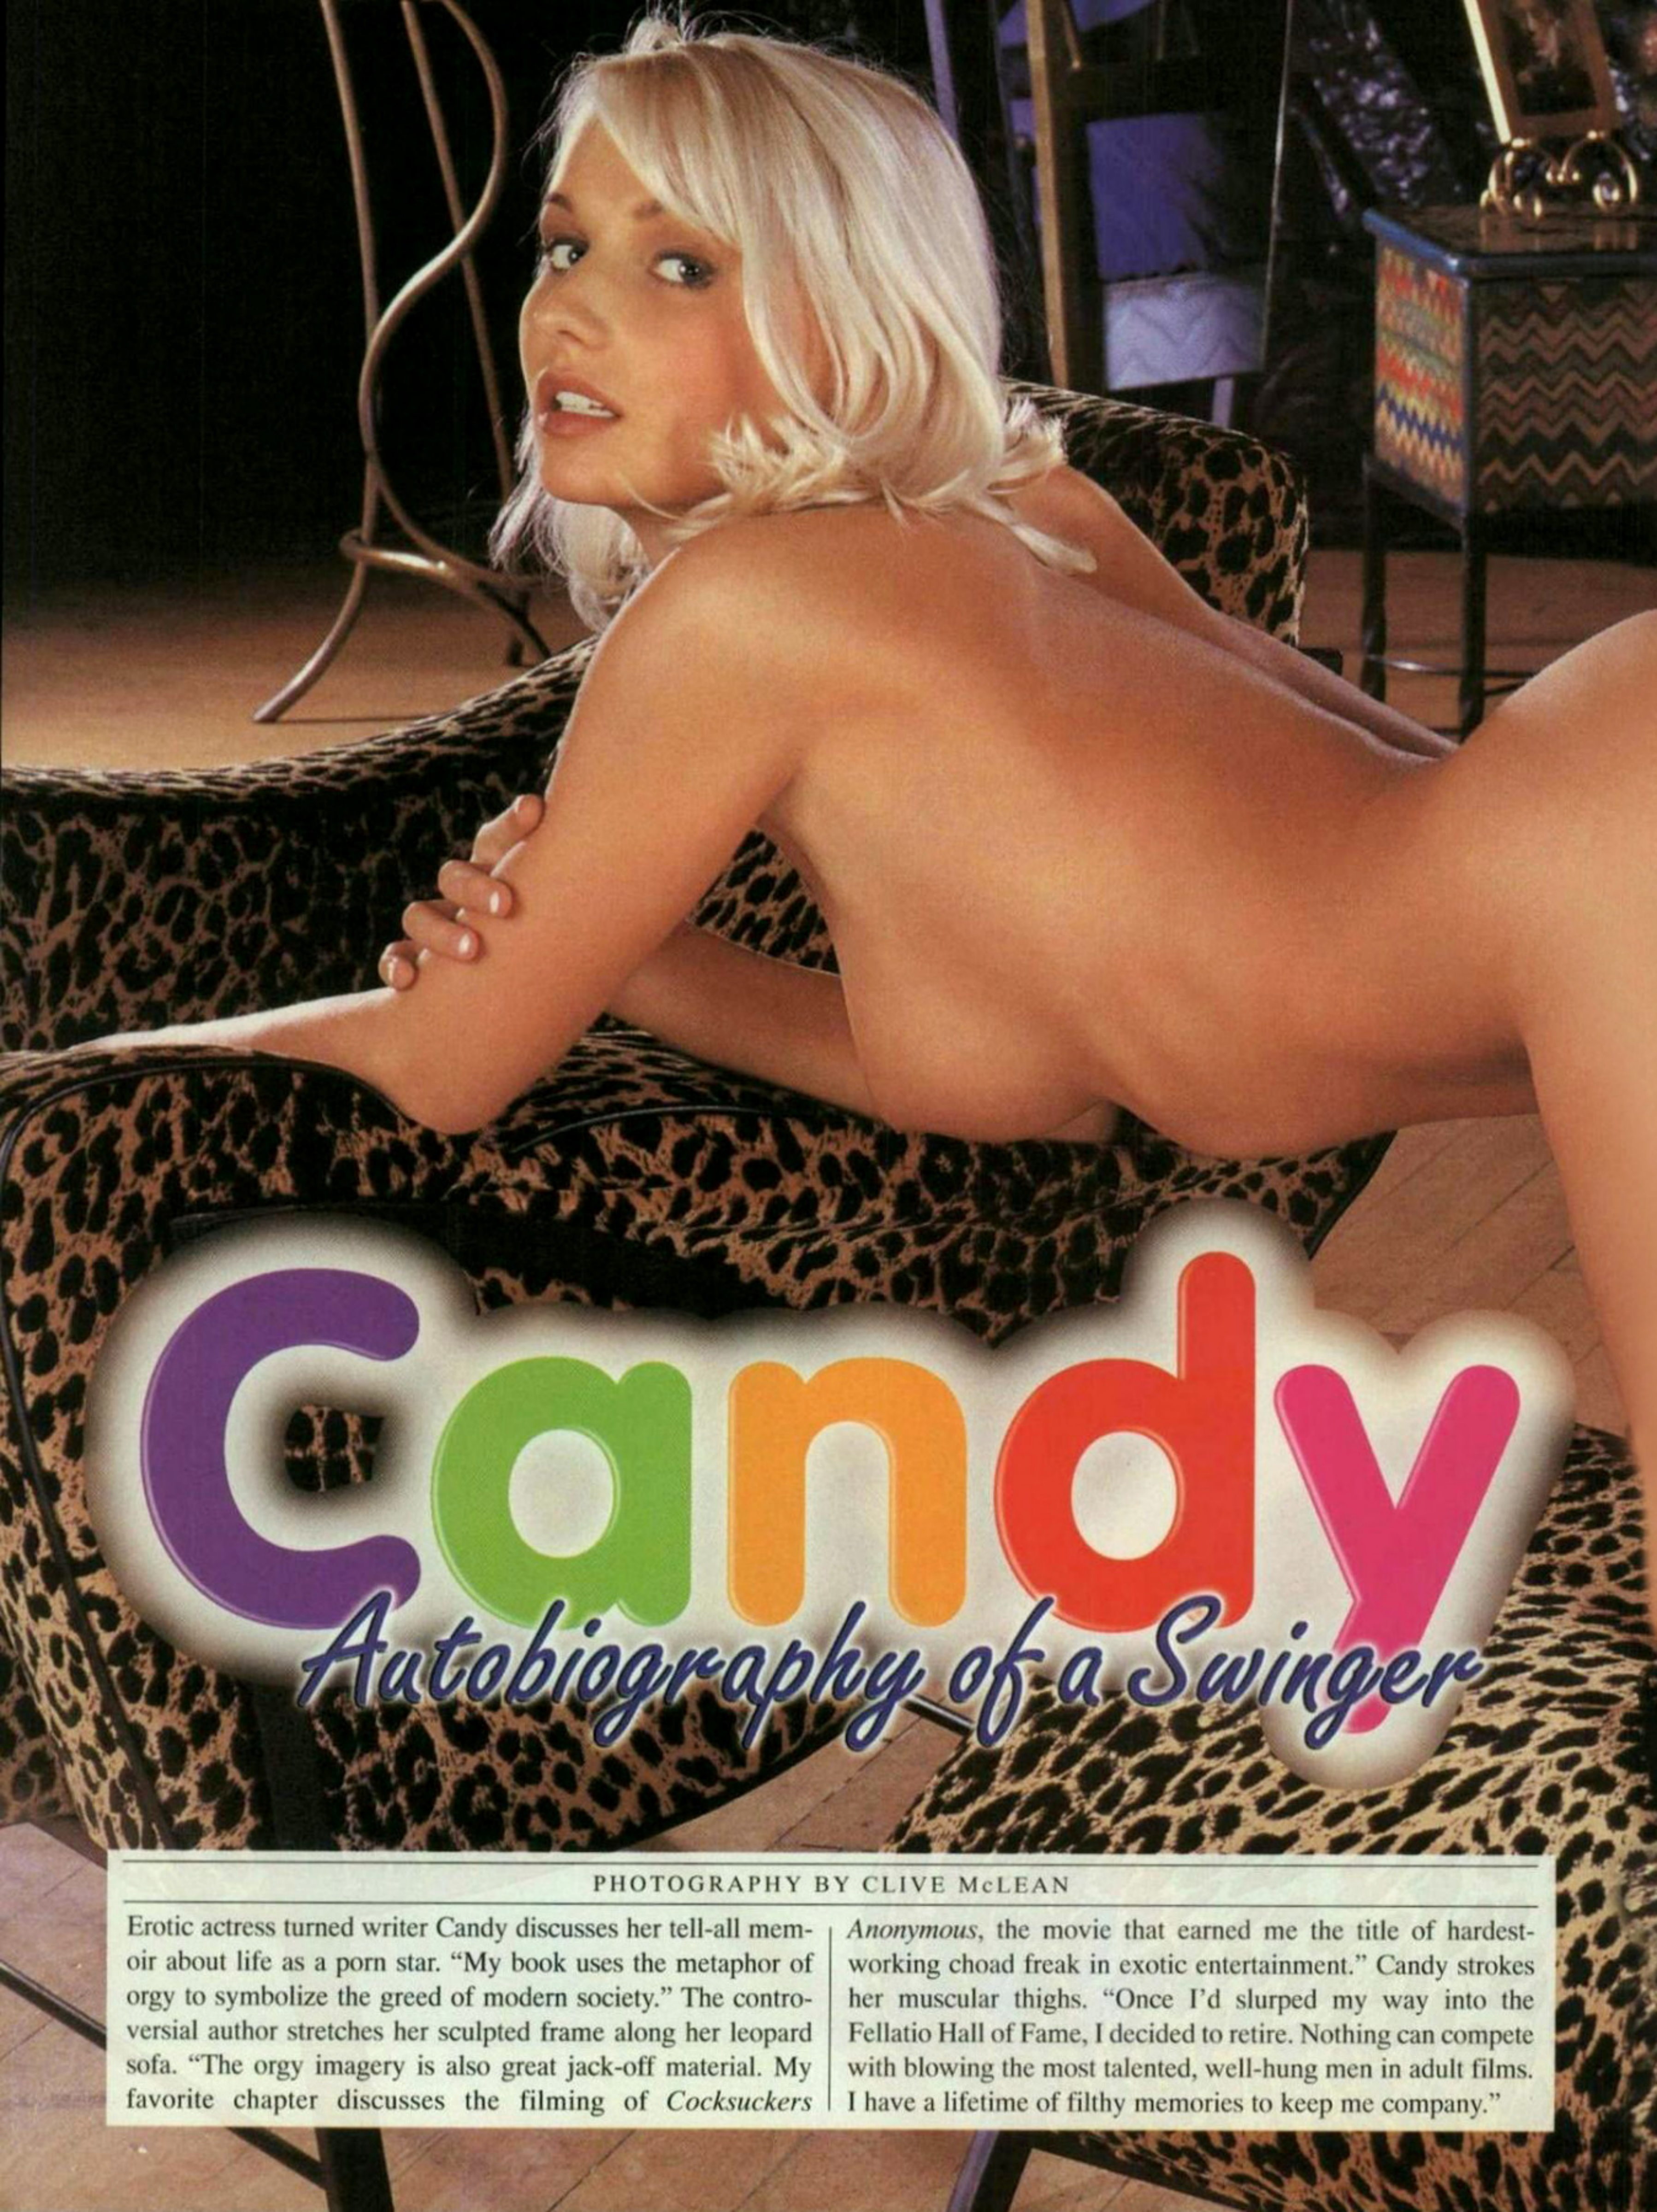

"I hope you enjoyed yourself," Marvin beams. "The Carousel Connection is a special place."

Indeed, it is all a carousel, circling round and round to the tune of tinkly, happy music. You pick your favorite horsy, and you hop on for a ride, until you change horses for the next time around. Everything is merry. Everyone has a good time. ☺

"It's a health issue, Harry—I'm tired of inhaling secondhand vaginal smoke!"

Autobiography of a Swinger

PHOTOGRAPHY BY CLIVE McLEAN

Erotic actress turned writer Candy discusses her tell-all memoir about life as a porn star. "My book uses the metaphor of orgy to symbolize the greed of modern society." The controversial author stretches her sculpted frame along her leopard sofa. "The orgy imagery is also great jack-off material. My favorite chapter discusses the filming of *Cocksuckers*

Anonymous, the movie that earned me the title of hardest-working choad freak in exotic entertainment." Candy strokes her muscular thighs. "Once I'd slurped my way into the Fellatio Hall of Fame, I decided to retire. Nothing can compete with blowing the most talented, well-hung men in adult films. I have a lifetime of filthy memories to keep me company."

Can I read you a bedtime story?

HUSTLER

HUMOR

Little Johnny ran into the kitchen and retrieved the ice cream from the refrigerator.

"No ice cream before supper, Johnny," his mother said. "Go outside, and play."

"But there's no one to play with," Johnny whined.

"I'll play with you," volunteered his mother.

"Okay. Let's play Mommy and Daddy," little Johnny said. "Go upstairs to your bedroom, and lie down."

Johnny went to the hall closet and donned his father's fishing hat. He shoved a cigarette butt into his mouth, grabbed his balls and swaggered into the bedroom.

Johnny's mother sprang up in bed. "Now what am I supposed to do?"

"Get downstairs, you whore, and fix that kid some fucking ice cream!"

Question: Do black people talk funny?

Answer: No, it's a miff.

Grieving the loss of her beloved cat, an elderly woman boarded the bus to the pet cemetery.

Noticing her tear-stained face, the driver asked, "Is everything okay, ma'am?"

"My pussy is dead," the old lady replied.

"Sit next to my wife," the driver said. "You two will have a lot in common."

Golf buddies Dick and Jerry were showering at the country club.

"Do you ever have anal sex, Jerry?" Dick inquired.

"Sure," Jerry said. "All the time."

"With whom?" Dick asked.

"My wife," Jerry said casually.

"She likes it?"

"Not especially."

"So you're into it?" Dick smiled.

"No, I can take it or leave it," Jerry replied.

"Then why do you do it?"

Jerry shrugged. "The kids get a kick out of it."

O'Malley staggered over to a man seated at the end of the bar.

"Your mother gave me a blowjob," slurred the old sot. The young man ignored O'Malley and finished his drink.

The surly drunk approached another patron.

"I ate your mother's pussy," O'Malley snarled. The younger man shook his head in disgust, but said nothing.

Stumbling back to his stool, O'Malley turned to the guy next to him and growled, "I fucked your mother!"

"I think you better leave," the bartender said.

O'Malley's latest target motioned to the other two, who retrieved the old man's hat and coat.

"C'mon, Dad," they said. "It's time to go home."

Question: What's black and blue and hates sex?

Answer: A rape victim.

Three high-school jocks received their final grades from Miss Smith's sex-education class.

The first boy received a D+, the second earned a D-, and the third was awarded an F.

"Someday we'll get that bitch," said the first boy.

"Yeah! And then we're gonna strip her," added the second.

"Yeah!" exclaimed the third. "Then we're gonna suck her dick!"

The HUSTLER Dictionary defines *Greek* as: a man who likes to enlarge the circle of his friends.

Nervous about a hot date, Chuck asked his friend Joe for tips.

"Relax," Joe assured him. "Chicks love compliments. Just flatter her, and everything will go fine."

An hour later, Chuck returned, rubbing a black eye.

"Didn't you take my advice?" Joe demanded.

"Yes," Chuck wailed. "After we kissed, I told her that for such full lips, hers sure tasted sweet. When I felt her tits, I said that for such large breasts, hers sure were firm."

"Sounds like you were doing great," said Joe.

"Then I paid her another compliment," Chuck said.

"What did you say?"

"For such a large snatch, it sure doesn't stink much."

INTERNATIONAL REPORT BY MITCH SHEPARD

Flying in the face of environmental clubs and common sense, thousands of rowdy, carnage-hungry gearheads gather every year in the desert near Ensenada, Mexico. Hundreds of thrillseeking drivers grind their trucks, cars and motorcycles over more than 700 grueling miles toward the checkered flag at the end of the desert. Prize money for this death race might not be world-class, but the chicks are hot, and the beer is cold. South of the border, anything goes.

Baja

Midair collisions, booby traps and carnage contribute to the race's dangerous reputation. Drivers anticipate this year's race will be especially difficult.

The sweet, pungent aroma of marijuana fills the cab of Anthony's forest-green Ford 350 truck. Bouncing down California's Interstate 5, the four-inch, soft-ride lift kit rocks and sways the behemoth vehicle. Nicknamed Big Bud, the truck sports customized Bilstein shocks, front and rear pre-runner brush guards equipped with two 12,000-pound winches and 36-inch Super Swamper tires.

Big Bud belongs off-road, flying over dry riverbeds and tree stumps, making this Ford the perfect ride from which to cover the Tecate SCORE Baja 1000 Desert Race.

One hand on the wheel, Anthony sucks a short hit off his spliff. He watches the three miles of continuous strip mall known as San Ysidro, California, whiz by through his grimy windshield. He rolls down the window, sucking the last drag off the roach, then tosses the smoldering butt. The remains spark on the empty highway like an errant bottle rocket. As we near the Tijuana border, Anthony lights a cigarette.

"Big Bud reeks of weed, and you're stoned," I complain. "Promise me you smoked the last of your stash. I'm not ready to play bitch in a Mexican jail." Anthony says nothing. He drives and sucks his Marlboro like a pacifier. His placid demeanor brings to mind the clini-

cal calmness of a sociopath.

Big Bud passes under the glare of thousands of floodlights. Gray cement walls funnel drivers through barren, dirt canyons and chain-link fences to the gates of Mexico. Waving a stream of cars through the corrugated-steel enclosure, a border cop eyes Big Bud with envy as we stop at the booth. Like a roach motel, Tijuana is much easier to check into than out of.

"Where are you going?" the Mexican officer asks in Spanish.

"Ensenada." I flash our press materials from SCORE International, the race's organizers. The Mexican border official eyes me suspiciously, crinkling his nose like a finicky rabbit. He waves us toward another cop with a dog on a short, leather leash. My heart pops and revs like a two-stroke engine. With a blank expression on his face, Anthony shifts the truck into first and pulls forward.

I hop out of the cab and nervously greet the officer and his canine companion. The *federale's* black shirt fits a size small. The straining buttons barely contain his rolls of flab. The original border cop flanks the truck with a mirror attached to the end of a bent metal pole, peering at Big Bud's underbelly. Officer Small Shirt points to the covered bed of the truck with a jerk of his head. Taking

Anthony's keys, I open the back window.

Peering into the mass of bags, clothes and tools, the official points at a bedroll. He slowly unstuffs the sleeping bag, searching for hidden contraband. Finding nothing, he takes his time poking around the clutter. He ignores the locked tool box attached to the bed's front end. Border traffic backs up. Horns honk. Satisfied, the wary officer closes the window and flashes a smile, revealing a gap in his brown gums where his incisor should be.

"Enjoy Mexico," he says, waving us across the border.

Anthony grins, lighting another cigarette. "Good thing he didn't search my film case in my camera bag."

I exhale a sigh of relief as we hop on the toll road heading south.

The Ensenada Tourism Trust boasts Baja California's third largest city as "the Cinderella of the Pacific." The description fits the fairy-tale princess before her magical transformation: poor and unhappy. Located in the northwest corner of Mexico on the Baja Peninsula, Ensenada sulks in decay like many south-of-the-border towns. Structures built from concrete and rebar line muddy, unpaved streets. Rotting wood and crumbling cement decorate open lots next to lakes of brackish water created by clogged storm drains.

For 30 years, Ensenada has played host to the Baja 1000, the pinnacle of off-road motor sports. Starting and finishing in Ensenada, the course encompasses 707.7 miles of rugged terrain. Featuring competition in 23 classes for trucks, cars, motorcycles and all-terrain vehicles, the Baja 1000 is the gearhead Superbowl.

More than 150 drivers race for time, not position, collecting *chits*, or markers, from race officials, proving their passage through each of the course's 12 checkpoints. Celebrities such as James Garner, Steve McQueen, Ted Nugent and Larry Wilcox from the '70s television series *CHiPs* have competed, adding to the notoriety of the event. Midair collisions, booby traps and carnage contribute to the race's dangerous reputation. Drivers anticipate this year's race will be especially difficult.

"You can't begin to predict what the racing conditions will be like," says Chevy-sponsored driver Dale White. "Bouncing over ditches, powering through thick silt, catapulting from rock to rock, battling blinding dust, extreme temperature changes, flash floods and more."

A light rain drizzles as Big Bud cruises down Avenida Constitucional. The dash

Hiking in the Sierras, buxom, German naturalist Heidi observes and records the customs of American sex fiends procreating in their natural habitat.

"When I reached the top of the hill, I discovered two lovers in the ravine below. I hid behind a large boulder and watched. The woman knelt before the man and stroked his stiff prick. I shoved a finger into my glistening hole. I banged myself quietly so they would not discover me. Is it an American custom for the man to slap the woman in the face with his dick before he slides it in her mouth? The woman lubed her lover's meat with her tongue. She straddled him, touching her clit as she rode his immense manhood. Within a few furious strokes, the three of us came together. My travel guides were right—the California mountains are a very wild place."

clock glows 3:24 in iridescent green. Aside from the techno music blasting from the neon strip of tourist bars, the industrial town has turned in for the night. We decide to nap in the truck, then check into a hotel in the morning. Parking in front of the Riviera del Pacifico, Ensenada's Civic Center, we unroll our sleeping bags. I close my eyes and doze off, listening to the crackle of sensimilla as Anthony burns a bedtime blunt.

Pounding Mexican polka music assaults my ears. I jump up, forgetting I'm in the back of a truck and bang my head on the low roof. Wiping the condensation from the window, I make out a huge, red beer can looming overhead, threatening to crush Big Bud. Wondering if I am dreaming or hallucinating from a contact high, I shed my sleeping bag. Anthony sleeps, unhindered by the racket.

At 8 a.m., the pre-race party is in full swing. Brilliantly colored vehicles with big, black balloon tires pack the avenue. The colossal beer can is neither drug-induced nor imagined, but an immense, inflated advertisement for Tecate beer, hawked from a plywood-and-sawhorse bar. Bloated, mustached men in tight Levis, tool-sponsor T-shirts and fanny packs loiter around the makeshift tavern, sipping suds

and swapping technical jargon.

I buy a beer and join the circle of conversation. The group favors Ivan "Ironman" Stewart, Toyota's premier Trophy Truck driver, to take this year's title. Placing first in June's Baja 500, Stewart powered Toyota's T100 Development V-8 engine at speeds of more than 130 miles per hour to cross the finish line after nine hours and 48 minutes of extreme off-road action. Toyota has shelled out countless dollars to ensure another victory at the Baja 1000, equipping Stewart's million-dollar truck with a Global Positioning System that maps his locale via satellite. Stewart's overhead includes 75 crew members, two tractor trailers, 30 support vehicles, two helicopters and a chase plane.

Drivers line up to safety check their rides with race officials. The resplendent hues and exaggerated tires make the vehicles seem cartoonish. Space framed, the trucks are nothing more than bare chassis with fiberglass, snap-on body panels. Mechanics secure the radiator in the back for weight distribution. Custom suspensions are designed to withstand impact equivalent to a three-story fall without bottoming out. Despite the amazing features, the truck's principal purpose is as an ad mule for sponsors.

Onstage in the middle of the street, young Mexican girls shake thick asses in tight dresses to a Spanish remake of the Police's "De Do Do Do." Hot, brown-skinned beauties decorate every product stand. Sparking interest in BF Goodrich, a fine Latina with honey-colored hair, perky tits and bubble butt crammed into a red-and-yellow bodysuit provocatively caresses a stack of tires.

She giggles at my gawking and motions me over, making the international talking gesture by opening and closing her hand like a puppet mouth.

"Are you a driver?" she purrs, batting her thick, black eyelashes.

"No, a thirsty writer," I reply. "When you're finished selling tires, I'll buy you a drink."

"I don't sell tires. I'm paid to stand here and talk to people." She gently brushes my forearm. "You're a driver, yes?"

Deducing that drivers are much more attractive to tire girls than writers, I nod my head, quickly concocting lies about near crashes and checkered flags. But the tire girl senses my hesitation. She removes her soft hand from my arm and searches for burlier men, or at least those with a more convincing story.

Johnny Campbell stands rigidly in the banquet room of the San Nicolas Hotel for the pre-race press conference. Wiry and clean-cut, Campbell, 26, rides for American Honda and is favored to capture the motorcycle title. He is self-assured and confident, but speaks woodenly, as though he's reading cue cards. "The rain is bad," Campbell drones. "The mud will put a whole new twist on the course."

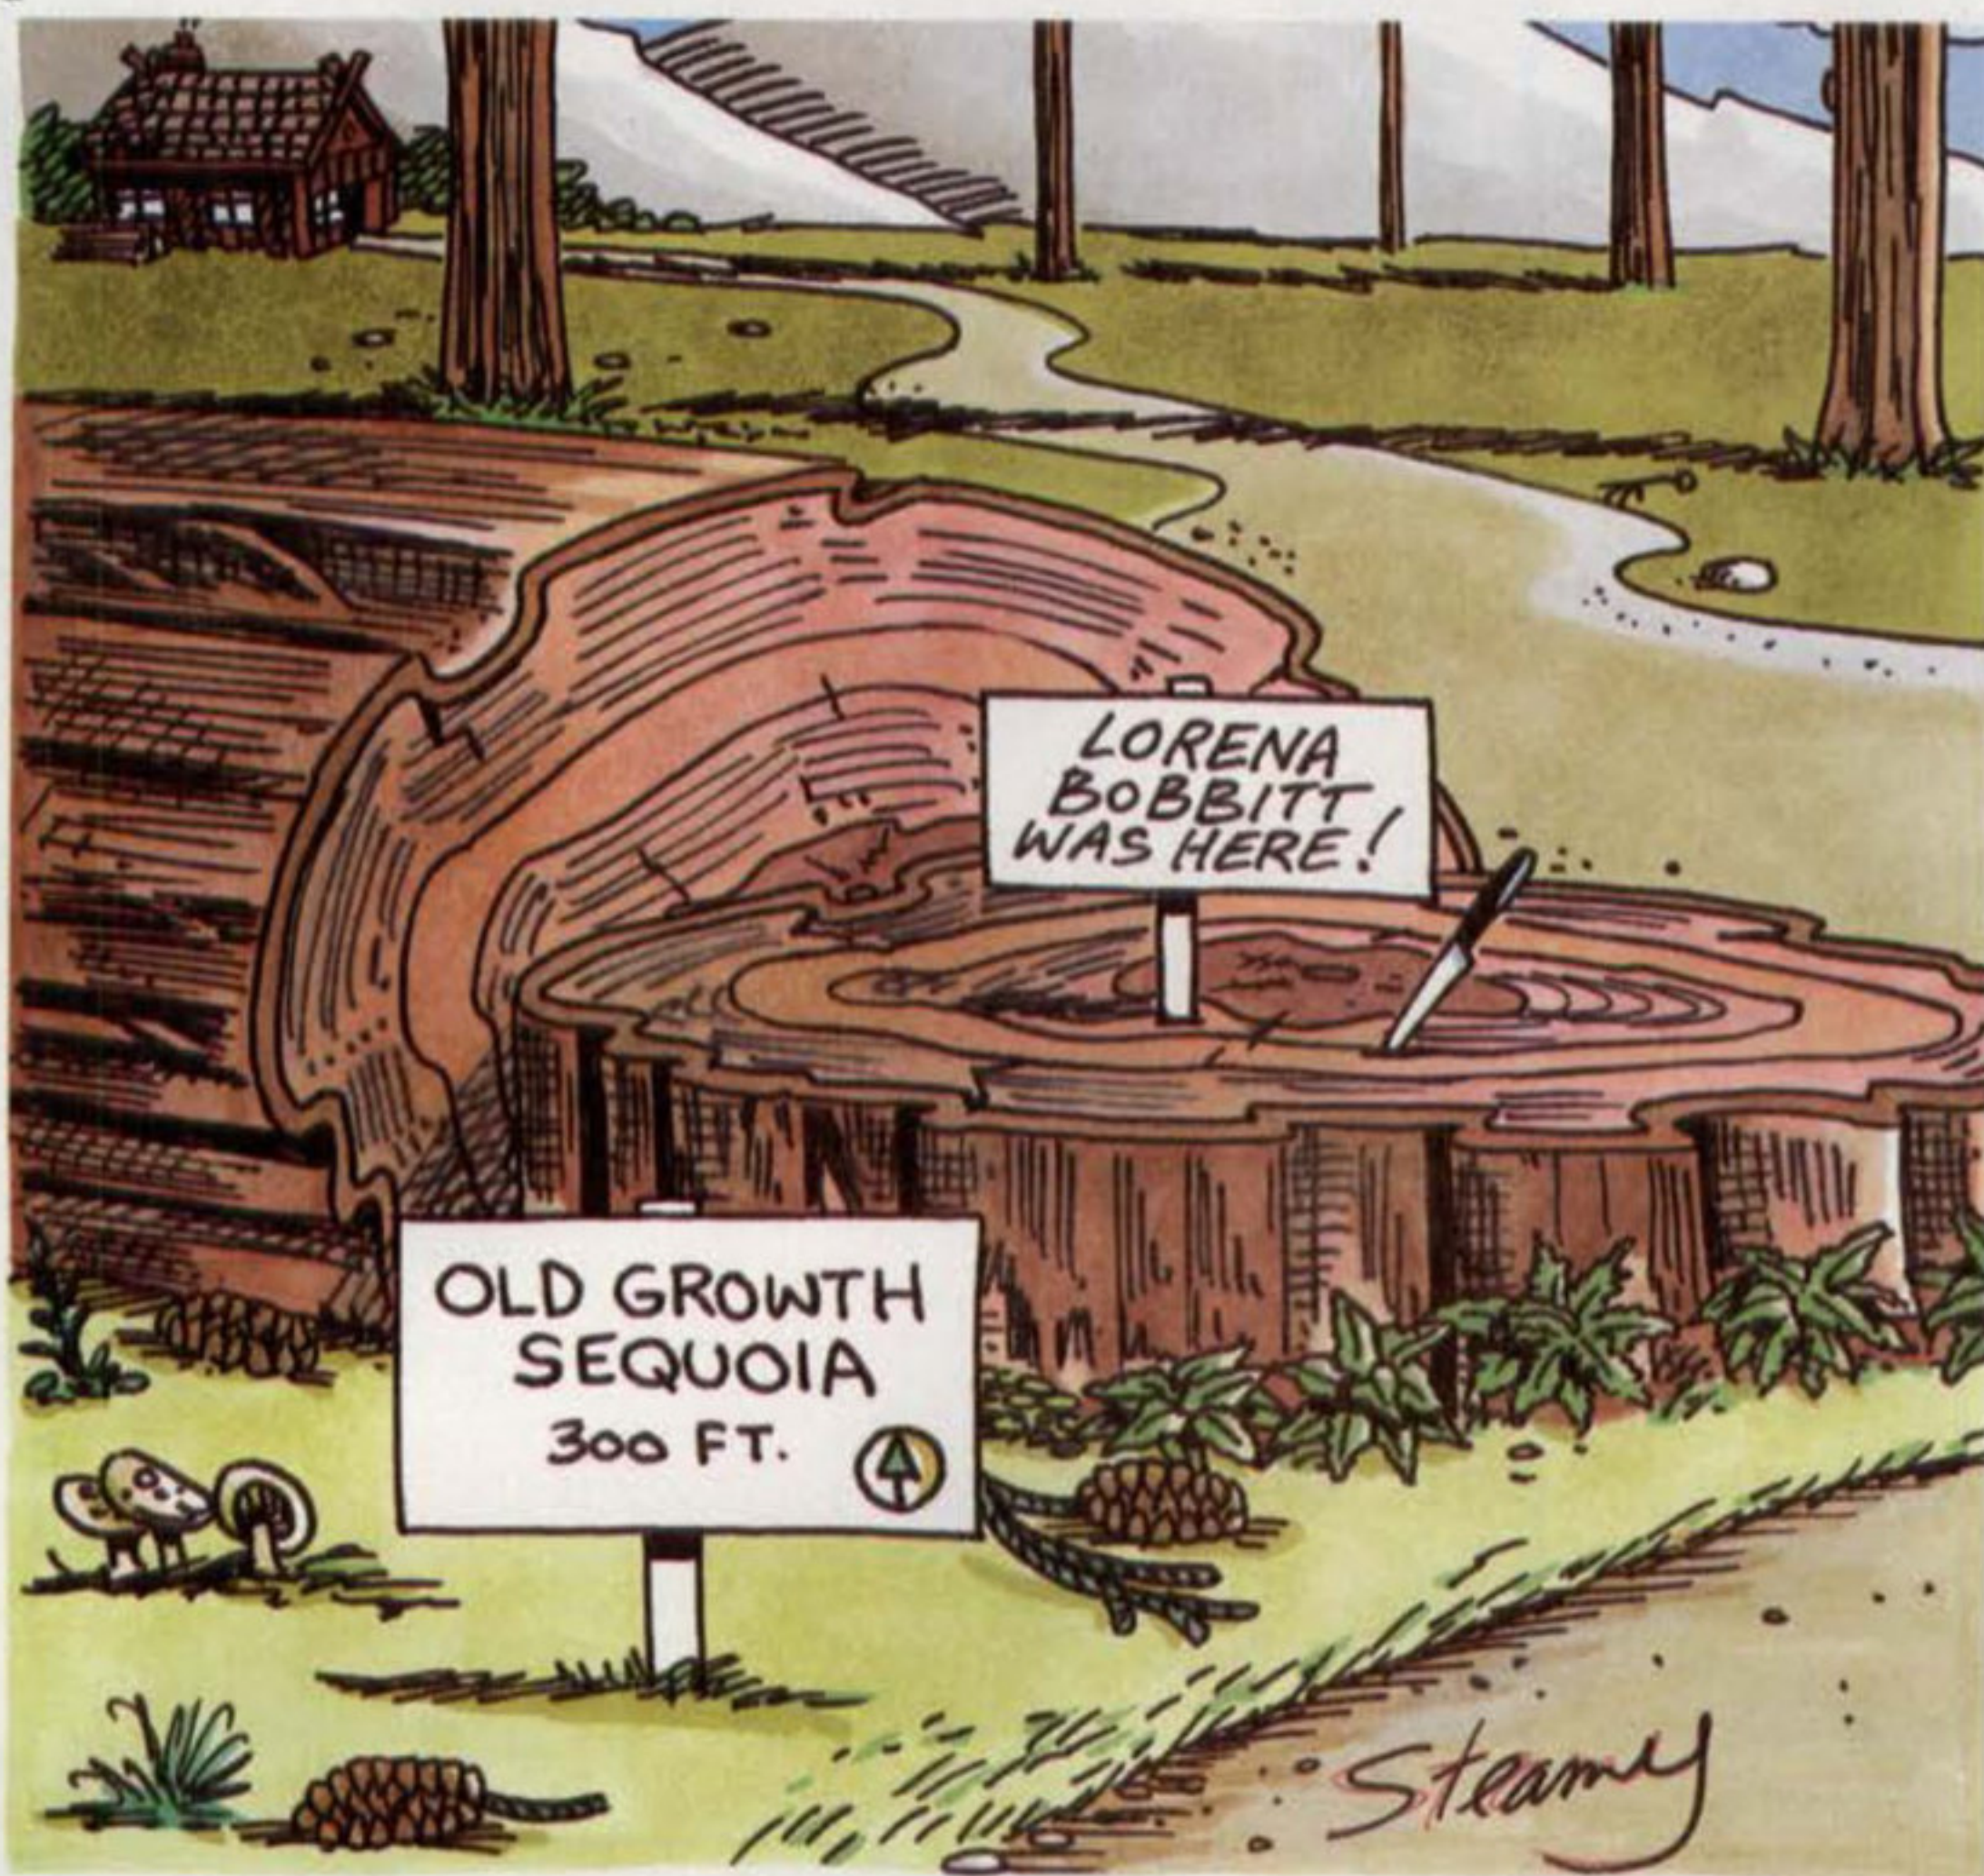

Campbell finishes by monotoning the usual public-relations rigmarole: loving the Baja 1000, local fans and American Honda, emphatically stating he will win the race at any cost.

Campbell's main competition is his former teammate, Mike Healey, from Costa Mesa, California. Healey shares a motel room down the block from the four-star San Nicolas with fellow riders from Team IMS, his new sponsor.

Tattooed and pierced, Healey lies on his bed wearing racing leathers and steel-plated boots. A large, black cowboy hat hides his bleached-blond hair. Healey devours a plate of spaghetti. He's attempting to avoid costly bowel problems induced by the local cuisine.

"Campbell's a pussy," Healey laughs, mouth full of pasta and tomato sauce. A small gut protrudes over his leather pants as he reaches for a can of Coke. His

Baja

"The locals want action. They dig a huge pit just to watch you fall in. If you see a group of Mexicans standing around, be careful. They probably buried a VW Bug for you to crash into."

(continued from page 102)

partner, Tex Mitchell, nods his head in agreement.

Both Healey and Mitchell are anxious for tomorrow's race. An American was killed pre-running the course when he crashed his motorcycle into an oncoming truck.

"The race is crazy," expounds Healey. "My strategy is to pick my line and pray I don't hit any traps. That's the most dangerous part. The locals want action. They dig a huge pit just to watch you fall in. If you see a group of Mexicans standing around, be careful. They probably buried a VW Bug for you to crash into."

"The Sierra Club is the fucking worst when it comes to booby traps. They hate racers for destroying the environment. To protect the turtles and lizards, they string monofilament wire between two trees about chest level. If you hit the wire at 100 m.p.h., you're dead. The funny thing is, they hate us for driving in the desert. But how do you think the Sierra Club gets out there to set the traps?"

A sane man would doubt the Sierra Club sanctioning activities that imperil racers, but Healey's eyes gleam with the rage of a true believer. He shoves another forkful of pasta into his mouth. "There ain't a dime in this fucking sport," he grumbles, "at least not for the motorcycle

riders. The course is so long, you can't really have any spectators. No crowds mean no money." Healey surveys the cramped motel room. "You put your life on the line for glory and jack shit. But the fans treat you like a rock star. The same groupie girls sucking dick backstage at concerts come to the rallies."

On our way back to the San Nicolas bar, Anthony and I run into Johnny Campbell. "Healey called you a pussy," I taunt, hoping to burn his cool exterior. Campbell looks irked, but shrugs off the insult.

"Listen," he says diplomatically, "Mike Healey's a really good rider. But I have a strong desire to win. Mike Healey did not share this desire when he rode with Honda. He's lazy. He didn't want to do the work. He's not conditioned for desert racing. He's used to the soft life of supercross."

* * *

Cracking our second bottle of tequila, Anthony and I argue drunkenly on the steps of a Catholic church. Anthony firmly believes that Campbell will win the motorcycle title. I disagree, believing Healey's cockiness will propel him to victory. Slamming two more foaming Tecates, we agree that Toyota's Ivan Stewart looks like the bastard love child of Max Hardcore and the Yeti.

Shadows follow footsteps and rapid-fire Spanish. Three *federales* stroll by the church. Their khaki uniforms are neatly pressed, and their black boots shine spit. They stop when they see our open containers. One officer, bearing a striking resemblance to Hector "Macho" Camacho, steps forward, grabbing my beer from my hand and dumping the liquid onto the cobble street.

"This isn't the United States," he growls. "You can't drink in the streets."

"Actually," I reply, "drinking in public is illegal in the United States too."

"Get up," he says gruffly, wrenching my arm with a viselike grip. "I'm taking you to the police station."

One of the other officers leans in and whispers to Camacho. Camacho pauses and contemplates, twisting the ends of his wispy, black mustache.

"Maybe he wants a bribe," Anthony says softly, clutching his camera bag to his chest.

Camacho steps up and wipes spilled beer off his sleeve: "Are you guys drivers in the Baja 1000?"

What kind of driver would be drunk off his ass at 2 a.m. the morning before the race?

"No," I say, reaching for our press passes, "we're—"

"Support crew," interrupts Anthony. "For Toyota. Go, Ivan Stewart. We need to get back to our hotel. Race starts bright and early."

"All right," says the surly cop. "I don't want to see you again tonight."

We pick up our empty cans and scurry around the corner. Anthony pulls two more cans out of his camera bag. Guzzling beer, we skulk back to our hotel.

* * *

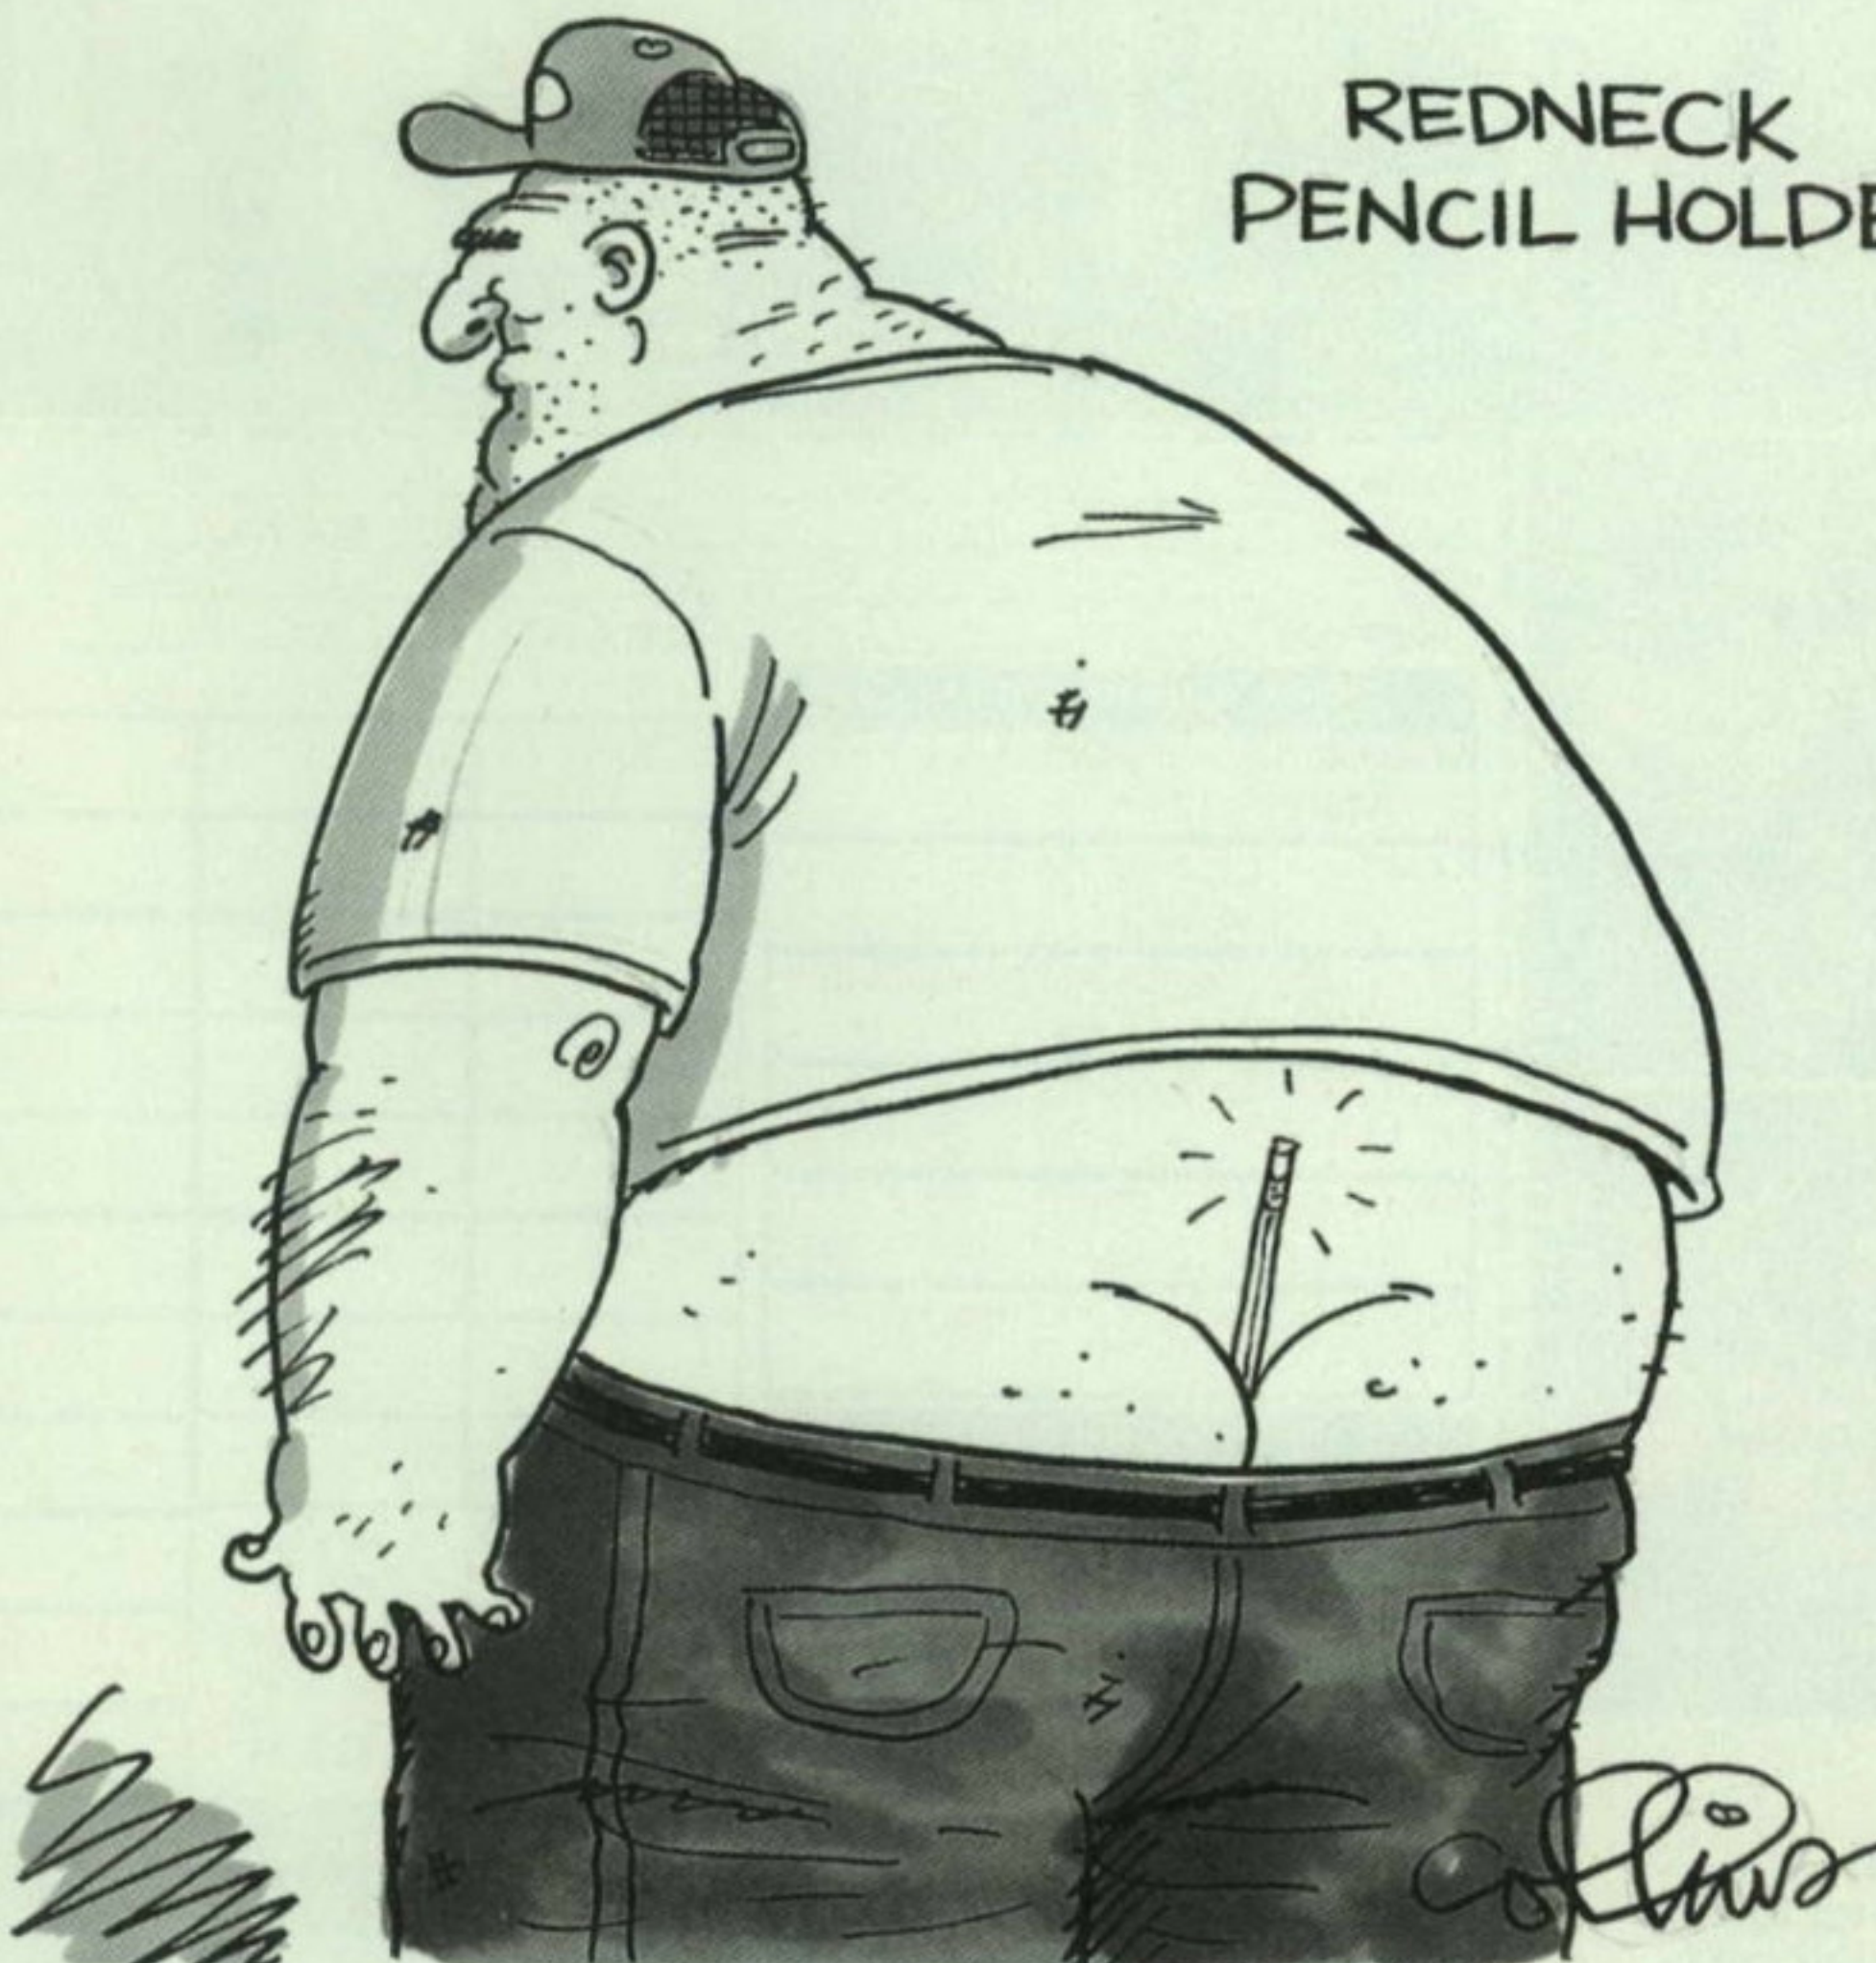

Due to the inclement weather, Sal Fish, president of SCORE, eliminates six miles of the race and changes the starting line to Avenida Ruiz. According to the press release, the Baja 1000 starts promptly at 6 a.m. The motorcycles leave first, departing in 30-second increments.

At 6:30 a.m., support trucks towing race vehicles whiz through the unmarked streets of Ensenada. Anthony and I are not the only ones who cannot locate the starting line. We follow a minivan with a bumper sticker that reads: GEARHEADS DO IT IN THE DIRT. A mass of trailers and recreational vehicles, as well as the unmistakable, inflatable Tecate can, indicate the starting line.

The whole town of Ensenada has come out for the event. Men, mothers, children, grandparents and babies crowd the first

Somewhere between a rock and an extremely hard place is Santa Barbara, California's Sicily. An exotic dancer and student, the muscular nymph loves island hopping and partying. Sicily would also love to "have long, passionate sex in a field of wildflowers." Any nature lovers care to study the reproductive habits of a stone fox?

Photo by Friend

Winnipeg, Canada's Ashle is an exotic dancer who harbors a smoldering yearning to take on "three men at once." Something in the 27-year-old's determined stare makes us believe she will make her dreams come true.

Photo by Friend

Exquisite Gabriela from Prague, Czech Republic, plants a seed in the fertile imagination of HUSTLER readers. The flaxen-haired 23-year-old came to the United States to further her modeling career. Keep posing like that, Gabriela. Something is bound to crop up.

Sassy Lindsey Rae hails from Phoenix, Arizona. The 35-year-old adult entertainer claims all her erotic fantasies "eventually become reality (hee hee)." Sex may be fun, Miss Lindsey, but depravity is no laughing matter.

Photo by Friend

Jenna is a model from Raleigh, North Carolina. Waterskiing, shopping and oral sex light this blond fox's fire. The 31-year-old scofflaw dreams of "exposing herself in public places" and "driving down the highway having sex, with the car on cruise control." Erotic visionary or perverted thrillseeker? You decide.

Photo by Friend

Lithesome Michele of Villa Park, California, stretches in preparation for her favorite hobbies: dancing, bike riding and wild, tied-up sex. In addition to her clean-shaven cooch, the 22-year-old exotic dancer displays narcissistic tendencies. Michele would love to "make it with another woman like me." Have they successfully cloned a stripper yet?

Photo by Friend

Witchy cyberlady Cynder Moon is into "computers, sex and computer sex." The 33-year-old Atlanta, Georgia, gal fantasizes about "being watched." Voyeurs can fulfill Cynder Moon's wishes by viewing her Web site at www.poisonapple.com. Warning: Intense visual excitement may be followed by enchanted slumber.

Coy dominatrix Sara is a retail manager from Kansas City, Missouri. Sara's sentimentality is evidenced by both her frilly taste in interior design and her rich inner fantasy life. The 24-year-old's flights of whimsy include "enjoying the sunset on the beach while my husband gets me from behind." There is a touch of the poet in all of us.

Photo by Husband

Atlantic siren Trisha hails from Fall River, Massachusetts, but yearns to have sex with her husband in the "crystal-clear water of the Bahamas." The 21-year-old homemaker also digs car racing with her beloved. This voluptuous vehicle is gassed, stoked and ready to go.

Photo by Husband

Sasha, a real-estate agent from Milwaukee, Wisconsin, reveals the most desirable territory in the Midwest. The 27-year-old professional hopes to show a prospective love nest to a couple "and have them both take advantage of me." Is this what realtors mean by being stuck in escrow?

Photo by Husband

Dawn Lyn is a 27-year-old strumpet from Manchester, Connecticut. Sex with two guys appeals to the pagan in her. The brazen chippie is confident that she will succeed in life, since fortune blessed her with "a nice ass." But where did she get those pumps?

Photo by Friend

Meet Lissa, the most exciting thing to happen to countertops since nonstick Formica. The 27-year-old Indianapolis, Indiana, native lists "travel, sex and more sex" as her hobbies. The shameless hea-then also dreams of "making it in a church." There's more than one way to fill the collection plate.

Photo by Friend

April is a legal assistant from Bandon, Oregon. In her spare time, the 41-year-old lady cares for a menagerie of exotic pets, including an alligator and a wallaby. April also nurtures unusual sexual practices, such as "making love in the backseat of a taxi in downtown Acapulco." April's tasty tourist trap undoubtedly warrants a second visit.

Photo by Husband

Who says retail is a dead-end job? Jenny, a sales associate from Savannah, Georgia, maintains her girlish figure by playing soccer and tennis. The 21-year-old working girl's other goal is to lie "on a bed of rose petals" and be eaten out by her husband. Treat her right, big guy. She's a lady.

ERECTION PROBLEMS?

Our formula borrows upon centuries old herbal remedies. American Indians discovered so called "miracle drugs" in nature...like ASPIRIN in birch bark, QUININE in chinchona, DIGITALIS in foxglove. Their big discovery was DAMIANA, which they used as a stimulant for long, powerful erections. Since the 8th century the Chinese have used GINSENG to increase their sexual power, while in Central America natives have used SANSAPARILLA for the same purpose. Our formula combines all of these legendary products into a single capsule for daily use. We call it **SUPER MALE TONIC**. An agency of the U.S. Govt., without clinical tests, has restricted us from labeling SUPER MALE TONIC as an aphrodisiac. We make no such claim. But we have had THOUSANDS OF REPEAT CUSTOMERS since we started selling it in 1974.

If you have erection worries and are looking for relief we can promise you this: You won't be sorry you tried Super Male Tonic.

PENIS ENLARGEMENT SYSTEM

DR. BROSS INSTITUTE FOR SEXUAL ENHANCEMENT Professional and Complete PENIS ENLARGEMENT SYSTEM

Professional Instruction and Professional Products to help you and guide you every step of the way to a longer, thicker, and harder penis now! Our customers tell us 9 inches... 10 inches... even a **BIG 12 INCHES** is possible!

My name is Dr. Bross and I have discovered the Complete Penis Enlargement System that can help you enlarge your penis. The penis vacuum pump is also becoming the #1 medical treatment for impotence, premature ejaculation, increase sex drive and sexual performance.

**THE WORLDS LARGEST SELLING PENIS ENLARGEMENT SYSTEM
USED SUCCESSFULLY FOR OVER 30 YEARS WITH OVER 15 MILLION
SATISFIED CUSTOMERS.**

WHY MY COMPLETE PENIS ENLARGEMENT SYSTEM WILL WORK FOR YOU WHERE OTHERS FAIL.

If you have tried other pumps in the past without success I am sorry that you have been disappointed. But if you are serious about penis enlargement, increasing your penis length, thickness and hardness I recommend 100% the penis enlargement systems shown here that you can buy direct from the manufacturer without a prescription and save hundreds of dollars.

WHAT YOU NEED TO HAVE A LONGER, THICKER AND HARDER PENIS.

1. The Best Penis Vacuum Pump. Squeeze bulb and short stroke centric or center push pumps create a minimum amount of vacuum. Used possibly for masturbation but not for the vacuum that is required to enlarge your penis. To be successful you need our Penis Pumps with the exclusive POWER VACUUM CONTROLLER that adjusts the right amount of vacuum for your Penis Enlargement.

2. Easy To Follow Professional Instructions. We do not ship to you a small piece of paper with instructions on how to use the pump and then leave you guessing on its proper use. Please do not be misled. Without professional instruction there just isn't any easy 1-2-3 method for penis enlargement. Instead I have produced a **Professional Instructional Video and Magazine** that shows you step by step everything you need to know to be successful. Only after you learn my penis enlargement methods by watching the video and magazine it will then seem as easy as 1-2-3. I have sold millions of my videos and magazines. Because of this volume my cost is only one dollar for the video and magazine and it is not for sale. My penis enlargement instructions without the best penis vacuum pump cannot help you. I include it **Free** with the purchase of any of my **Professional Penis Vacuum Pumps**. Now you have the combination you need for your successful penis enlargement, the best professional pump and professional instruction.

MOST MEN DO NOT REQUIRE A PROLONG OR ERECTION RING.

However, there are some men who would like to maintain an erection for a considerable length of time. You must not use a fixed size tight fitting plastic ring around your penis when you use a penis pump. You could restrict the blood flowing into your penis. Instead, I offer to you **Free** with any penis enlargement system a **Comfort Fit Erection Ring** that will adjust to fit any size penis.

HOW DOES THE ENLARGEMENT PROCESS WORK?

Approximately 2/3 of your penis is made up of muscle tissue called corpus cavernosum and that tissue can expand. The Enlargement process is called hypermiation. Blood rushes into the muscle tissue causing the penis to expand to your maximum potential.

Dr. Joel Bross is a noted sex therapist, clinical sexologist in private practice since 1974. He specializes in sexual concerns for both woman and men. He is responsible for the production of numerous educational sex videos.

The penis about 3 inches is inserted into the clear tube.

After instruction and pumping this man has enlarged his penis to about 10 inches.

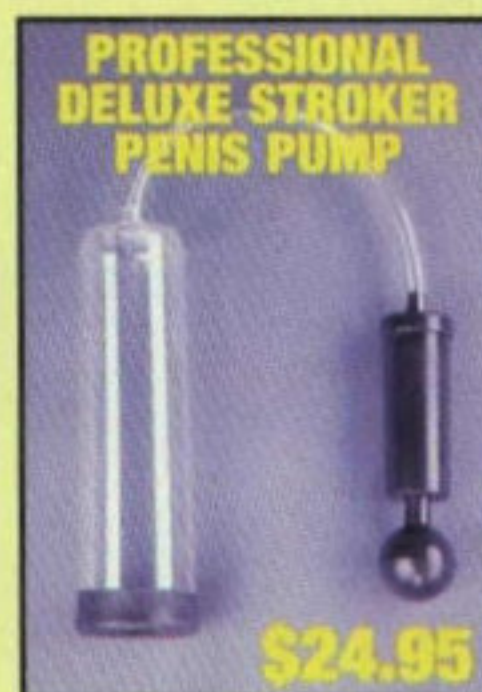

After more pumping the penis is removed from the tube and the penis is about 11 inches.

Even when the pump is not used the penis "hangs" thicker and longer.

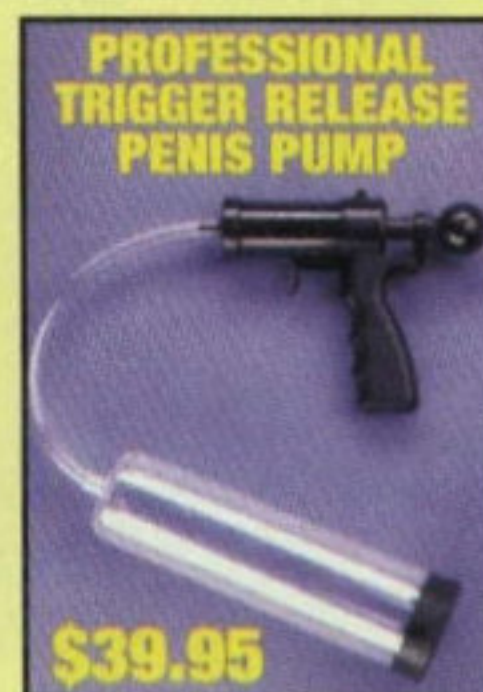

WHAT MY PENIS VACUUM SYSTEM CAN DO FOR YOU.

Increase penis length and thickness ■ Stimulate a harder and more powerful erection ■ Exclusive design helps maintain your erection for as long as you wish without an erection ring (use my Comfort Fit Prolong Ring for extended sex) ■ Increase confidence, sex drive and sexual performance ■ Intensify your orgasm

quarter mile, screaming and waving as the Trophy Trucks throttle and rumble down the road at speeds in excess of 80 miles an hour. To save money and manpower, SCORE ignores the need for walls or ropes to keep enthusiastic fans off the track. The starting-line madness offers insight as to why the race is not held in the United States: Dollars and death equal a legal nightmare.

Like crazed toreadors, scrawny children play chicken with the oncoming cars, jumping out of the way the last possible second. I quickly learn not to stand on the outside of a turn, as Larry Ragland's Chevrolet C1500 peels into a four-wheel slide. The Chevy sprays gravel and putrid mud into my mouth and nearly takes out a crowd of spectators standing three bodies deep.

By 9:00, all classes of vehicles have departed. The silence screams louder than the revving engines. Anthony and I jump into Big Bud. Stomping on the accelerator, we follow other chase vehicles, hoping to catch a glimpse of the souped-up projectiles flying through the third checkpoint on Highway One.

* * *

Local authorities do not close down the highway in several locations where the race crosses the road. Unspoken law and superi-

or speed dictate that race vehicles take precedence. Trucks run snatch-out on the wrong side of the road, weaving precariously around tractors and heaps of junk emitting plumes of blue smoke.

Sixteen-year-old kids in green army fatigues clutch M-16 automatic rifles and direct traffic at the hill in front of the third checkpoint. Race vehicles roar into the area and locate their pit. Like emergency surgeons, the crew adjusts the idle for changing altitude, adds lights, changes the timing or dumps gas with speed fuelers that look like a cross between an ocean buoy and a bong. Competitors stop no longer than three minutes.

The routine of cars passing through the checkpoint becomes monotonous. *Mike Healey is right*, I think to myself. *This isn't much of a spectator sport. I wish someone would crash.*

After the last vehicle passes through, we ride back to Ensenada and park ourselves in the bar.

While sipping spicy bloody Marys at the San Nicolas, we hear rumors that engine trouble forced pre-race favorite Ivan Stewart out of competition at mile 213, blowing a 20-minute lead on the rest of the class. His development V8 suffered a failed heat exchanger, causing the oil to boil.

"Goes to show," says Anthony, eating

an olive, "you can have all the money in the world, but if your truck breaks, you're fucked."

* * *

At the finish line, race officials erect a concrete passage snaking in front of the Tecate arches to halt vehicles with brake failure. Hot teenage girls in official Baja 1000 belly shirts keep the time. I hold three beers at once by slipping my wrist through one of the empty plastic loops. A Mexican bystander gives my beverage-carrying technique an enthusiastic thumbs-up. I toss him a can.

A sputtering motorcycle engine whines full throttle. The crowd goes apeshit. Johnny Campbell brings his Honda XR600 across the finish line, completing the course in 13:19:59. Covered in mud and dust, Tex Mitchell from Team IMS zooms in second.

The winning riders stand on a stage with four rump-shaking Tecate Girls. The Mexican audience looks confused and bored when the thumping disco music ends abruptly. The winners thank their sponsors. Their words induce sparse ripples of applause. When Tex slams his beer and repeats Tecate's ubiquitous slogan, *Pura sabor, Pura Tecate*, the crowd erupts with whistles and whoops.

Mike Healey slurps a beer backstage. He looks beat-up.

"I hit a car and slid under the front bumper," Healey explains, examining his injured arm. "Then I hit a barbed wire fence." He says nothing about being beaten by a pussy.

Healey invites Anthony and me to join him later at Pappas and Beer for celebratory cocktails after the Trophy Trucks finish.

Larry Ragland's ravaged Chevy Trophy Truck plows in first, minus a few side panels, nearly popping the Tecate arches. Removing his Parker Pumper and goggles, the white areas around his mouth and eyes contrast against the caked dirt and sweat, making him look like a blackface in a minstrel show. The press attacks the vehicle with flashing bulbs, television cameras and microphones. Ragland's raccoon eyes look red and exhausted. His official time reads 13:53:46, averaging 40.47 miles an hour.

At Pappas and Beer, I watch a well-endowed, caramel-skinned brunette wiggle and gyrate her curvaceous ass. Her enormous breasts jiggle as she dances to "Turn the Beat Around" by Gloria Estefan. Hard nipples point out of her sweat-stained, electric-blue, Spandex top. I catch her attention, hold her stare and flag her over. I've learned my lesson.

"Hi," I scream over the pounding music. "I'm a driver in the Baja 1000." 🍌

"That Pat Robertson is beginning to annoy me. Give him prostate trouble, and leak his financial records to the IRS."

"Damn, this new recruiting tactic is powerful!"

Catholic schoolgirl Kat lies amid the wreckage of the biggest youth-group grope in the history of Saint Bridget's Divinity College. "Last night wasn't just your average Jaycee convent gangbang," Kat brags, displaying her hard, round ass.

"It was a soul-saving mission. I converted five well-hung atheists to the religion of my cooze. When those pent-up altar boys witnessed the miracles of my grotto, they lavished it with tongue worship." Kat eases an empty wine bottle into her holy sanctum.

"My faith appeals not only to repressed Catholic dudes. My cunt crusades for men and women of all races, creeds and sexual persuasions. One night with me turns anyone into a born-again pagan."

ENLARGE YOUR PENIS TO ITS MAXIMUM! HAVE ERECT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES!

THE EXCELO IS THE ONLY PENIS DEVELOPER YOU WILL EVER NEED!

Is the size of your penis bringing you down? Sure, the medical authorities say that size doesn't count; but as long as women have a need to be filled, they will demand the full measure of devotion. And no amount of psychological reassurance will fill the gap between expectation and reality.

Now, with a simple device you can follow in the footsteps of thousands of men who have proven that there is a way to **INCREASE PENIS SIZE and THICKNESS!** The device is called the **EXCELO ELECTRIC VACUUM ENLARGER**. A safe and proven natural way to add inches to penis length and thickness. With the EXCELO, you will see yourself grow to dimensions you never thought possible.

HOW CAN THE EXCELO ELECTRIC VACUUM ENLARGER INCREASE PENIS LENGTH & THICKNESS?

Your erection is caused by blood flowing into hollow caverns inside your penis. The caverns fill with blood and your penis grows in size and thickness and becomes stiffer and stiffer until the caverns are filled with all the blood they can hold. **BUT, IF YOU INCREASE THE CAPACITY OF THE CAVERNS BY MAKING THEM BIGGER, THEY HOLD MORE BLOOD** and you have a correspondingly longer, thicker penis. Regular use of the EXCELO gently urges the caverns to expand... expand... expand. You'll see the astonishing results the first time you use your EXCELO. Your penis will grow inside the clear, picture window sleeve. Immediately you'll see just how really **BIG**... how really **FAT**... how **LONG**... how **HARD** and **STIFF** your own penis can get! And after regular sessions with the EXCELO you'll probably find as do most men that these size gains don't go away! They become a part of you to thrill and excite her!

THE EXCELO IS SIMPLY THE MOST POWERFUL ENLARGEMENT SYSTEM YOU CAN PURCHASE ANYWHERE! AT ANY PRICE!

This powerful, totally electric unit (U.L. approved) is equipped to plug into any wall outlet to give you continuous, even sucking power until you shut it off! Unlike noisy electric vacuum enlargers costing upwards of \$100 - the EXCELO is "quiet as a whisper." This sophisticated instrument is by far the state of the art in penis enhancing machinery. It has taken time, money and first-class engineering to produce what many have called the "Rolls Royce" of vacuum enlargers. And, of course there are two other models available - to fit any budget. The EXCELO is a finely crafted precision instrument designed to create the vacuum needed to make the male organ **LONGER** and **THICKER**. If you are truly serious about penis enlargement - the EXCELO will do the job for you!

THE ONLY SYSTEM THAT OFFERS AN EASY "HOW-TO" BOOK FOR THE MOST COMPREHENSIVE INSTRUCTION POSSIBLE!

Other so called enlargement systems might offer a shoddy, pieced-together hodge-podge book to show the product in action. **NOT OUR SYSTEM.** Our book was produced by the manufacturer of the pump, designed to get you **BIG** and **HARD** in the shortest time possible!

ALL THIS... WHAT MORE COULD YOU ASK FOR? HOW ABOUT A PRICE THAT IS POSITIVELY UNBEATABLE?

First of all, if you could even find a system that offers you all the EXCELO System does, you'd easily be prepared to pay hundreds of dollars for it. That's why our system is a truly unbelievable bargain at the prices offered.

HUSTLER®

WARM ON THE INSIDE

Escape the cold, harsh winter. December HUSTLER invites readers to come into America's Magazine and use their pokers to stoke the fires burning deep inside our blazing babes. In a personal moment of sexual self-discovery, an adventurous blonde realizes her fantasy of smearing pussy juice on her ass and fingering her brown hole. A phone-sex worker answers the collect call on her cornhole hotline. A horny husband knocks the piss out of his sultry sister-in-law with a cracking cock slap. Two exotic actresses use a double-donged dildo to perform in-depth exploration of their characters' carnality. December HUSTLER wards off the winter doldrums with enough heated action to make the hardest icicle drip.

A YEAR OF RAUNCH IN REVIEW

The adult-entertainment industry hosts a bevy of self-serving award ceremonies. Advertising and video-company bigwigs influence all outcomes and promote their business interests by presenting their contract girls with asinine accolades that misrepresent the true quality of the recipients' on-tape efforts. Impervious to outside influence, *Erotic Entertainment's* Mack Assarian presents HUSTLER's Golden Beaver Awards. Assarian wraps up the year with a detailed list of winners for the best pussy performances from the sexiest starlets.

BUMP AND GRIND

Mixing over-the-counter ingredients in washing machines, criminal chemists crank out tons of white-lightning methamphetamine to sell on city and suburban streets. Known as speed, methamphetamine is less expensive than cocaine, provides the consumer a longer high and is America's current drug of choice. Speed kicks the jaw and johnson into high gear and makes 24-hour partying a reality. When snorted or smoked, the white crystal fuels the feeling of omnipotence that quiets any objections from a tweaker's common sense or conscience. Trading sleep for all-night fuckfests with white-nostriled nymphets, correspondent Perry Moss delivers testimonial about the insane antics of a crank-crazed sucker in *Speedfreaking: America Rallies Around the Rail*.

SNOW JOB

In December's *Sex Play*, "High-Flying Humping: How to Cruise the Cabin and Cockpit for Cooze," correspondent Jamie Alexander calculates the aerodynamics of pie diving and in-flight fucking. *Bits & Pieces* speculates with Magic Johnson and Eddie Murphy about transsexual tales. *Erotic Entertainment* judiciously judges a dozen of the finest fuck flicks and assesses the unfortunate and infectious aftermath of a gang-bang betty. Batten down the snatches, and brave the snizz storm that soaks December HUSTLER.

December HUSTLER on sale September 22, 1998.
